Light and Harmony

Judaism aims not to separate, but to unite mankind, and this principle is greatly emphasized in The Talmud by Rabbi Meir. Concerning the passage, "Men shall observe the law and live in it," he said: "They [We] say not hardness, not Levites, and Priests, but men; therefore the Gentile who observes the law stands on the level with the High Priest." "Walk before every man in modesty and lowliness," he says further: "not only before your congregation, but before every man."—From "Selections from the Talmud," by H. Pollano.

2

"In all the world there are two kinds of people—those who know, and those who do not know; and that knowledge is the thing which matters. What religion a man holds, to what race he belongs—these things are not important; the really important thing is that knowledge—the knowledge of God's plan for men. For God has a plan, and that plan is evolution. When once a man has seen that and really knows it, he can not help working for it and making himself one with it, because it is so glorious, so beautiful. No, because he knows, he is on God's side, working for good and raising with working for evolution and not for selfishness."—[Continuation in "All the Parts of the Matter"]

Interaction Between Judaism and Christianity in History, Religion, Art, and Literature Marcel Poorthuis, Joshua Jay Schwartz, Joseph Turner, 2009 This volume contains essays dealing with complex relationships between Judaism and Christianity taking a bold step assuming that no historical period can be excluded from the interactive process between Judaism and Christianity conscious or unconscious as either rejection or appropriation

Occult Roots of Religious Studies Yves Mühlematter, Helmut Zander, 2021-06-08 The historiographers of religious studies have written the history of this discipline primarily as a rationalization of ideological most prominently theological and phenomenological ideas first through the establishment of comparative philological and sociological methods and secondly through the demand for intentional neutrality This interpretation caused important roots in occult esoteric traditions to be repressed This process of purification Latour is not to be equated with the origin of the academic studies De facto the elimination of idealistic theories took time and only happened later One example concerning the early entanglement is Tibetology where many researchers and respected chair holders were influenced by theosophical ideas or were even members of the Theosophical Society Similarly the emergence of comparatistics cannot be understood without taking into account perennialist ideas of esoteric provenance which hold that all religions have a common origin In this perspective it is not only the history of religious studies which must be revisited but also the partial shaping of religious studies by these traditions insofar as it saw itself as a counter model to occult ideas

Kabbalah and Modernity Bo'az Hus, Marco Pasi, Kocku Von Stuckrad, 2010 This volume brings together leading representatives of the recent debate about the persistence of kabbalah in the modern world It breaks new ground for a better understanding of the role of kabbalah in modern religious intellectual and political discourse

Shekinah Unveiled John Whitman, 2018-07-05 Many Christians believe and have been taught that the bride of Christ is the church and this presupposition is widely held by scholars ministers and laity alike as though it were a biblical precept Yet this view actually owes its origins to pagan heresy and mysticism that infiltrated the church over the centuries In fact the scriptures tell us who Jesus will marry and it is neither the Christian church nor Israel Shekinah Unveiled examines and irrevocably dismantles the ages old traditions that maintain that the church is the bride of Christ and that Israel was Yahweh's wife Author and theologian John Whitman proves from scripture who the true bride of Christ and the wives of Yahweh are and he explains why it matters to know the identity of the bride of Christ Knowledge of the true identity of the bride of Christ affects multiple core doctrines of faith the imago Dei marriage sexuality and the family sin Christology ecclesiology eschatology judgment bridal theology and theology proper And because the latter is itself the bedrock upon which not only systematic theology but each of these other attendant doctrines are founded the very heart of Christianity is affected by knowing the identity of Christ's bride

Gershom Scholem and the Mystical Dimension of Jewish History Joseph Dan, 1988-10 Annotation An excellent overview of the history of Jewish mysticism from its early beginnings to contemporary Hasidism scholarly and complex Library Journal An excellent work clear and solidly documented by Joseph Dan on Gershom Scholem and on his work Notes Bibliographiques An excellent guide to Scholem's work Christian Century *The Jewish Quarterly Review* Claude Goldsmid Montefiore, 1896 **Jews' College Jubilee Volume** Jews' College (London, England), 1906 **Kabbalah Research in the Wissenschaft des Judentums (1820-1880)** George Y. Kohler, 2019-03-18 In recent years more and more scholars have become aware of the fact that the 19th century movement of the Wissenschaft des Judentums engaged in essential research of kabbalistic texts and thinkers The legend of Wissenschaft's neglect for the mystic traditions of Judaism is no longer sustainable However the true extent of this enterprise of German Jewish scholars is not yet known This book will give an overview of what the leading figures have actually achieved Landauer Jellinek Jost Graetz Steinschneider and others It is true that their theological evaluation of the worth of kabbalah for what they believed was the essence of Judaism yielded overall negative results but this rejection was rationally founded and rather suggests a true concern for Judaism that transcended their own emancipation and assimilation as German Jews **A Dictionary of Religion and Ethics** Shailer Mathews, Gerald Birney Smith, 1921 **The Americana**, 1911 **The Americana** Frederick Converse Beach, George Edwin Rines, 1911
