Resurrection, Apocalypse, and the Kingdom of Christ Stanley S. MacLean,2012-04-19 In recent decades few Christian themes have attracted as much attention as that of eschatology or Christian hope Resurrection Apocalypse and the Kingdom of Christ explores the meaning of this theme for Thomas F Torrance one of the twentieth century s leading theologians This study the first of its kind brings Torrance s eschatology to light through an exploration of the whole range of his corpus including sermons lectures and correspondence It also demonstrates that his eschatology is molded by momentous historical events such as World War II the spread of communism and the ecumenical movement Out of all this we realize that eschatology is a central component of Torrance s theology so much so that it conditions his thinking on other Christian doctrines **Raised with Christ** Adrian Warnock,2009-12-22 Jesus truly is alive today But compared to his atoning death Jesus resurrection sparks relatively little discussion in the church Inadvertently we can become so focused on the good news that Christ died for our sins that we almost forget he was raised for our justification Romans 4 25 In Raised with Christ

author Adrian Warnock exhorts Christians not to neglect the resurrection in their teaching and experience Warnock takes his cue from Acts where every recorded sermon focuses on Jesus resurrection He stresses that Christians who faithfully proclaim both the death and the bodily resurrection of Jesus and live out the implications of that message in vibrant grace filled churches will be enabled to reach a world that lives in death s dark shadow The power of the risen Christ is active in every true Christian transforming our lives Raised with Christ will help you discover afresh the massive implications of the empty tomb Jesus resurrection really has changed everything **The Word Goes On 2nd Ed** Siegbert W Becker,James P.

Becker,2018-07-01 What makes a good sermon Arguments can be made for how it is delivered how dynamic the preacher is and how relatable the sermon is to the Christians in the pews but neither of those makes a sermon good Neither of those

makes a sermon great What makes a good sermon is what it s all about God s Word More specifically a good sermon contains both law and gospel in a way that convicts and then comforts believers with the assurance that God forgives them and loves them all because of Jesus and what he s done for them The Word Goes On contains powerful sermons for every Sunday of the church year and many church festivals The themes encourage you to have a closer relationship with Jesus making it valuable for personal devotional reading Read The Word Goes On today to see the motivational and practical power of God s saving message for you This book contains important Bible concepts like law and gospel making it a valuable resource and inspirational reference book for pastors and theological writers Ex Auditu - Volume 04 Robert A.
