Jesus in the Nag Hammadi Writings

MAJELLA FRANZMANN

Jesus In Nag Hammadi Writings

Marvin W. Meyer, James M. Robinson

Jesus In Nag Hammadi Writings:

Jesus in the Nag Hammadi Writings Majella Franzmann, 1996 Many of the Nag Hammadi writings are considered heretical and therefore not valid sources for traditions about the founder Jesus Majella Franzmann however shows that it is a mistake to believe that Christianity was a homogeneous entity from the first and that the only valid traditions about the founder are preserved by those early Christians who became the dominant mainstream group The whole range of early Christian movements including the Gnostic Christian movements cannot be separated and identified simply as orthodox or heretical from the beginning The Nag Hammadi texts were discovered in 1945 near Luxor in Egypt From these writings Majella Franzmann presents a fascinating and radically different portrait or series of portraits of Jesus and of the world into which he came Majella Franzmann's work advances our whole understanding of the origins development and present identity of Christians and Christianity

The Gnostic Discoveries Marvin W. Meyer, 2005-11-08 On the 60th anniversary of the discovery of ancient Gnostic texts at Nag Hammadi a leading scholar explains the historical significance and continuing influence of these alternative views of Christianity suppressed by the early church

The Secret Teachings of Jesus, 1986-05-12 In December 1945 two Egyptian fellahin digging for natural fertilizer in the Nile River valley unearthed a sealed storage jar The jar proved to hold treasure of an unexpected sort a collection of some fifty two ancient manuscripts most of which reflect the teachings of a mystical religious movement we call Gnosticism from the Greek word gnosis knowledge The texts are also with few exceptions Christian documents and thus they provide us with valuable new information about the character of the early church and about the Gnostic Christians within the church In this volume Marvin W Meyer has produced a new English translation for general readers of four of the most important and revealing of these early Christian texts the Secret Book of James the Gospel of Thomas the Book of Thomas and the Secret Book of John

The Woman Jesus Loved A. S. Marjanen, 1996 This book is the first comprehensive study on the picture and use of the figure of Mary Magdalene in those second and third century Coptic and Greek Gnostic texts in which Jesus most famous female follower gains a prominent position

The Gnostic Gospels of Jesus Marvin W. Meyer, 2009-09-15 For all those readers curious to read the actual texts of the Gnostic Gospels here is the definitive collection of all the Gnostic Gospels and Gospel like texts o Marvin Meyer premier scholar of Gnostic and other Christian literature outside the New Testament presents every Gnostic Gospel and Jesus text with a brilliant overall introduction introductions to each text and notes that explain everything the reader needs to know to understand the text He includes his latest translations of not only the Gospel of Thomas the Gospel of Philip the Gospel of Mary but other texts such as the Secret Book of John which some scholars regard as the second part of the New Testament Gospel of John The material is largely from the discovery at Nag Hammadi freshly translated and introduced but also includes texts found elsewhere The texts especially taken together present an image of Jesus as the ultimate wisdom teacher a kind of mysterious Jewish Zen master who scandalized listeners by his radical egalitarianism

regarding women slaves the poor the marginalized as of equal status or more with establishment male believers and his insistence on living the message spiritual experience vs outer observance only o For those wanting to learn more after reading The Da Vinci Code This book provides the definitive next book for those looking for expert presentation of the alternative Gnostic stream of Christianity in which there is no talk of crucifixion and Mary Magdalene is presented as the disciple that Jesus loved best Marv is one of the original secret gospels scholars who has done an enormous amount of work to bring these texts to light All of his research on the Nag Hammadi texts is having an incredible impact on our knowledge of early Christian history it is virtually redefining it Dr Elaine Pagels Princeton University The Nag Hammadi Texts in the History of Religions Søren Giversen, Tage Petersen, Jørgen Podemann Sørensen, 2002 **The Gospel of Thomas** History Academy, 2021-08-21 A provocative study of the gnostic gospels and the world of early Christianity as revealed through the Nag Hammadi texts Jesus preaches the coming of a new man the genesis of the man of knowledge In this gospel Jesus describes a journey from limited to unlimited consciousness The Jesus of Thomas invites us to drink deeply from the well of knowledge that lies within not so that we may become good Christians but so we may attain the self knowledge that will make each of us too a Christ Discover the original mystical teachings of Jesus in the Gospel of Thomas the most important book left out of the Bible The Gospel of Thomas contains the seeds of a profound mysticism that can transform our view of the universe and ourselves History Academy unpacks the core teachings of the Gospel in ways that can shift not only how we understand ourselves but how we view reality itself The Way of Thomas is packed with profound insights and practical advice for spiritual practice The Gospel of Thomas consists of mini parables of deep inward and symbolic meaning many of which are not found in the New Testament This eye opening collection of texts sheds light on the esoteric knowledge of Gnosticism revealing intimate conversations between Jesus and his Disciples Gnosticism was a wide ranging religious movement of the first millennium CE with earlier antecedents and later flourishings whose adherents sought salvation through knowledge and personal religious experience Gnostic writings offer striking perspectives on both early Christian and non Christian thought For example some gnostic texts suggest that god should be celebrated as both mother and father and that self knowledge is the supreme path to the divine Only in the past fifty years has it become clear how far the gnostic influence spread in ancient and medieval religions and what a marvelous body of scriptures it produced The wisdom in this inspiring collection of texts is wholly relevant to our lives today addressing the questions of good and evil sin and suffering and the path to salvation In 1945 several gospels hidden since the first century were found in the Egyptian Desert at Nag Hammadi This discovery caused a sensation as the scrolls revealed the mysteries of the Gnostics a movement which emerged during the formative period of Christianity Gnosis from the Greek broadly meaning hidden spiritual knowledge was associated with renouncing the material world and focusing on attaining the life of the Holy Spirit Many Christian sects are derived from the esoteric knowledge of Gnosticism This volume also includes introductory essays notes tables glossary index etc to help the reader

understand the context and contemporary significance of these texts which have shed new light on early Christianity and ancient thought The selections gathered here in poetic readable translation represent Jewish Christian Hermetic Mandaean Manichaeian Islamic and Cathar expressions of gnostic spirituality Their regions of origin include Egypt the Greco Roman world the Middle East Syria Iraq China and France History Academy represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Lost Sayings of Jesus, 2011-06-30 Jesus's words of wisdom can become a companion on your own spiritual journey The gospels of Matthew Mark Luke and John are not the only record we have of the words spoken by Jesus Designed to challenge enlighten and inspire they are also quoted in a wide variety of other ancient sources including the Quran writings by early Christian church fathers and fragments of lost gospels only recently discovered Some of these sayings are familiar many are surprising all expand our conventional understanding of the scope and essence of Jesus's original teachings More than a Christian compilation this collection of more than three hundred sayings reveals a Jesus whose words encapsulate spiritual truths that resonate across religious boundaries From the encouraging I am hope for the hopeless to the wise and practical Love those who hate you and you will not have an enemy to the candid Give no opportunity to the evil one these pointed sayings not only reveal how Jesus was understood and portrayed across a wide variety of cultures long ago they will also penetrate to your heart challenge your assumptions and energize your own spiritual quest Now you can experience the wisdom and power of Jesus's sayings even if you have no previous knowledge of these little known texts

Between Two Worlds Daniel Scott, 2024-10-02 Between Two Worlds Jesus in the Nag Hammadi Gospels Discover Between Two Worlds a fascinating exploration of the Nag Hammadi apocryphal gospels that reveals an unknown side of Jesus In this book Daniel Scott takes readers on a journey through the lost texts and Gnostic writings that transform our understanding of Jesus as a spiritual master and revealer of hidden secrets Between Two Worlds offers a new perspective on the role of Jesus in the apocryphal texts challenging traditional dogmas and presenting a more humanized and mystical vision of the Messiah Whether you seek to deepen your faith or simply explore the hidden truths in the Gospels of Judas Thomas and other ancient writings this book is the key to unlocking that mysterious universe Between Two Worlds Jesus in the Nag Hammadi Gospels delves deeply into the apocryphal and Gnostic gospels challenging conventional interpretations of Jesus' life Daniel Scott examines texts like the Gospel of Judas and the Gospel of Thomas uncovering a more mystical and esoteric view of Jesus far from the rigidity of the canonical gospels This book is perfect for those who wish to understand the roles of figures like Mary Magdalene and Judas Iscariot in a new light as well as explore the significance of hidden wisdom Gnostic spirituality and the impact of apocryphal gospels on modern Christianity Between Two Worlds is essential reading for scholars theologians and curious readers offering a fresh and thought provoking vision of a revolutionary Jesus and master of hidden wisdom Terms

Apocryphal gospels and the lost teachings of Jesus The role of Mary Magdalene in the Gnostic Gospels Exploring the hidden wisdom of the Gospel of Thomas The mystical Jesus in the Nag Hammadi texts Gnostic view of Judas Iscariot in the Gospel of Judas Understanding the cosmic Jesus in Gnostic theology Esoteric teachings of Jesus in non canonical texts The humanity of Jesus in apocryphal gospels Comparing canonical and Gnostic views of Jesus disciples The divine feminine in apocryphal texts Mary Magdalene's role What do the Nag Hammadi scriptures say about Jesus Hidden meanings in the Gospel of Philip and Gnostic spirituality How Jesus is portrayed as a political revolutionary in apocryphal texts The spiritual significance of Jesus childhood in non canonical gospels Gnostic concept of salvation Jesus as a bearer of hidden wisdom

The Nag Hammadi Scriptures Marvin W. Meyer, James M. Robinson, 2010-09-14 The Nag Hammadi Scriptures edited by Marvin Meyer is the most complete up to date one volume English language edition of the renowned library of Gnostic manuscripts discovered in Egypt in 1945 which rivaled the Dead Sea Scrolls find in significance It includes the Gospel of Thomas the Gospel of Mary and the recently discovered Gospel of Judas as well as other Gnostic gospels and sacred texts This volume also includes introductory essays notes tables glossary index etc to help the reader understand the context and contemporary significance of these texts which have shed new light on early Christianity and ancient thought The compilation of ancient manuscripts that constitute The Nag Hammadi Scriptures is a discovery that challenges everything we thought we knew about the early Christian church ancient Judaism and Greco Roman religions

The Apocryphal Gospels Hans-Josef Klauck, 2003-01-01 In this book Hans Josef Klauck provides a comprehensive introduction to the apocryphal gospels the biblical and related writings which do not form part of the accepted canon of Scripture Klauck classifies the material in various helpful ways Agrapha isolated sayings of Jesus Fragments Jewish Christian Gospels Two Gospels of the Egyptians Infancy Gospels Gospels about Jesus Death and Resurrection Gospels from Nag Hammadi Conversations with the Risen Jesus Dialogues of Jesus with No Location Legends about the Death of Mary Lost Gospels the Toledot Jeshu an anti gospel Each section is accompanied by a carefully related bibliography This highly readable introduction takes account of all the latest international scholarship on the apocrypha and will be an invaluable resource for all scholars and students in the field

Forbidden Texts on the Western Frontier Tony Burke, 2016-01-28 North American study of the Christian Apocrypha is known principally for its interest in using noncanonical texts to reconstruct the life and teachings of Jesus and for its support of Walter Bauer's theory on the development of early Christianity The papers in this volume presented in September 2013 at York University in Toronto challenge that simplistic assessment by demonstrating that U S and Canadian scholarship on the Christian Apocrypha is rich and diverse The topics covered in the papers include new developments in the study of canon formation the interplay of Christian Apocrypha and texts from the Nag Hammadi library digital humanities resources for reconstructing apocryphal texts and the value of studying late antique apocrypha Among the highlights of the collection are papers from a panel by three celebrated New Testament scholars reassessing the significance of the Christian Apocrypha for the study of

the historical Jesus Forbidden Texts on the Western Frontier demonstrates the depth and breadth of Christian Apocrypha studies in North America and offers a glimpse at the achievements that lie ahead in the field *A History of the Quests for the Historical Jesus, Volume 2* Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates

The Gospel of Thomas Simon James Gathercole, 2014-05-22 In this new commentary on the controversial Gospel of Thomas Simon Gathercole provides the most extensive analysis yet published of both the work as a whole and of the individual sayings contained in it This commentary offers a fresh analysis of Thomas not from the perspective of form criticism and source criticism but seeks to elucidate the meaning of the work and its constituent elements in its second century context With its lucid discussion of the various controversial aspects of Thomas and treatment of the various different scholarly views this is a foundational work of reference for scholars not just of apocryphal Gospels but also for New Testament scholars Classicists and Patrologists *The New Testament on Sexuality* William Loader, 2012-09-13 This is the fifth and final installment of William Loader's authoritative acclaimed series on attitudes toward sexuality in the ancient world Sexual themes are never far beneath the surface where there are human beings This was certainly the case for Christians in the first century world Some began in a strongly Jewish context and worked out their faith in dialogue with their scriptural heritage Others had to work out their sexual ethics in a world strongly influenced by Greco Roman ideals and practices In *The New Testament on Sexuality* William Loader explores the relevant cultural contexts and looks at New Testament texts related to sexuality highlighting both the warnings about sexual wrongdoing and the affirmations of sexual

union He deals with specific themes such as divorce same sex relations women and men in leadership and celibacy individual behavior gender roles and rules preferences and hopes also fall under the scope of his investigation Broad ranging and thorough this book engages both the biblical texts and the diverse ways in which they have been interpreted **Writing the Gospels** Catherine Sider Hamilton, Joel Willits, 2019-02-21 In this book prominent biblical scholars engage with Francis Watson's most striking arguments on the creation of the gospels Their contributions focus in particular on his argument for a fourfold gospel rather than four separate gospels his argument against Q but for an early sayings collection and on the larger landscape of Jesus studies gospel reception and interpretation The contributors ask whether and in what ways Watson's reorientation of gospel studies is successful and explore its implications for research Leading scholars including Jens Schröter Margaret Mitchell Richard Bauckham and many others provide a close critical and creative engagement with Watson's work More than merely a critical review of Watson's writing this book carries forward his work with fresh treatments and provides an essential volume for students and scholars seeking to understand the landscape of gospel studies and to explore new directions within it Fair Play: Diversity and Conflicts in Early Christianity Ismo Dunderberg, Christopher Tuckett, Kari Syreeni, 2014-04-09 This collection of essays in honour of Heikki Rönkä is Rönkä's own research has been characterized by methodological awareness combined with a keen interest in ethical issues Both these aspects come to expression in his insistence on fair play as a correct scholarly attitude involving an honest dialogue a real encounter and a recognition of diverging opinions In this spirit most of the essays in this book lay emphasis on issues related to early Christian diversity and conflicts and to their challenge in modern society The book is useful for scholars academic teachers and students interested in various aspects of the New Testament early Christianity and hermeneutics **Gospels and Gospel Traditions in the Second Century** Jens Schröter, Tobias Nicklas, Joseph Verheyden, 2018-12-03 The second century CE has often been described as a kind of dark period with regard to our knowledge of how the earliest Christian writings the gospels and Paul's letters were transmitted and gradually came to be accepted as authoritative and then later on as canonical At the same time a number of other Christian texts of various genres saw the light Some of these seem to be familiar with the gospels or perhaps rather with gospel traditions identical or similar to those that found their way into the NT gospels The volume focuses on representative texts and authors of the time in order to see how they have struggled to find a way to work with the NT gospels and or the traditions behind these while at the same time giving a place also to other extra canonical traditions It studies in a comparative way the reception of identifiably canonical and of extra canonical traditions in the second century It aims at discovering patterns or strategies of reception within the at first sight often rather chaotic way some of these ancient authors have cited or used these traditions And it will look for explanations of why it took such a while before authors got used to cite gospel texts more or less accurately **The**

Gospels of the Marginalized Marvin W. Meyer, 2012-10-16 The Gospels of the Marginalized provides an exciting new study of three of the most maligned figures in the New Testament story of Jesus Thomas usually considered the quintessential doubter among the disciples Mary Magdalene characterized as a repentant prostitute during much of the history of the church and Judas Iscariot presented as the despicable disciple of Jesus who betrayed his master for money In this book Marvin Meyer one of the most prominent of the scholars of gnostic texts and other early Christian literature offers fresh and accurate translations of the Gospels of Thomas Mary and Judas with their proclamation of the good news of the wisdom of Jesus and he uses these gospels as the occasion to reexamine the place of Thomas Mary Magdalene and Judas Iscariot in the Jesus movement His striking analysis suggests that Thomas was no doubter that Mary Magdalene was a beloved disciple in the inner circles of disciples around Jesus and that the tale of Judas Iscariot as betrayer of Jesus is a piece of fiction Meyer adds a Gospel of the Redeemed as a vivid illustration of how the gospel story of Jesus might read with Jesus as a Jewish teacher of wisdom and Thomas Mary and Judas restored as loyal followers of the teacher from Nazareth [7 Books That Rocked the Church](#) Daniel A Crane, 2021-12-14 7 Books That Rocked the Church by Daniel Crane explores controversial books throughout history that the Christian church has famously disavowed and asks the question Why Engagingly written and thoughtfully researched this book explores what the fuss was all about with books ranging in date from the second century after Christ to more contemporary authors Books by Karl Marx Charles Darwin Galileo Galilei and many others profoundly upset the church by calling into question foundational Christian doctrines or beliefs Most of the books discussed here were banned at some time by Christian authorities The author's aim is to challenge Christians to respond critically but open mindedly to books that oppose a Christian worldview Readers of 7 Books That Rocked the Church will come away better equipped to answer the charge that the church is intolerant of competing ideas They will also develop the ability to interact with new and possibly dangerous ideas that comport with Jesus admonition to be wise as serpents but gentle as doves This book also includes discussion questions for further study Valentinus the Gnostic Who Doesn't Love a Conspiracy Theory Think The DaVinci Code by Dan Brown Galileo Galilei A Scandal of Religion Science and Politics Voltaire's Candide Enlightenment Rationalism and the Church's Thin Skin Darwin's Origin of Species The Many Faces of Evolutionary Theory Marx's Communist Manifesto The Red Bull of the Masses Sigmund Freud's Ego Joseph Campbell Christianity as an Almost Enlightened Myth A book that strongly influenced George Lucas's Star Wars films

The Enigmatic Realm of **Jesus In Nag Hammadi Writings**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Jesus In Nag Hammadi Writings** a literary masterpiece penned by way of a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.
