Fulfilling the Feasts of Israel Velda Stearns, 2013-03-29 The seven Jewish feasts which God gave to ancient Israel help unlock the entire Bible They were not feasts as we think of them but were structured around the sacrificial altar to worship God The Jewish people have celebrated these feasts in one form or another for 3 500 years totally unaware they are rehearsing future events that point to the Messiah It is unfortunate that Christians rarely celebrate the feasts or understand their significance The feasts reveal Gods divine seven thousand year plan of salvation for mankind Each feast is celebrated on the same day each year to remind of a special time in the history of Israel They reveal a record of atonement in the Old Testament and point to redemption in the New Testament The seven feasts paint a beautiful picture of Gods plan of salvation through Christ His Son They point to the soon return of our Savior Jesus Christ and the glorious future reign of the Messiah Christians refer to Him as Jesus Christ while messianic believers call Him Yeshua Understanding the significance of the feasts encourages believers to share the good news of salvation with the lost I pray you will be greatly blessed as you read Fulfilling the Feasts of Israel
