Hicko, 2018-10-26 *The Story of You* is about the certainty of God s ridiculous love for you as presented in scripture For years society and church institutions have misrepresented and marred the character of God and His son Jesus Christ by teaching disgusting lies about eternal hell and a failed plan The bible says that it is the glory of God to conceal a matter and the glory of kings to investigate a matter The reader must be willing to dig below the surface on his or her own to investigate the truth This book is only meant to open your eyes to the scriptures that clearly teach that God through Christ Jesus will save every man woman and child that has ever walked the

face of this Earth The Almighty God has planned each and every step that you will take and it ends with you enjoying everlasting life with Him This is your story and everyone else s that no one not one person that has ever lived will be separated from God for eternity but all will be filled with God s glory through the death and resurrection of Christ Jesus The picture on this back cover is the eternal hell that Jesus spoke of It is the Valley of Gehenna and you can visit it today if you want to take a trip to Israel Jesus never taught and neither does any scripture in the bible teach of a place of eternal torment Christ Jesus will fill every human with God s glory and all will be with Him in the end *The Return of Jesus Christ God's Plan* Charles E. Hill ,2024-01-29 The dramatic end to this world age A must read book about what is to come Are you prepared What you must do and you must do it now before it s too late The truth is told what Jesus wants you to know All must accept what Jesus is doing for you Study God's Plan David C Cook,2018-05-04 These lessons help kids learn how to use God s Word to discover God s plan of salvation through the whole Bible trust God s promises and seek God s will A 52 Week Bible Journey Just for Kids Route 52 is a Bible based journey that will take kids through the Bible every year from age 3 to 12 Every lesson features Scripturally sound themes Culturally relevant hands on activities Age appropriate Bible learning challenges Reproducible life application activity pages Route 52 Bible lessons will help kids learn the Bible and how to apply it to their lives at their own level of spiritual development These reproducible Bible lessons are appropriate for Bible school children s church youth group kids club and midweek Bible study programs **Anyone Can Be Saved** David L. Allen,Eric Hankins,Adam Harwood,2016-09-15 Anyone Can Be Saved articulates a biblical theological explanation of the doctrine of salvation in light of the rise of Calvinistic theology among Southern Baptist churches in the United States Ten scholars pastors and leaders advocate for the ten articles of the Traditional Statement by appealing to Scripture the Baptist Faith and Message and a variety of biblical theological and philosophical writings Although many books address the doctrine of salvation these authors consciously set aside the Calvinist Arminian presuppositions that have framed this discussion in western theology for centuries The contributors are unified in their conviction that any person who hears the gospel can be saved a view that was found among earlier Baptists as well as other Christian groups today This book is not meant to be the final word on Southern Baptist soteriology but is offered as a peaceable contribution to the wider conversation on the doctrine of salvation **God's Plan / Satan's Plan** , Drama of the Age John Carroll Brown,2005-10 Drama of the Age is a fresh look at Revelations Beginning with the initial vision and letters it presents both the preparation and action of the divine drama **Herald of Gospel Liberty** Elias Smith,1908 **Jesus the Everlasting Hope of Humankind** Don Elijah Eckhart,2018-09-17 Jesus the Everlasting Hope of Humankind Biblical Theology Prompted by Visions and Dreams from the Holy Spirit begins with a vision that came to Don Eckhart of two persons one a Spirit filled Christian and the other in the lake of fire The vision depicts Jesus saving the desperate one crying out for mercy Eckhart enrolled in seminary where he studied the Bible and the history of Christian theology especially eternal punishment a topic seldom examined since Augustine in the

fifth century Uniquely unfolding in the book are visions and dreams prompting an insightful study of Scripture and a biblical theology developed as the hope of Christ mediated salvation for all The effects are far reaching but not complicated This coherent theology includes afterlife correction and purification for nonbelievers as well as for believers who never fully devoted to Jesus Christ This purification compares to Catherine of Genoa s vision in the early sixteenth century The book demonstrates how God s desire that all be saved can be accomplished according to Scripture God s sovereignty and human free will coalesce as every tongue joyfully confesses that Jesus Christ is Lord The Good News may be even better than we thought

Studies in the Scriptures: The plan of the ages Charles Taze Russell,1886      *Saviour of The World* Jonathan Ramachandran,2014-08-31 The Saviour of the World Book was written from a raw research style point of view in a crude way to illustrate the idea of ages or aeons or olams by indulging into the various occurrences of the word in the Bible Possible exegesis to its meanings are explored with known Christ Centered Universalist scholars quoted and analyzed Apart from that the author adds support exegesis in that direction even sometimes diverting into unrelated topics to highlight certain common misconceptions or warn against some sins which may have been taken lightly at large This book developed out of a personal interest and curiosity over this Topic and thus the author maintains his thoughts on the matter though mingled with certain unrelated subjects to defend more of the literal view of Biblical Exegesis

*Holiness in Christ* Clarence Mease,1921

Believer's Bible Commentary William MacDonald,1995 The Believer s Bible Commentary is a friendly guide to exploring the deeper meanings of every biblical book
