Jewish Temple A Non Biblical Sourcebook

Michael D. Swartz

Jewish Temple A Non Biblical Sourcebook:

The Jewish Temple Robert Hayward,1996 This book uncovers the meaning and significance of the Jewish Temple and its Service during the last centuries of its existence The non biblical sources indicate that the Temple and its rites were seen as holding the universe together providing order and meaning in a world which would otherwise easily lapse into chaos

The Book of Ezekiel and its Influence Johannes Tromp,2017-03-02 The Book of the Old Testament prophet Ezekiel 6th century B C E is a book of forceful language and impressive images Its message is often clear sometimes mysterious The book had great impact in Jewish and early Christian literature as well as in western art This book deals with the intentions of the book of Ezekiel but also focuses on its use by subsequent writers editors or artists It traces Ezekiel s influence in Jesus teaching about the Kingdom of God in Paul the Gospels and Revelation and also shows that Ezekiel s imagery via Jewish mysticism influenced the visionary art of William Blake Presenting contributions from leading biblical scholars in Oxford and Leiden based on their unique collaborative research this book will be of interest to a wide range of scholars working in the field of biblical studies including those studying the Hebrew Bible its early versions inter testamental Judaism New Testament and Early Christianity and the reception of Biblical literature in later centuries *T&T Clark Handbook of the Doctrine of Creation* ,2024-03-07 The T how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation **Judaic Religion in the Second Temple Period** Lester L.

Grabbe,2002-11-01 The developments in Judaism which occurred during the Second Temple period c 550 BC to 100 AD were of great importance for the nature of Jewish religion in later centuries yet few studies have examined the era in full Now Lester L Grabbe s lucid and accessible volume provides a much needed encyclopedic study and holistic interpretation of the period Topics examined include views about God and the spirit world the temple and priesthood scripture and synagogue the main religious sects and revolutionary movements eschatology and messianism magic and predicting the future religion in the Jewish diaspora converts and Godfearers With an extensive up to date bibliography plus numerous helpful cross references summaries and syntheses this book is essential reading for scholars and students of the history of Jewish religion It will also be of great value as a reference tool **T&T Clark Companion to Liturgy** Alcuin Reid,2015-12-17 In the decades following the Second Vatican Council Catholic liturgy became an area of considerable interest and debate if not controversy in the West Mid late 20th century liturgical scholarship upon which the liturgical reforms of the Second Vatican Council were predicated and implemented no longer stands unquestioned The liturgical and ecclesial springtime the reforms of Paul VI were expected to facilitate has failed to emerge leaving many questions as to their wisdom and value Quo vadis

Catholic liturgy This Companion brings together a variety of scholars who consider this question at the beginning of the 21st century in the light of advances in liturgical scholarship decades of post Vatican II experience and the critical re examination in the West of the question of the liturgy promoted by Benedict XVI The contributors each eminent in their field have distinct takes on how to answer this question but each makes a significant contribution to contemporary debate making this Companion an essential reference for the study of Western Catholic liturgy in history and in the light of contemporary scholarship and debate

Paul and God's Temple Albert L. A. Hogeterp, 2006 Paul addresses his readers as God's Temple in his Letters to the Corinthians which are among the earliest documents of Christianity This volume provides a synthesis of the historical and exegetical dimensions to Paul's cultic imagery Previous theories spiritualisation substitution comparative religions approach cannot stand in view of the analysis of the broader historical context as well as reconsideration of Paul's theological perspective This historical interpretation integrates relevant Qumran texts published since the 1990's insights about the early Jesus movement's Jewish origins and canonical as well as extra canonical Gospels in the discussion about cultic imagery Paul and God's Temple sheds new light on Paul's relation to contemporary Judaism and temple theological traditions while putting Paul's cultic imagery in a rhetorical critical and reader oriented perspective

Jesus as the Fulfillment of the Temple in the Gospel of John Paul M. Hoskins, 2007-02-01 This study examines John's portrayal of Jesus as the fulfillment and replacement of the Temple It also shows how a traditional conception of typology can be helpful for understanding the nature of the relationship between Jesus and the Temple Interpreters often associate John 1:14, 1:51, 2:18, 2:22 and 4:20-24 with Jesus replacement of the Temple Based on these texts one can already begin to see that he fulfills and replaces the Temple in that he is the new locus of God's presence glory revelation and abundant provision for his people In particular John 2:18-22 clearly associates Jesus' role as the Temple with his death and resurrection According to Isaiah part of God's decisive action on behalf of his people and for revealing himself to the nations is the lifting up of the Temple above all other temples In John this expectation finds its fulfillment in Jesus John's language of lifting up and glorification marks Jesus' death resurrection and exaltation as climactic events through which God lifts up and glorifies Jesus the true Temple Jesus' death resurrection and exaltation are also the means by which God provides for his people Jesus offers his flesh and blood for the life of the world and sends the Spirit to enrich believers with the benefits of his sacrificial death In doing so he simultaneously fulfills prophecies and patterns associated with the Passover Feast of Tabernacles Feast of Dedication and the Temple

Communal Participation in the Spirit Christopher G. Foster, 2022-10-11 Christopher G Foster identifies Jewish mystical elements in the Dead Sea Scrolls and compares them with analogous features in the Corinthian correspondence to illuminate through differences and similarities how Paul advocates a mystical and communal participation in the Spirit After defining early Jewish mysticism and introducing the method of heuristic comparison Part I identifies and investigates mystical elements in Dead Sea Scrolls Part II compares these findings with corresponding aspects in 1 and 2

Corinthians to demonstrate the largely corporate tenor of participation and transformation in and by the spirit for Paul

Did the First Christians Worship Jesus? James D. G. Dunn, 2010-01-01 Any book by James Dunn is worth reading and this is no exception It is a challenging and thought provoking book that raises central issues for Christian faith and practice Christopher Rowland Dean Ireland Professor of the Exegesis of Holy Scripture University of Oxford This volume offers a transparent and accessible treatment of early Christian monotheistic belief and practice by a scholar who has devoted many years to the study of early Christian convictions about Jesus Dunn's ability to combine an appreciation for complex issues with clarity of argument make this work a must read as a riveting introduction to the role and function of Jesus in the worship of God during the first century Loren T Stuckenbruck Richard Dearborn Professor of New Testament Studies Princeton Theological Seminary In this fascinating exploration of the nascent stages of the Christianity we know today the author raises some fascinating yet vexing questions What is worship Is the fact that worship is offered to God or a god what defines him or her as G god What does the act of worship actually involve The conviction that God exalted Jesus to his right hand obviously is central to Christian recognition of the divine status of Jesus But what did that mean for the first Christians as they sought to reconcile God's status and that of the human Jesus The questions are challenging but readers are ably guided by James Dunn one of the world's top New Testament scholars **BOOK JACKET** *The Zondervan Encyclopedia of the Bible, Volume 5* Merrill C. Tenney, 2010-08-10 Revised edition Volume 5 of 5 The Zondervan Encyclopedia of the Bible has been a classic Bible study resource for more than thirty years Now thoroughly revised this new five volume edition provides up to date entries based on the latest scholarship Beautiful full color pictures supplement the text which includes new articles in addition to thorough updates and improvements of existing topics Different viewpoints of scholarship permit a wellrounded perspective on significant issues relating to doctrines themes and biblical interpretation The goal remains the same to provide pastors teachers students and devoted Bible readers a comprehensive and reliable library of information More than 5 000 pages of vital information on Bible lands and people More than 7 500 articles alphabetically arranged for easy reference Hundreds of full color and black and white illustrations charts and graphs 32 pages of full color maps and hundreds of black and white outline maps for ready reference Scholarly articles ranging across the entire spectrum of theological and biblical topics backed by the most current body of archaeological research 238 contributors from around the world **Power and Place** Gregory Stevenson, 2012-08-06 Archaeological epigraphic numismatic and historical research is used to illuminate the meaning and function of temples in both Jewish and Greco Roman cultures This evidence is then brought into a dialogue with a literary analysis of how the temple functions as a symbol in Revelation Greatly to be Praised Michael E. W. Thompson, 2016-06-22 Worship is a dominant theme in the Old Testament It is spoken about not only to provide words for worship guidance about its leadership or to express censure for its inadequacies but also to depict places for worship and their significance and to speak of the high calling of those who had particular roles and

responsibilities in worship Worship for the Old Testament authors has a vital place in the covenantal relationship between the Lord and his people Michael Thompson considers Israel's worship under a series of themes and aspects the place of worship holy places temples and homes the various people at worship the people priests and Levites and kings the liturgy of worship prayers psalms sacrifices feasts festivals and calendars and visions of worship in the proclamations of prophets wisdom writers theologians and Israelite priests These and many other matters relating to worship in the Hebrew Bible are presented in this fresh and wide ranging study

The New Day of Atonement Hans M. Moscicke, 2020-04-27 In this work Hans M Moscicke investigates the influence of the Day of Atonement on Matthew's passion narrative He argues that Matthew portrays Jesus as both goats of the Leviticus 16 ritual in his Barabbas episode Matt 27 15 26 Roman abuse scene Matt 27 27 31 and death resurrection narrative Matt 27 50 54 back cover

The Letter of Aristeas Benjamin G. Wright, 2015-09-25 The Letter of Aristeas has been an object modern scholarly interest since the seventeenth century It is best known for containing the earliest version of the translation of the Hebrew Law into Greek and this story accounts for much of the scholarly attention paid to the work Yet this legend only takes up a small percentage of the work Looking at Aristeas as a whole the work reveals an author who has acquired a Greek education and employs both Jewish and Greek sources in his work and he has produced a Greek book Even though Aristeas has garnered scholarly attention no fully fledged commentary has been written on it The works of R Trumitano M Hadas and others often referred to as commentaries only contain text and annotated notes This volume fills the gap in the scholarship on Aristeas by providing a full paragraph by paragraph commentary containing a new translation text critical notes general commentary and notes on specific words phrases and ideas

Jewish Worship in Philo of Alexandria Jutta Leonhardt, Jutta Leonhardt-Balzer, 2001 As a knowledgeable contemporary of the later Second Temple Philo of Alexandria's approach to worship and his view of the essence of Jewish worship are of particular interest to the study of that period Jutta Leonhardt discusses his views on the Jewish festivals especially the Sabbath on prayer psalms hymns praise and thanksgiving and on Temple offerings sacrifices and purification rites These aspects are presented with their parallels in Jewish and pagan traditions and in Greek and Hellenistic philosophy Jewish worship in Philo has never been studied as a coherent whole before Only individual aspects of worship such as prayer of petition or thanksgiving or Philo has been used in studies on Second Temple Judaism as a quarry for general examples of acts of worship Philo accepted and participated in Jewish worship and even knew about details of various Jewish traditions of his time His writings however do not refer to them directly and cannot easily be used to reconstruct Jewish rituals of his time His main aim is to discuss the rites as collected in the Mosaic Torah since these are binding for all Jews These laws are frequently presented using the terminology of pagan cults and interpreted with recourse to Greek philosophy In this philosophical description of actual rites there are parallels to Plato's references to religion in the ideal state in the *Nomoi* Philo presents Judaism as the ultimate Hellenistic cult which combines the various aspects of the

different pagan cults in a sublime and perfect form to represent mankind and the universe in the worship of the one God who created the world *Beyond Priesthood* Richard L. Gordon, Georgia Petridou, Jörg Rüpke, 2017-08-21 The last decade has seen a surge of scholarly interest in these religious professionals and a good number of high quality publications Our volume however with its unique intercultural character and its explicit focus on appropriation and contestation of religious expertise in the Imperial Era is substantially different Unlike the rather narrow focus of earlier studies of civic priests the papers presented here examine a wider range of religious professionals their dynamic interaction with established religious authorities and institutions and their contributions to religious innovation in the ancient Mediterranean world from the late Hellenistic period through to Late Antiquity from the City of Rome to mainland Greece Asia Minor Syria and Egypt from Greek civic practice to ancient Judaism A further advantage of our volume is the wide range of media of transmission taken into account Our contributors look at both old and new materials which derive not only from literary sources but also from papyri inscriptions and material culture Above all this volume assesses critically convenient terminological usage and offers a unique insight into a rich gamut of ancient Mediterranean religious specialists

Levitical Sacrifice and Heavenly Cult in Hebrews Benjamin J. Ribbens, 2016-06-06 This monograph examines Hebrews understanding of the relationship between old covenant sacrifices and Christ's new covenant sacrifice especially as it relates to the question of efficacy Most scholars think the author of Hebrews strips the levitical sacrifices of most if not all efficacy but this work affirms a more positive depiction of the levitical sacrifices A mystical apocalyptic tradition stands behind Hebrews description of the heavenly cult which establishes the framework for relating the levitical sacrifice to Christ's sacrifice The earthly levitical cult was efficacious when it corresponded to or synchronized with the heavenly sacrifice of Christ Still the author of Hebrews develops the notion of the heavenly cult in unique ways as Christ's sacrifice both validates the earthly practice but also due to his new covenant theology calls for its end Ribbens bold proposal joins a growing number of scholars that place Hebrews in the mystical apocalyptic tradition highlights positive statements in Hebrews related to the efficacy of levitical sacrifices that are often overlooked and relies on the heavenly cult to reconcile the positive and negative descriptions of the levitical cult

Lord Jesus Christ Larry W. Hurtado, 2005-09-14 This outstanding book provides an in depth historical study of the place of Jesus in the religious life beliefs and worship of Christians from the beginnings of the Christian movement down to the late second century Lord Jesus Christ is a monumental work on earliest Christian devotion to Jesus sure to replace Wilhelm Bousset's *Kyrios Christos* 1913 as the standard work on the subject Larry Hurtado widely respected for his previous contributions to the study of the New Testament and Christian origins offers the best view to date of how the first Christians saw and revered Jesus as divine In assembling this compelling picture Hurtado draws on a wide body of ancient sources from Scripture and the writings of such figures as Ignatius of Antioch and Justin to apocryphal texts such as the Gospel of Thomas and the Gospel of Truth Hurtado considers such themes as early beliefs about Jesus divine status and significance

but he also explores telling devotional practices of the time including prayer and worship the use of Jesus name in exorcism baptism and healing ritual invocation of Jesus as Lord martyrdom and lesser known phenomena such as prayer postures and the curious scribal practice known today as the nomina sacra The revealing portrait that emerges from Hurtado s comprehensive study yields definitive answers to questions like these How important was this formative period to later Christian tradition When did the divinization of Jesus first occur Was early Christianity influenced by neighboring religions How did the idea of Jesus divinity change old views of God And why did the powerful dynamics of early beliefs and practices encourage people to make the costly move of becoming a Christian Boasting an unprecedented breadth and depth of coverage the book speaks authoritatively on everything from early Christian history to themes in biblical studies to New Testament Christology Hurtado s Lord Jesus Christ is at once significant enough that a wide range of scholars will want to read it and accessible enough that general readers interested at all in Christian origins will also profit greatly from it

The Signifying Creator Michael D. Swartz, 2012-04-02 This book explores the belief in ancient Judaism that God embedded hidden signs and visual clues in the natural world that could be read by human beings and interpreted according to complex systems

Sacrifice in Religious Experience Albert I. Baumgartner, 2018-09-24 This book presents revised papers delivered at the 1998 and 1999 Taubes Minerva Center for Religious Anthropology conferences The papers from the 1998 conference discuss the role of sacrifice in religious experience from a comparative perspective Those from the second conference examine alternatives to sacrifice The first theme has been much elaborated in recent scholarship and the essays here participate in that on going inquiry The second theme has been less explored and the goal of this volume is to stimulate examination of the topic by offering a set of test cases In both sections of the volume a wide variety of religious traditions are considered The essays show that in spite of the inclination we may sometimes have to consider sacrifice part of the idolatrous past long overcome it remains a persistent and meaningful part of religious experience
