Schoolman, 2011-09-27 An insightful exploration into Christianity today written especially for Jews For many Jews discerning the differences among various Christian groups is perplexing As a result they are stuck with an outdated understanding of Christian beliefs practices and attitudes especially with regard to their relationship with Judaism Jews and Israel But

Christian views are evolving particularly since the landmark 1965 Catholic statement known as Nostra Aetate that forever changed the landscape of Jewish Christian relations This intriguing brief introduction focuses on the changing Christian currents within the Roman Catholic Church Protestant denominations nondenominational megachurches and the emergent church It also explores the essential doctrines that undergird most Christian belief including sin salvation Jesus as the Messiah the Second Coming and Christian Zionism and compares them to the Jewish understanding of these issues Designed to answer Jews common questions about Christianity this enlightening overview is also an excellent interfaith resource that will help all readers understand the changing Christian climate and what its implications are for the future of Judaism and A Jewish Targum in a Christian World Alberdina Houtman, E. van Staalduine-Sulman, Hans-Martin Kirn, 2014-02-20 What is the use of a Targum in a cultural setting where Aramaic is not a common language anymore And why would Christians be interested in a typically Jewish text in an otherwise anti Jewish milieu These and related questions have served as guides for Alberdina Houtman Eveline van Staalduine Sulman and Hans Martin Kirn in bringing together the articles for the present book which consists of three parts 1 Uses and Functions of Targum in Europe 2 Editing Targums and their Latin Translations 3 Targums and Christianity A number of the articles deal with the codicological and paratextual aspects of the relevant manuscripts and editions as witnesses of their cultural historical situations. volume examines changes in the Christian posture toward the Jews occurring in a time and place of tremendous cultural and religious creativity in Western European society It seeks to understand how Jews integrated elements of Christian culture into their own The volume spans some of the key turning points in the Jewish Christian relationship and re examines critical texts religious disputations and cultural interactions Jews and Christians Together A. Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant's appreciation of those from the other community.
