Jewish Law And Decision Making A Study Through Time:

Jewish Law and Decision-making Aaron M. Schreiber, 1979-01-01 *Tehillah le-Moshe* Mordechai Cogan, Barry L. Eichler, Jeffrey H. Tigay, 1997-06-30 Forty five scholars here combine their skills in tribute to their colleague teacher and friend This collection includes 27 English and 18 Hebrew essays on literary criticism rabbinic literature Hebrew word studies Septuagint Qumran textual criticism and many other topics Moshe Greenberg is perhaps best known for his commentary on Ezekiel in the Anchor Bible series **The Oxford Handbook of Criminal Law** Markus D Dubber, Tatjana Hörnle, 2014-11-27 The Oxford Handbook of Criminal Law reflects the continued transformation of criminal law into a global discipline providing scholars with a comprehensive international resource a common point of entry into cutting edge contemporary research and a snapshot of the state and scope of the field To this end the Handbook takes a broad approach to its subject matter disciplinarily geographically and systematically Its contributors include current and future research leaders representing a variety of legal systems methodologies areas of expertise and research agendas The Handbook is divided into four parts Approaches Methods I Systems Methods II Aspects Issues III and Contexts Comparisons IV Part I includes essays exploring various methodological approaches to criminal law such as criminology feminist studies and history Part II provides an overview of systems or models of criminal law laying the foundation for further inquiry into specific conceptions of criminal law as well as for comparative analysis such as Islamic Marxist and military law Part III covers the three aspects of the penal process the definition of norms and principles of liability substantive criminal law along with a less detailed treatment of the imposition of norms criminal procedure and the infliction of sanctions prison law Contributors consider the basic topics traditionally addressed in scholarship on the general and special parts of the substantive criminal law such as jurisdiction mens rea justifications and excuses Part IV places criminal law in context both domestically and transnationally by exploring the contrasts between criminal law and other species of law and state power and by investigating criminal law s place in the projects of comparative law transnational and international law **The Jewish Law Annual** Bernard S. Jackson, 2023-08-28 Volume 15 of The Jewish Law Annual adds to the growing list of articles on Jewish law that have been published in volumes 1 14 of this series providing English speaking readers with scholarly material meeting the highest academic standards The volume contains six articles diverse in their scope and focus encompassing legal historical textual comparative and conceptual analysis as well as a survey of recent literature and a chronicle of cases of interest Among the topics covered are lying in rabbinical court proceedings unjust enrichment can a witness serve as judge in the same case Caro s Shulham Arukh volume Maimonides Mishne Torah in the Yemenite community the New Jersey eruv wards *The Cambridge Genizah Collections* Shulamit Reif, 2002-05-23 A collection of essays by international experts summarizing recent developments in Genizah research *Jewish Education and Learning* Glenda Abramson, Tudor Parfitt, 2018-12-07 First published in 1994 This volume dedicated to Dr David Patterson founding President of the Oxford Centre for Postgraduate Hebrew Studies takes as

its theme Jewish education and learning throughout the ages But it is the Academy interpreted here to mean an institution of Judaic scholarship which dominates this collection of essays For almost three thousand years centres of Jewish learning have flourished in many parts of the world This volume discusses these institutions from biblical times to the present From the time of the Mishnaic Academy at Yavneh established in the first century CE the academies were more than schools of higher religious education They incorporated rational analysis of the scriptures the natural sciences and other secular studies Some of the most celebrated academies such as those in Cairo and Tunisia and later in the Iberian Peninsula were of a very high intellectual order sometimes superior to the great Christian universities It was at these institutions that the great Jewish legal and literary works were written and completed This collection of essays has been written by outstanding scholars who have been associated with David Patterson and the Oxford Centre The essays explore the nature and function of the Jewish Academies in the broadest sense the leading personalities associated with them and their social cultural and moral effect on the Jewish communities of their day

Routledge Library Editions: Education and Religion Various,2021-07-14 The 10 volumes in this set originally published between 1965 and 1994 draw together research by leading academics in the area of religious education and provides a rigorous examination of related key issues The volumes examine the teaching of world faiths in schools religious education in both primary and secondary schools and the teaching of morality This set will be of particular interest to students of Education and Religious Studies

A Jewish Archive from Old Cairo Stefan Reif,2013-01-11 Explains how Cairo came to have its important Genizah archive how Cambridge developed its interests in Hebraica and how a number of colourful figures brought about the connection between the two centres Also shows the importance of the Genizah material for Jewish cultural history

Judaism and Modernity Jonathan W. Malino,2017-09-08 In the past quarter century David Hartman has established himself as one of the pre eminent religious and Jewish thinkers of our age Refusing to be limited by the traditional focus on metaphysics and theology Hartman has developed a religious philosophy through sustained reflection on the concrete experience of individual communal and national Jewish life In Judaism and Modernity prominent Israeli and American scholars of philosophy religion law political theory and Judaism engage Hartman s wide ranging and provocative work Touched by Hartman s passion for religious dialogue humanism and the interplay between traditional texts and modern thought the contributors advance their own ideas on the philosophy of religion religious anthropology pluralism Zionism and medieval Jewish philosophy This is a rich collection for students professional academicians and all who seek to incorporate the wisdom of the past into the evolving wisdom of the future

Before Nature Francesca Rochberg,2020-08-07 In the modern West we take for granted that what we call the natural world confronts us all and always has but Before Nature explores that almost unimaginable time when there was no such conception of nature no word reference or sense for it Before the concept of nature formed over the long history of European philosophy and science our ancestors in ancient Assyria and Babylonia developed an inquiry into the world in a way that is

kindred to our modern science With *Before Nature* Francesca Rochberg explores that Assyro Babylonian knowledge tradition and shows how it relates to the entire history of science From a modern Western perspective a world not conceived somehow within the framework of physical nature is difficult if not impossible to imagine Yet as Rochberg lays out ancient investigations of regularity and irregularity norms and anomalies clearly established an axis of knowledge between the knower and an intelligible ordered world Rochberg is the first scholar to make a case for how exactly we can understand cuneiform knowledge observation prediction and explanation in relation to science without recourse to later ideas of nature Systematically examining the whole of Mesopotamian science with a distinctive historical and methodological approach *Before Nature* will open up surprising new pathways for studying the history of science **Jews, Judaism, and Success**

Robert Eisen,2023-06-23 In *Jews Judaism and Success* Robert Eisen attempts to solve a long standing mystery that has fascinated many How did Jews become such a remarkably successful minority in the modern Western world Eisen argues that Jews achieved such success because they were unusually well prepared for it by their religion in particular Rabbinic Judaism or the Judaism of the rabbis Rooted in the Talmud this form of Judaism instilled in Jews key values that paved the way for success in modern Western society autonomy freedom of thought worldliness and education The book carefully analyses the evolution of these four values over the past two thousand years in order to demonstrate that they had a longer and richer history in Jewish culture than in Western culture The book thus disputes the common assumption that Rabbinic Judaism was always an obstacle to Jews becoming modernized It demonstrates that while modern Jews rejected aspects of Rabbinic Judaism they also retained some of its values and these values in particular led to Jewish success Written for a broad range of readers *Jews Judaism and Success* provides unique insights on the meaning of success and how it is achieved in the modern world *Extra-Legal Power and Legitimacy* Clement Fatovic,Benjamin A. Kleinerman,2013-10 In *Extra Legal Power and Legitimacy Perspectives on Prerogative* Clement Fatovic and Benjamin A Kleinerman examine the costs and

benefits associated with how governments have yielded extra legal powers in times of emergency *The Concept of Human Rights in Judaism, Christianity and Islam* Catharina Rachik,Georges Tamer,2022-12-05 The second volume of the series *Key Concepts in Interreligious Discourses* points out the roots of the concept of human rights in Judaism Christianity and Islam It shows how far the universal validity of human rights opposes in some crucial points with religious traditions The volume demonstrates that new perspectives are introduced to the general discussion about human rights when related to religious traditions Especially the interreligious viewpoint proves that a new kind of debate about human rights and its history is necessary Self-Representation Jona Goldschmidt,2022-01-14 Self representation has a long venerable history dating to biblical times and continuing through the common law the colonial era to the present This book collects and analyzes the law ethics opinions and empirical studies about the wide range of issues surrounding Self represented litigants SRLs in our

justice system including how much if any assistance should a judge provide what duties do lawyers interacting with SRLs and

many others Using recent empirical studies from both Civil litigation and criminal defense Jona Goldschmidt argues that SRLs cases cannot be fairly heard without a mandatory judicial duty of reasonable assistance In order to maintain public trust and confidence in our justice system self represented parties must be guided and assisted Courts and the legal profession should continue to adapt and meet the challenge of managing and interacting with those who choose or are compelled to self represent Only when self represented litigants are embraced by the courts they will finally receive equal justice under law This book would be of interest to those studying criminal justice and legal studies specifically legal history and legal ethics as well as judges lawyers and other professionals in the field *Both Judge and Justifier* James B.

Prothro,2018-04-13 Paul often says that God justifies people in Christ but what does that mean God does The language appears legal but many other interpretations have been suggested Beginning from the use of this language in Judaism and early Christianity James B Prothro investigates biblical legal conflicts and the terminology of justification in Paul s letters to determine what it means for Paul to say that God as judge is the justifier of those who trust in Christ **The Relationship**

between Roman and Local Law in the Babatha and Salome Komaise Archives Carolien Oudshoorn,2007-08-31 The discovery of the Babatha archive provided scholars with unique opportunities for reconstructing the life of Jews in second century Arabia Although legal issues and especially the question of the relationship between Roman and local law have received attention in a number of publications this study presents the first complete overview of the legal situation as presented in the Babatha as well as the Salome Komaise archive using references to law in the documents texts as the key element for understanding what law is applicable to these documents By distinguishing between two levels in the papyri of substantive and of formal law a new understanding is reached of the part both Roman and local law played in legal reality

Precedents, Statutes, and Analysis of Legal Concepts Scott Brewer,2013-06-17 At least since plato and Aristotle thinkers have pondered the relationship between philosophical arguments and the sophistical arguments offered by the Sophists who were the first professional lawyers Judges wield substantial political power and the justifications they offer for their decisions are a vital means by which citizens can assess the legitimacy of how that power is exercised However to evaluate judicial justifications requires close attention to the method of reasoning behind decisions This new collection illuminates and explains the political and moral importance in justifying the exercise of judicial power **The Body as Property** Sandra

Jacobs,2014-04-24 The Body As Property indicates that physical disfigurement functioned in biblical law to verify legal property acquisition when changes in the status of dependents were formalized It is based on the reality the cuneiform script in particular was developed in Sumer and Mesopotamia for the purpose of record keeping to provide legal proof of ownership where the inscription of a tablet evidenced the sale or transfer of property Legitimate property acquisition was as important in biblical law where physical disfigurements marked dependents in a similar way that the veil or the head covering identified a wife or concubine in ancient Assyrian and Judean societies This is primarily substantiated in the accounts of

prescriptive disfigurements namely circumcision and the piercing of a slave's ear both of which were required only when a son or slave was acquired permanently It is further argued that legal entitlement was relevant also to the punitive disfigurements recorded in Exodus 21 22 24 and Deuteronomy 25 11 12 where the physical violation of women was of concern solely as an infringement of male property rights *Jewish Studies at the Turn of the Twentieth Century, Volume 1: Biblical, Rabbinical, and Medieval Studies* European Association for Jewish Studies. Congress, 1999 169 papers from the Toledo Congress of the European Association for Jewish Studies offering a broad realistic perspective on the advances achievements and anxieties of Judaic Studies from the Bible to our days on the eve of the new millennium **Torah Encounters** Rabbi Daniel Pressman, 2021-10-15 Torah as both book and process is the taproot that penetrates to the heart of Jewish meaning understanding and expression Torah study is how we mine not just meaning from the text but our awareness of God's will writes Rabbi Daniel Pressman in the introduction to Torah Encounters Genesis This book series invites readers into the richness of the Torah sharing context and information for each parasha as well as commentary from generations of Biblical interpreters historical and modern and Rabbi Pressman's own insights The third in the five volume Torah Encounters series Torah Encounters Leviticus makes the weekly Torah portion approachable and applicable It is a wonderful resource for clergy adult or high school Hebrew education or personal study
