Jesus Christ in the Preaching of Calvin and Schleiermacher Dawn DeVries, 2002-03-01 While the effects of historical criticism on theology in the modern period have been well documented their implications for modern preaching have been largely ignored Dawn DeVries examines the content of and reasoning behind the preaching on the Synoptic Gospels by John Calvin and Friedrich Schleiermacher in order to ascertain their responses to the historical Jesus By doing so DeVries demonstrates that the shifting of emphasis in modern preaching from the miraculous aspects of the Gospel narratives to the internal miracles of faith has historical intellectual and spiritual grounding in the work of these classical theologians The Columbia Series in Reformed Theology represents a joint commitment by Columbia Theological Seminary and Westminster John Knox Press to provide theological resources from the Reformed tradition for the church today This series examines theological and ethical issues that confront church and society in our own particular time and place **The Calvin**

Kelsey, 2007-05-25

Friedrich Schleiermacher the father of modern theology found his voice first in preaching This book demonstrates how Schleiermacher moved between the critical reading of Scripture the proclamation of Christian faith to congregations over a forty five year period and eventually the work of theology in all its disciplines Schleiermacher's Preaching Dogmatics and Biblical Criticism is the first work to fully unveil this interaction by focusing on Schleiermacher's 228 known sermons on the Gospel of John Kelsey shows in detail 1 how the central insights of his theology emerged first in his preaching and 2 that his dogmatic writings provided a context within which these insights could be related to all the major doctrinal themes of Christian faith The study concludes by drawing implications for theological reflection and its relation to worship life in our own time **Calvin's Theology and Its Reception** J. Todd Billings, I. John Hesselink, 2012-01-01 A unique resource for the study of John Calvin's theology its reception and insights for today The Constructive Promise of Schleiermacher's

Theology Shelli M. Poe, 2021-04-08 This volume demonstrates how Friedrich Schleiermacher's thought can be used to address contemporary doctrinal refinement and development Taking a constructive approach Shelli M Poe weaves Schleiermacher's theology together with current scholarship in feminism womanism ecotheology and queer theology While Schleiermacher is widely acclaimed as the progenitor of modern theology Poe is one of the first to use his work as a springboard to refine contemporary doctrine This book demonstrates the promise of Schleiermacher's mature work for contemporary constructive forms of theology *John Calvin's Ecclesiology* Gerard Mannion, Eddy van der Borght, 2011-08-04

This unique work analyzes the crisis in modern society building on the ideas of the Frankfurt School thinkers Emphasizing social evolution and learning processes it argues that crisis is mediated by social class conflicts and collective learning the results of which are embodied in constitutional and public law First the work outlines a new categorical framework of critical theory in which it is conceived as a theory of crisis It shows that the Marxist focus on economy and on class struggle is too narrow to deal with the range of social conflicts within modern society and posits that a crisis of legitimization is at the core of all crises It then discusses the dialectic of revolutionary and evolutionary developmental processes of modern society and its legal system This volume in the Critical Theory and Contemporary Society by a leading scholar in the field provides a new approach to critical theory that will appeal to anyone studying political sociology political theory and law *Here I Am, Lord, Send Me* Neal D. Presa, 2012-10-03 Church leadership and authority have been perennial theological issues facing Protestant churches of the Reformed tradition since the sixteenth century What is ordination and what occurs when the Church ordains women and men to offices are questions that Reformed churches have attempted to answer for over five hundred years In *Here I Am Lord Send Me* Neal Presa combs the rich confessional constitutional and theological tradition of the Reformed churches He critiques previous methods that have tried to answer questions of the meaning of ordination and then proposes a new methodology that focuses on the ritual and stories of ordination the shape and content of an assembly's worship This work provides pathways for deeper and helpful engagement with present church debates and ecumenical discussions on ordination and ecclesiastical authority Wiley Blackwell Companion to Karl Barth George Hunsinger, Keith L. Lamm, 2021-11-08 Friedrich Schleiermacher's Platons Werke 1804/28 changed how we understand Plato His translation of Plato's dialogues remained the authoritative one in the German speaking world for two hundred years but it was his interpretation of Plato and the Platonic corpus set forth in his Introductions to the dialogues that proved so revolutionary for classicists and philosophers worldwide Schleiermacher created a Platonic question for the modern world Yet in Schleiermacher studies surprisingly little is known about Schleiermacher's deep engagement with Plato Schleiermacher's Plato is the first book length study of the topic It addresses two basic questions How did Schleiermacher understand Plato In what ways was Schleiermacher's own thought influenced by Plato Lamm argues that Schleiermacher's thought was profoundly influenced by Plato or rather by his rather distinctive understanding of Plato This is true not only of Schleiermacher's philosophy Hermeneutics Dialectics but also of his thinking about religion and Christian faith during the first decade of the nineteenth century Christmas Dialogue Speeches on Religion Schleiermacher's Plato should be of interest to classicists philosophers theologians and scholars of religion **"God Calls us to his Service" : The Relation between God and his Audience in Calvin's Sermons on Acts** Wilhelmus H. Th Moehn, 2001 De 1549/1551 Jean Calvin pr chait le dimanche partir des Actes des ap tres c est une part importante de ces sermons qu tudie de mani re d taill e W Moehn Plut t qu un dogmaticien rigoriste c est un orateur attentif son auditoire qui se d gage et dont les pr occupations pastorales int grent autant le cadre social politique travail interd pendance que les particularit s confessionnelles de ses ouailles **The Identity and the Life of the Church** Yosep Kim, 2014-07-09 This study of John Calvin's ecclesiology argues that Calvin's idea of the twofold identity of the Church its spiritual identity as the body of Christ and its functional identity as the mother of all believers is closely related to his understanding of Christian identity and life which are initiated and maintained by the grace of the triune God The anthropological basis of Calvin's idea of the Church has not been examined fully even though Calvin presents the important concepts of his ecclesiology in light of his anthropological ideas This study offers an overall evaluation for Calvin's ecclesiology arguing that it is ultimately his pastoral concern for the Christian and the Church under affliction that both governs his theological understanding of the Church and shapes his proposals for establishing and sustaining the life of the Church in the world **The Blackwell Companion to Protestantism** Alister E. Ballard, Stephen R. Holmes, 2006 A New York Review Books Original Whether you call her a coldhearted grifter or the soul of modern capitalism there's no question that Aimee is a killer and a more than professional one Now she's set her eyes on a backwater burg where while posing as an innocent albeit drop dead gorgeous newcomer to town she means to sniff out old grudges and engineer new opportunities deftly playing different people and different interests against each other the better as always to make a killing But then something snaps the master manipulator falls prey to a pure and wayward passion Aimee has become the avenging angel of her own nihilism exacting the destruction of a whole society of destroyers An unholy original Jean Patrick Manchette transformed the modern detective novel into a weapon of gleeful satire and anarchic fun In Fatale he mixes equal measures of farce mayhem and madness to prepare a rare literary cocktail that packs a devastating punch     Schleiermacher's Influences on American Thought and Religious Life, 1835-1920 Jeffrey A. Wilcox, Terrence N. Tice, Catherine L. Kelsey, 2014-10-23 Here freshly researched unprecedented stories regarding modern American thought and religious life show how the scholar Friedrich Schleiermacher 1768-1834 provides ongoing influence still They describe his influence on universal rights American religious life theology philosophy history psychology interpretation of texts community formation and interpersonal dialogue Schleiermacher is an Einstein like innovator in all these areas and more This work contrasts chiefly evangelical liberal figures with others between circa 1835 and the 1920s It also looks ahead to several careers extended well into the twentieth century and offers numerous characterizations of Schleiermacher's thought In six tightly organized parts fourteen expert historians chronologically discuss the following 1 Methodist leaders 1766-1924 2 Stuart Bushnell Nevins and Hodge 3 Restorationists Transcendentalists women leaders Schaff and Rauschenbusch 4 Clarke Mullins Carus and Bowne 5 Dewey Royce Ames Knudson Brown Fosdick Cross Jones and Thurman within contemporary contexts Unexpectedly John Dewey lies at the epicenter of the narrative and Harry Emerson Fosdick and Howard Thurman bring it to its climax Recently evidence displays a broadening influence advancing rapidly The sixth part of the book surveys modern historiography Schleiermacher on history and comparative method and on psychology as a basic scientific and

philosophical field That section also provides a critical survey of histories of modern theology and offers concluding questions and answers The three editors contribute twenty of the thirty one chapters      **Liturgy Wars** Theodore M. Vial,2004-03-01

The nineteenth century was a period of intense religious conflict across Europe as people confronted the major changes brought by modernity In Zurich one phase of this religious conflict was played out in a struggle over revisions to the ritual of baptism In its analysis of the Zurich conflict Liturgy Wars offers a strategy for understanding the links between theology ritual and socio politics Theodore M Vial offers a new perspective on contemporary ritual studies and critiques the cognivist approaches of Lawson and McCauley as well as Catherine Bell s analysis of power and the body by reintergrating the imporatance of speech acts into considerations of ritual      *Reclaiming Divine Wrath* Stephen Butler Murray,2011-09-02

Following the 9 11 terrorist attacks in the United States there was prolific misuse and abuse of the concept of divine wrath in church pulpits In pursuit of a faithful understanding of what he calls a lost doctrine the author of this study investigates the substantial history of how the wrath of God has been interpreted in Christian theology and preaching Starting with the Hebrew and Christian Scriptures and moving historically through Christianity s most important theologians and societal changes several models of divine wrath are identified The author argues for the reclamation of a theological paradigm of divine wrath that approaches God s love and God s wrath as intrinsically enjoined in a dynamic tension Without such a commitment to this paradigm this important biblical aspect of God is in danger of suffering two possible outcomes Firstly it may suffer rejection through conscious avoidance of the narrow misinterpretations of divine wrath that dominate contemporary theology and preaching Secondly irresponsible applications of divine wrath may occur when we neglect to engage and understand the wrath of God as inseparable from God s justice and love in Christian theology and proclamation
