Jesus Meet Him Againfor The First Time:

Jesus Paul Smith,1994-06 A warm encouraging journey back to first century Palestine where we are invited to walk with the most astonishing man in all history **The Women Who Met Jesus** Dorothy Valcárcel,2019-05-21 Just like us the women of New Testament times were ambitious worried broken lonely insecure and unfulfilled Discover the powerful stories of their encounters with the perfect unconditional love of the Savior Rather than trivializing their problems or ignoring women Jesus responded to their deepest needs with compassion reminding them of their value and transforming their past present and future Let this engaging book introduce you to the man who loves women like no other **7 Love Letters from Jesus** Rebecca Hayford Bauer,2012-04-16 Christians have been told again and again that Jesus loves them yet many have not stepped into the security and intimacy that His love provides Whether because of poor past relationships or a lack of good examples many struggle to find intimacy with their Savior Now Rebecca Hayford Bauer invites readers to step into the best love story of all 7 Love Letters from Jesus is an in depth study of Revelation 2 and 3 a passage of Scripture that paints a metaphorical picture of courtship engagement and marriage to the Lamb of God It s also a passage that Christians have sometimes misread or misunderstood but no longer Readers will gain a new appreciation for these vivid images for their spiritual life and begin to see how Jesus views each and every person as worthy of His relentless pursuit The Way of Light Frederick Mundle,2021-05-19 THE WAY OF LIGHT The Way of Light focuses on the true Light John 1 9 of the world John 9 5 who came to enlighten every man to take him her out of darkness John 8 12 Any who do come to believe in the Light Jesus become sons and daughters of the Light in fact children of the Light 1 Thessalonians 5 5 They will become Light bearers and shine as light in the world Philippians 2 15 On numerous occasions within the context of these essays the reader will encounter absolute truths regarding His being the Light Readers will encounter various Scriptures which will testify to the claims Jesus made regarding His being the Saviour of the world Most essays contain a minimum of 400 words although some will be longer in length Each essay will point the way to the Light Jesus in countless examples throughout the course of the book For those who already follow the way of the Light Jesus they will discover examples as to how to share the Light Jesus with friends family relatives and associates The Scripture states that none can come to Jesus unless the Father draws him her John 6 44 and that to be drawn into believing faith comes by the word of God Romans 10 17 Many events point to a soon return of Jesus Christ who is the way the truth and the life John 14 6 THE WAY OF LIGHT in each of its individual compositions will point the reader to the true Way of Light *The Letter to the Hebrews* Jon C. Laansma,2017-07-10 The New Testament book of Hebrews offers some of the most memorable passages of Scripture on perseverance faith rest the word of God angels divine discipline salvation the city of God and Christ Son and High Priest Much of its text has spoken with remarkable directness to peoples of all nations down through the centuries At other points it has remained a difficult argument even so it is said a riddle This is a commentary for those who want to follow what this book says follow it both in

terms of understanding it and living it The book is divided into thirty seven units and each unit is discussed in terms of literary context background wording themes and possible lines for teaching the text The commentary is written for any adult reader whether they already align with Hebrews faith or are merely curious It is a serious discussion but also direct to the point and uncluttered by qualifications and technicalities Whether you are self studying or preparing to teach or lead discussion this book is prepared for you Every Day with the Father Mark Stibbe,2012-01-18 Dr Mark Stibbe fell in love with John s Gospel as a teenager This set of devotional readings springs from profound reflection over many years but the tone is inspirational and popular He writes John is my favourite Gospel In John s Gospel Jesus is the Son who reveals the Father He is presented to us as the one who came to show us what the Father is truly like He says of himself that he is the only Way to the Father and the one who discloses the truth about the Father heart of God Every verse of John s Gospel reveals the Father Together we consider 366 texts and look at how they reveal the Father who has adopted us embraced us in his family and promised never to abandon us The purpose of every daily study is to turn what we learn into the language of adoration *The Man Who Loved Women* Dorothy Valcarcel,2006-11 Biblical stories of eighteen New Testament women who Jesus encouraged empowered and loved How could a Man who had no wife no children no home no job no money and wandered the hills of Judea with twelve men relate to women He knew much less women in the 21st century Thats the question that led author Dorothy Valca cel to search for biblical women whose lives intersected with Jesus and as she discovered every woman Jesus met faced many of the same challenges women encounter today In *The Man Who Loved Women* youll meet Mary trying to raise a perfect child in an imperfect world Joanna whose Mr Right and his money could not buy her health or happiness Martha whose busywork distracted her from lifes most meaningful moments and many more **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with

ease **A Minute of Vision for Men** Roger Patterson,2016-12-06 Do you have a vision for your life All of us need a compelling vision to live for Scripture says Where there is no vision the people perish Today so many of us are living on autopilot instead of engaging the battle of living up to our God given potential We lack a vision for life Too often we settle for less than what is best for us our families and our careers We struggle with pinpointing our purpose in life A Minute of Vision for Men is an investment in a different sort of life one with vision purpose and integrity This book will help you connect with your purpose It s written so that you can start your day on the right foot focused on what matters the most Start each day with a potent daily dose of vision for your life **Faith Seeking Understanding** David Marshall,2012-06-26 How does the Christian faith help us see into the true nature of life more clearly Why do people suffer Where do we come from What does Jesus have to say to a changing world What can we learn from great mission pioneers about seeking truth at the cutting edges of human knowledge Faith Seeking Understanding explores such questions Notable Christian thinkers such as Philip Yancey Alvin Plantinga Rodney Stark Allan Chapman Don Richardson Yuan Zhiming and more share powerful insights that from the perspective of Christian faith help answer people s deepest questions in the twenty first century Inspired by the lives and accomplishments of Paul Brand and Ralph D Winter this book seeks to apply the curious open minded and compassionate spirit these Christian leaders exhibited to key contemporary questions in science history philosophy theology and comparative religion The reader will gain a fresh appreciation for the intellectual challenges of the Christian faith and some of the most fascinating and sometimes controversial ways in which those challenges are being met **The Entire Works of John Bunyan** John Bunyan,Henry Stebbing,1859 **Entire Works** John Bunyan,Henry Stebbing,1861 *The entire works of John Bunyan, ed. by H.
