Part III. Christian Ecclesiastics Richard Baxter,2020-08-02 Reproduction of the original Part III Christian Ecclesiastics by Richard Baxter *Meditations From the Pastor's Study* Benjamin J. Mott,2019-04-18 Meditations from the Pastor s Study is a series of meditations on a wide range of topics that were composed by Pastor Benjamin J Mott over a number of years and posted on his blog Written from a Biblical perspective these meditations provide practical instruction for a number of issues that confront Christians in their daily life and particularly life in our age of advanced technology There are also meditations addressing the issue of the Biblical text itself fulfilled prophecy and one s personal relationship with God A cursory glance at the table of contents will direct you to the meditation most suited to your circumstances or interest The Self-Donation of God Jack D. Kilcrease,2013-03-20 In The Self Donation of God Jack Kilcrease argues that the speech act of promise is always an act of self donation A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise Being that creation is grounded in God s promising speech the divine human relationship is fundamentally one of divine self donation and human receptivity Sin disrupts this relationship and therefore redemption is constituted by a reassertion of divine promise of salvation in the face of the condemnation of the law Gen 3 15 As a new and effective word of grace the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation In this new narrative God gives himself in an even deeper manner to humanity By donating himself through a promise first to the protological humanity and then to Israel he binds himself to them At the end of this history of self binding God in Christ enters into the condemnation of the law neutralizes it in the cross and brings about a new creation through his omnipotent word of promise actualized in the resurrection **The Revelation of Jesus Christ** Henry Clay Williams,1917 *Sparsa collecta, Part 3. Patristica, Gnostica, Liturgica* W.C. van Unnik,2014-04-09 **Genius of the Transcendent** Jakob Boehme,2010-05-11 Here for the spiritual adventurers of our own age is an accessible introduction to one of the most important of the Christian mystical writers Jakob Boehme 1575 1624 was a humble shoemaker of Grlitz in eastern Germany who in response to the visionary experiences that began for him as a teenager wrote a series of theosophical treatises that explore the nature of God and humanity His ability to give words to the ineffable has never been surpassed and his influence can be felt in the generations of mystics who followed him as well as in Pietists German Romantics Quakers and American utopianists among many others Five of Boehme s most essential works are presented here in fresh translations that demonstrate why Underhill called him one of the most astonishing cases in history of a natural genius for the transcendent
