between the two states have been tested by the illegal use of Australian passports in 2010 the mysterious death of dual national Ben Zygier and growing disquiet within the ranks of the Australian Labor Party and the Australian Greens over Israel's handling of the Israel Palestinian conflict One prominent world wide issue is the Palestinian BDS Boycotts Divestments and Sanctions movement which has attracted sympathy and support that has brought about substantive differences of opinion regarding its legitimacy within the Jewish Australian community These issues demonstrate the multifaceted and complex picture of two very different nations that nevertheless share an abiding connection
