Jesus on the Cross: WHY? Philip St. Romain, 2010-06-07 What exactly do we mean when we say that Jesus died for our sins What are the implications of his death for our lives today In this book author Philip St Romain elaborates an understanding of the crucifixion that makes sense today and shows how this understanding and appreciation can make a difference in people s lives St Romain s reflections focus on several themes including the crucifixion as a fulfillment of the Jewish traditions of a suffering servant as a new covenant between God and the human race as an expiatory sacrifice as a means of breaking the power of sin His discussions are carried on in pastoral terms derived from scripture and his experience of living and working in the world Most chapters include a section on catechetical considerations of a renewed understanding of the crucifixion as well as questions for personal reflection and discussion **Explaining the Cross: Why did Jesus have to die?** Jason Kerrigan, 2019-04-19 Why would God need an innocent man to die to forgive us Isn t it an injustice for God to punish an innocent man for the crimes of another Why couldn t he simply forgive us without Jesus dying just as we forgive one another without exacting some form of punishment How does this all make sense This book is an easy read that makes sense of it all **Understanding the Mystery of the Cross** Mike Beecham, 2017-08-14 Why Do You Wear A Cross Why is the universal symbol of Christianity the method of Jesus execution Is this morbid fascination with crucifixion Biblical Is the death of Jesus to be the dominant theme of Christianity What is the reason for the irrational contempt and hatred for the Cross in todays culture In Understanding the Mystery of the Cross author Mike Beecham explains why only crucifixion could redeem humanity no other death would do Some of the topics addressed in this book How man was separated from God and reconciled to God at a tree The similarities between Adams fall and Jesus crucifixion How God used the blueprint of mans fall in the Garden of Eden as a pattern to follow to provide mans redemption at the Cross of Christ How this ancient event impacts our life today Join the author on a journey to discover not only what happened to Jesus on that cross but what happened to you The Cross John King, 2021-07-28 The fifth chapter in The Acts of the Apostles is an historical reference to possibilities when the church learns to unite behind the Gospel In verse 12 Luke tells us Many signs and wonders were being done among the people through the hands of the apostles We read this as if this were a one off event instead of the possibilities for which the Church was commissioned Verse 14 no surprise testifies Believers were added to the Lord in increasing numbers Governments of the world take notice Make no mistake about it The Bible is the promise of Salvation offered thru Christ s death a message that counters today s evolutionary worldview of an eventual utopia a self made heaven for mankind The Cross represents a miracle of grace that science cannot confirm or deny because it is outside the realm of natural inquiry The resurrection from the dead and what it means for believers has broken out of the confines of natural history We were reconciled to God through the death of his Son Romans 5 10 Christianity is indeed a bloody religion an idea perhaps in and of itself offensive I ll give you that to logical minds to academicians who reason from a scientific

perspective and who therefore see no value in the death of a Savior But with an unapologetic conviction this is what our faith is all about This is our living hope the glorious return of the great God even our Savior Jesus Christ Titus 2 13 who shed His blood on a cross on our behalf in our stead to reconcile us to God We have redemption through his blood the forgiveness of our trespasses Ephesians 1 7 This has become our trumpet sound as believers Paul unambiguously declared through him to reconcile everything to himself by making peace through his blood shed on the cross Colossians 1 20

Why the Cross? Donald Senior, 2014-11-18 The meaning of Jesus s execution on a Roman cross is one of the most divisive issues in contemporary theological discourse because issues related to the goodness of God and the place of suffering in the Christian life are at stake Although it is important to locate that discussion in the context of the range of New Testament perspectives on the soteriological significance of the cross it is also important that we recover the meaning of the cross as a metaphor for discipleship In the end the event of Jesus s death cannot be understood apart from the character of his life This book will contribute to New Testament studies but also serve related discussions in theology and Christian formation Reframing New Testament Theology is a series that fulfills the need for brief substantive yet highly accessible introductions to central questions and themes raised by study of the New Testament A significant defining question will serve as the point of departure and will frame the discussion Students will be drawn into an active theological engagement with the New Testament and related materials by the subsequent analysis

**Explaining the Cross** Jason Kerrigan, 2018-04-02 Explaining the Cross Why did Jesus have to die Millions of people

believe that Jesus died so that God could forgive them but why? Why would God need an innocent man to die to forgive us? Isn't it an injustice for God to punish an innocent man for the crimes of another? Why couldn't he simply forgive us without Jesus dying just as we forgive one another without exacting some form of punishment? How does this all make sense? This book takes a fresh look at the information Divine Healing The Biblical Approach Divine Healing The Biblical Approach takes a look at the Biblical guidelines for receiving healing The modern method of name it and claim it just isn't working So many people pray for healing but so few receive it Is there perhaps a flaw in our methodology? What does the Bible have to teach us on this subject? Who is the Antichrist? When is the Rapture? There are many details about the coming Antichrist that mainstream theologians rarely address Who is he? Is he a normal man? What doctrine will he use to deceive the masses? This book also shows that the rapture Jesus return for those who believe in him does not occur until after the Antichrist comes The notion that Christians will disappear now at any moment before the tribulation period is not found in the Bible

*Who Put Jesus on the Cross?* A. W. Tozer, 2009-11-18 Who was ultimately responsible for sentencing Jesus to death on the cross? Can we ever be good enough for God? Do all religious people go to heaven? In *Who Put Jesus on the Cross* A. W. Tozer examines some of the most difficult questions of the Christian faith His indictment of lackluster belief forms the cornerstone of his appeal as he asks the reader what it really costs to be a Christian Tozer inspires conviction that will have you digging deep within your heart to newly realize the meaning of Christ's death and resurrection and discover the Word of God as the foundation of our peace and rest

*The Seven Sayings of Jesus on the Cross* Murray J. Harris, 2016-02-18 Who of us can possibly imagine the excruciating pain of being crucified? But further, who would imagine that in the midst of this ghastly punishment that brings on unrelenting headaches and mental disorientation a crucified man would actually give thought to the needs of others? This book explores in detail the nature of crucifixion and then invites the reader to listen in stunned silence to the amazing seven sayings of Jesus of Nazareth while hanging on the cross as he focuses his attention on others in the first three sayings and only then on his own distressing situation His last four sayings give expression to his utter spiritual and physical anguish and conclude with a cry of victory and then a cry in which he commits himself to God

*The Cruciality of the Cross* Peter Taylor Forsyth, 1909 P. T. Forsyth explains the importance of the Atonement by perishing in agony upon the crucifix Christ atoned for the sins of humanity The Gospels of the New Testament tell of how Jesus lived His life the teachings He delivered and how He came to be sentenced to death Yet the essence and depth of the message carried within the death of the Lord Jesus is not necessarily understood by all believers who read their Bible Thus the author wrote this book that the vital lessons of Jesus Christ and the atonement He undertook upon the crucifix are understood The moral and ethical implications of the death of Christ are great it is these which P. T. Forsyth explains with superb clarity As one of Scotland's appreciated theologians P. T. Forsyth's knowledge and study of the Bible and the history of Christianity is renowned He sought to explain and clarify the most important lessons and beliefs of the Biblical for the modern believer Passionate and lively in his explanations Forsyth's
