The Jesus of History Terrot Reaveley Glover, 1917 This book has grown out of lectures upon the historical Jesus given in a good many cities of India during the winter of 1915 16 Here and there are incorporated passages rehandled from articles that have appeared in the Conservative quarterly the Nation the Expositor and elsewhere cf Pref

*The Jesus of Christian History* Donald Goergen, 1992 Explores Jesus as understood and interpreted from within the historical Christian tradition Not a history of Christology as such it attempts to retrieve the Christian's Jesus by looking at key moments in the history of classical theology from the Fourth Gospel through Martin Luther

*The Jesus of History* T. R. Glover, 2015-02-17 This antiquarian volume contains T R Glover's 1917 work The Jesus of History The contents of this volume were grown out of lectures on the subject of the historical Jesus given at lectures in numerous cities of India during the winter of 1915 16 A fascinating exploration of the historical evidence of Jesus Christ this volume will appeal to those with an interest in Christian history and would make for a worthy addition to any bookshelf Contents include The Study of the Gospels Childhood and Youth The Man and His Mind The Teacher and His Disciples The Teaching of Jesus Upon God Jesus And Man Jesus Teaching Upon Sin The Choice of the Cross The Christian Church in the Roman Empire etcetera Many vintage texts such as this particularly those dating back to the 1900s and before are increasingly hard to come by and expensive It is with this in mind that we are republishing this book now in an affordable modern high quality edition It comes complete with a specially commissioned new biography of the author

**Jesus in the Tide of Time** John Ferguson, 2021-11-30 First published in 1990 Jesus in the Tide of Time considers the historical Jesus and studies the ways in which he has subsequently been regarded by different people in different cultures The book examines the political social economic and religious background to Jesus life It also looks at what is known about Jesus as a historical personality and considers the use of symbolic figures by the early Christians to represent him It highlights the attitude towards the person of Jesus as an indicator of the culture of the particular period and place throughout history and questions whether different cultures periods and individuals manufacture Jesus in their own image Jesus in the Tide of Time will appeal to those with an interest in the history of Christianity religious history and social history

**Jesus and the Rise of Early Christianity** Paul

Barnett,2002-04-17 Paul Barnett not only places the New Testament within the world of caesars and Herods proconsuls and Pharisees Sadducee and revolutionaries but argues that the mainspring and driving force of early Christian history is the historical Jesus

Jesus Through the Centuries Jaroslav Pelikan,1999-01-01 Describes Jesus Christ s changing image throughout history from rabbi in the first century to liberator in the twentieth and explains how each version has shaped its era socially politically economically and culturally

*Jesus of History, Christ of Faith* Thomas Zanzig,1999 A textbook study of the life and teachings of Jesus Christ

**The Historical Jesus in Context** Amy-Jill Levine,Dale C. Allison,John Dominic Crossan,2009-01-10 This anthology presents a broad range of primary sources and expert commentary that contextualize the historical Jesus in his world This landmark volume places the gospel narratives in their full literary social and archaeological context More than twenty five internationally recognized experts offer new translations and descriptions of texts that shed new light on the Jesus of history including pagan prayers and private inscriptions miracle tales and martyrdoms parables and fables divorce decrees and imperial propaganda The translated materials from Christian Coptic and Jewish as well as Greek Roman and Egyptian texts extend beyond single phrases to encompass the full context thus allowing readers to locate Jesus in a broader cultural setting than is usually made available This book demonstrates that only by knowing the world in which Jesus lived and taught can we fully understand him his message and the spread of the Gospel Gathering material that was previously available only in disparate sources this formidable book provides innovative insight into matters no less grand than first century Jewish and Gentile life the composition of the Gospels and Jesus himself

**The Historical Jesus in Recent Research** James D. G. Dunn,Scot McKnight,2005-01-01 The past two or three decades have witnessed significant activity in research on the Jesus of the Gospels and history In fact there has been such a plethora of publication on such a wide variety of facets of this issue that it is difficult to keep pace with the rate of publication In this volume Dunn and McKnight have collected and provided introductions to a wide cross section of essays on the topic ranging from classic essays by the likes of Bultmann Cadbury and Schweitzer to the most recent investigations of Horsley Levine and Wright This volume will be a very useful book for courses and seminars on Jesus or the historical Jesus because it draws together in one place a wide variety of perspectives and approaches to the issues Authors represented include P S Alexander D C Allison P W Barnett M J Borg R Bultmann H J Cadbury P M Casey G B Caird B Chilton C E B Cranfield J D G Dunn R A Horsley J Jeremias M K hler W G K mmel E E Lemcio A J Levine G Luedemann J P Meier B F Meyer R Morgan J A T Robinson E P Sanders A Schweitzer K R Snodgrass G N Stanton P Stuhlmacher G Theissen N T Wright

The Historical Jesus: Jesus' mission, death, and Resurrection Craig A. Evans,2004 Including a range of materials dating from the nineteenth century to the present this comprehensive collection brings together the essential research into the historical reality of Jesus the man his teachings and the acts and events ascribed to him that comprise the foundational story of one of the world s central religions br br The set features a substantial new introduction by the editor in the first volume and a full index in the last and provides work

covering all of the key aspects of the field including the recent discussions concerning anti-Semitism in early Christianity and the political and ideological filtering of the Jesus story through the Roman empire and beyond Studying the Historical Jesus Darrell L. Bock, 2002-07 An informed scholarly approach to the study of the historical Jesus that takes the Gospels seriously as a source of historical information *The Case for Jesus* Brant Pitre, 2016-02-02 This book will prove to be a most effective weapon against the debunking and skeptical attitudes toward the Gospels that are so prevalent not only in academe but also on the street among young people who sadly are leaving the Churches in droves Robert Barron author of Catholicism For well over a hundred years now many scholars have questioned the historical truth of the Gospels claiming that they were originally anonymous Others have even argued that Jesus of Nazareth did not think he was God and never claimed to be divine In *The Case for Jesus* Dr Brant Pitre the bestselling author of *Jesus and the Jewish Roots of the Eucharist* goes back to the sources the biblical and historical evidence for Christ in order to answer several key questions including Were the four Gospels really anonymous Are the Gospels folklore Or are they biographies Were the four Gospels written too late to be reliable What about the so called Lost Gospels such as Q and the Gospel of Thomas Did Jesus claim to be God Is Jesus divine in all four Gospels Or only in John Did Jesus fulfill the Jewish prophecies of the Messiah Why was Jesus crucified What is the evidence for the Resurrection As *The Case for Jesus* will show recent discoveries in New Testament scholarship as well as neglected evidence from ancient manuscripts and the early church fathers together have the potential to pull the rug out from under a century of skepticism toward the traditional Gospels Above all Pitre shows how the divine claims of Jesus of Nazareth can only be understood by putting them in their ancient Jewish context A Short History of Christianity J. M. Robertson, 2016-09-28 An attempt to write the history of Christianity in the space of an average novel is so obviously open to objections that instead of trying to parry them I will merely state what seems to me the possible compensation of brevity in such a matter It is or may be conducive to total comprehension to coherence of judgment and in a measure even to the understanding of details A distinguished expert in historical and philological research has avowed that specialists sometimes get their most illuminating ideas from a haphazard glance into a popular and condensed presentment of their own subject Without hoping so to help the experts I humbly conceive that the present conspectus of Christian history may do an occasional service even to an opponent by bringing out a clear issue Writers of a different way of thinking have done as much for me The primary difficulty is of course the problem of origins In my treatment of this problem going as I do beyond the concessions of the most advanced professional scholars I cannot expect much acquiescence for the present It must here suffice to say first that the data and the argument insofar as they are not fully set forth in the following pages have been presented in the larger work entitled *Christianity and Mythology* 1 or in the quarters mentioned in the Synopsis of Literature appended to this volume and secondly to urge that opponents should read the study on the Gospels by Professor Schmiedel in the new *Encyclopædia Biblica* before taking up their defensive positions *Christian History* Alister E. McGrath, 2013-03-04

A major new introduction to the global history of Christianity written by one of the world's leading theologians and author of numerous bestselling textbooks Provides a truly global review by exploring the development of Christianity and related issues in Asia Latin America and Africa and not just focusing on Western concerns Spanning more than two millennia and combining elements of theology history and culture it traces the development of all three branches of Christianity Catholic Protestant and Orthodox providing context to Christianity's origins and its links to Judaism Looks beyond denominational history at Christianity's impact on individuals society politics and intellectual thought as well as on art architecture and the natural sciences Combines McGrath's acute historical sensibility with formidable organizational skill breaking the material down into accessible self-contained historical periods Offers an accessible and student-oriented text assuming little or no advance theological or historical knowledge on the part of the reader

Jesus in History, Thought, and Culture Leslie Houlden, 2003-12-08 This unique multidisciplinary study views Jesus as one of the most central figures in history with a wide ranging impact on society literature art and philosophy Jesus in History Thought and Culture distills 2 000 years of thinking about Jesus into two intriguing volumes In more than 200 A-Z entries internationally recognized scholars summarize views of Jesus from the Gospel writers to contemporary theologians Not only does the book explore Christian liturgy and worship including the long lasting 4th and 5th century schisms over whether Jesus is human or divine but it examines the position of Jesus in the traditions of other world religions such as Judaism Islam and Hinduism Even outside religion little has been untouched by Jesus's influence Jesus affected social and political theory in his time and continues to do so today The encyclopedia also explores his changing image in art sculpture music and literature pulling disparate fields of study into one powerful resource Scholars students of theology and world religions and other interested readers will all welcome this unique resource

Jesus Christ Joshua Roy Porter, 1999 Illuminating the life of Jesus his historical context his religious teachings and the changing perceptions of him over the centuries this lavishly illustrated volume offers one of the most comprehensive and authoritative accounts available of this great and charismatic man Featuring some 180 illustrations including 20 full color maps and numerous boxed and sidebar features that shed light on interesting facets of the story Jesus Christ paints a vivid portrait of Christ's life from the Nativity to the Ascension Drawing on the Gospels and other evidence J R Porter disentangles many of the mysteries and confusions surrounding the life of the historical Jesus such as the role of women in his career and the political issues surrounding his trial and paints a detailed background portrait of all aspects of society in first century Palestine from the fishing communities of Lake Galilee to life under Roman rule Porter also explores the teachings of Christ looking at his use of parable his view of Hebrew Scriptures his attitude toward the law and his thinking about the Kingdom of God The book assesses the many interpretations of Christ through the ages from his immediate impact on the early Church to the changing image of Jesus in art and illustration to his perceived role as apocalyptic preacher revolutionary mystic and prophet A marvelous gift at Easter time or for a child's confirmation this

attractive informative volume gives us an inspiring portrait of one of the most complex figures in world history     *The Historical Jesus* Gary R. Habermas,1996 Rev ed of Ancient evidence for the life of Jesus Includes bibliographical references and index     Christianity Matt Stefon Assistant Editor, Religion,2011-08-15 Describes the basic doctrines history and religious practices of Christianity including Christian concepts of human nature and profiles famous Christian figures throughout history     **The Historical Christ & the Jesus of Faith** C. Stephen Evans,1996 The New Testament contains a story about Jesus of Nazareth The Christian Church has always understood this narrative as the story of the Son of God who redeemed the fallen human race by his life death and resurrection This book argues that this story is true
