**Life, Death & Last Words of John Keats**

DR. ANUP KUMAR, 2024-01-04 Here lies one whose name was writ in water This is the phrase the English Romantic poet Keats desired to be inscribed on his tombstone Just this phrase he did not even want his name to appear on his tombstone merely this line Keats wanted simply the above phrase on his tombstone for by the time his death was near he was embittered with life and believed he would soon be forgotten But contrary to it more than two hundred years after his death he is still remembered as one of the greatest English Romantic poets ever This book the second in the Last Words Series deals with the fascinating account of the Life Death and Last Words of the English Romantic poet John Keats 31 October 1795 23 February 1821 Keats came to this world on a short visit He was just over 25 when he died EBook G *Joseph Severn, A Life* Sue Brown, 2009-10-08 This biography of Joseph Severn 1793 1879 the best known but most controversial of Keats's friends is based on a mass of newly discovered information much of it still in private hands Severn accompanied the dying Keats to Italy nursed him in Rome and reported on his last weeks there in a famous series of moving letters After Keats's death in relative obscurity Severn pressed hard for an early biography and a more fitting memorial in the Protestant Cemetery in Rome In the nineteenth century Severn's friendship with Keats was seen as a model of devoted masculine companionship and he was reburied by popular acclaim next to Keats in 1882 In the twentieth century by contrast he was denigrated as an unreliable self promoting witness Sue Brown's book fills a major gap in studies of Keats and his circle It reassesses Severn's character friendship with Keats and influence on the posthumous development of the poet's fame and

provides new information on Keats's death. The significance of Severn's artistic career has previously been downplayed. This book offers the first full assessment of his work and of his turbulent spell as British Consul in Rome from 1860 to 1871. Keats was not Severn's only famous friend. For most of his adult life, Severn was at the heart of the large, lively British community in Rome, welcoming amongst others Gladstone who became his most important patron, Ruskin, Walter Scott, Wordsworth, Turner, Samuel Palmer, David Wilkie and many more. He maintained long friendships with Leigh Hunt, Mary Shelley, Charles Eastlake, Richard Monckton Milnes amongst others and enjoyed a rich family life.

**Keats, Shelly & Rome**, 1949      **Romantic Echoes in the Victorian Era** Andrew Radford, 2017-03-02

In tracing those deliberate and accidental Romantic echoes that reverberate through the Victorian age into the beginning of the twentieth century, this collection acknowledges that the Victorians decided for themselves how to define what is Romantic. The essays explore the extent to which Victorianism can be distinguished from its Romantic precursors or whether it is possible to conceive of Romanticism without the influence of these Victorian definitions. *Romantic Echoes in the Victorian Era* reassesses Romantic literature's immediate cultural and literary legacy in the late nineteenth century, showing how the Victorian writings of Matthew Arnold, Wilkie Collins, the Brontës, the Brownings, Elizabeth Gaskell, Charles Dickens, Gerard Manley Hopkins, Thomas Hardy and the Rossettis were instrumental in shaping Romanticism as a cultural phenomenon. Many of these Victorian writers found in the biographical, literary and historical models of Chatterton, Coleridge, Byron, Shelley, Keats and Wordsworth touchstones for reappraising their own creative potential and artistic identity. Whether the Victorians affirmed or revolted against the Romanticism of their early years, their attitudes towards Romantic values enriched and intensified the personal, creative and social dilemmas described in their art. Taken together, the essays in this collection reflect on current critical dialogues about literary periodisation and contribute to our understanding of how these contemporary debates stem from Romanticism's inception in the Victorian age.
