

KEEP YOUR POWDER DRY

Keep Your Powder Dry

EDITORIAL BOARD

Keep Your Powder Dry:

Woman's Army George Bruce, Mary C. McCall (Jr.), 1945 **And keep Your Powder dry** Margaret Mead, 1942 **And Keep Your Powder Dry** Margaret Mead (Anthropologist, USA), 1942 *And Keep Your Powder Dry* Margaret Mead, 1965
"The" Ballads of Ireland Edward Hayes, 1856 **Dublin University Magazine**, 1834 Confederate Sheet Music E. Lawrence Abel, 2015-06-14

During the American Civil War songs united and inspired people on both sides. The North had a well established music publishing industry when the war broke out but the South had no such industry. The importance of music as an expression of the South's beliefs was obvious as one music publisher said: "The South must not only fight her own battles but sing her own songs and dance to music composed by her own children." Southern entrepreneurs quickly rose to the challenge. This reference book is distinguished by three major differences from previously published works. First it lists sheet music that is no longer extant and listed nowhere else. Second it gives complete lyrics for all extant songs, a rich source for researchers. And third a brief historical background has been provided for many of the songs. Each entry provides as much of the following as possible, staying faithful to the typography of each title page: the title as published, names of all lyricists, composers and publishers, dates of publication, cities of publication and if applicable the names of catalogs or magazines in which the song appeared. Music published in Southern cities under Federal occupation is excluded.

Nightmare, Envy and Other Stories George Blaustein, 2018-01-05

What has it meant to be an Americanist? What did it mean to be an Americanist through fascism, war and occupation? *Nightmare, Envy and Other Stories* is a study of Americanist writing and institutions in the 20th century. Four chapters trace four routes through the mid twentieth century. The first chapter is the hidden history of American Studies in the United States, Europe and Japan. The second is the strange career of national character in anthropology. The third is a contest between military occupation and cultural diplomacy in Europe. The fourth is the emergence and fate of the American Renaissance as the scholar and literary critic F. O. Matthiessen carried a canon of radical literature across the Iron Curtain. Each chapter culminates in the postwar period when the ruin of postwar Europe led writers and intellectuals on both sides of the Atlantic to understand America in new ways. Many of our modern myths of the United States and Europe were formed in this moment. Some saw the United States assume the mantle of cultural redeemer. Others saw a stereotypical America, rich in civilization but poor in culture, overtake a stereotypical Europe, rich in culture and equally rich in disaster. Drawing on American and European archives, the book weaves cultural, intellectual and diplomatic history with portraits of Matthiessen, Margaret Mead, Ruth Benedict, David Riesman, Alfred Kazin and Ralph Ellison. It excavates the history of the Salzburg Seminar in American Civilization where displaced persons, former Nazis, budding Communists and glad-handing Americans met on the common ground of American culture. Others found keys to their own contexts in American books, reading *Moby Dick* in the ruins. *Nightmare, Envy and Other Stories* chronicles American encounters with European disaster, European encounters with American fiction and the chasms over which culture had to reach.

CONCISE DICTIONARY OF ENGLISH COMBINED (IDIOMS, PHRASES, PROVERBS, SIMILIES) EDITORIAL

BOARD, 2015-09-01 This authoritative dictionary is designed to help readers expand vocabulary and language skills to reach appreciative levels and then exceed that. Hence pick up the various ways to explain the meaning of idioms, phrases, and proverbs besides interpreting figurative language such as metaphors and similes. The volume is composed of four separate sections: 1 Idioms, 2 Phrases, 3 Proverbs, and 4 Metaphors and Similes. Key Features: Sentences focussed on figurative language and sayings. Includes common idioms, popular phrases, witty proverbs, metaphors, and similes. Contains hyperbole and adages at appropriate places. Organized into A-Z format with sentences at easy and moderate levels. Allows readers to develop and then apply new skills of expression. Aligns to the English and Foreign words currently in popular use. Benefits: Produces a complete understanding of common idioms. Provides recognizing the meaning of popular phrases. Encourages readers to understand and relate to witty proverbs. Develops the ability to use metaphors and similes. Introduces adage and hyperbole. Improves vocabulary and enhances knowledge of word meanings. Polishes persuasive descriptive and narrative writing skills.

The Works of Charlotte Elizabeth: Personal recollections. Osric, (a poem). The rockite. Helen Fleetwood.

The siege of Derry. Letters from Ireland. The flower garden Charlotte Elizabeth, 1847 **The Works of Charlotte Elizabeth [pseud.].** Charlotte Elizabeth, 1848 **Personal recollections. Osric, (a poem) The Rockite. The siege of Derry. Letters from Ireland. Miscellaneous poems** Charlotte Elizabeth, 1845 **The Works of Charlotte Elizabeth**

Charlotte Elizabeth, 1849 *American Whitetail* Terry F. Townsend, 2011-11-16 This comprehensive how to book is for both the beginner and the experienced hunter and contains hundreds of valuable tips, photos, and illustrations whether hunting with a bow rifle or muzzleloader. It explains the best methods for tracking and recovering a deer and how to field dress, skin out, butcher, and package your venison for the freezer. The book also details such deer country hazards as ticks and venomous snakes, reviews basic safety issues, and lists hundreds of resources for everything from outfitters and guides to hunting supplies. *American Whitetail* even includes a chapter on reaping the rewards of a successful hunt with twenty-five great venison recipes.

'Twixt Kiss and Lip; Or, Under the Sword Frederick William Orde Ward, 1890 *Four lectures on four great rulers* Paul Askin, 1893 **English Roses** Frederick William Orde Ward, 1899 **Inventing the "American Way"**

Wendy L. Wall, 2009-09-03 In the wake of World War II, Americans developed an unusually deep and all-encompassing national unity as postwar affluence and the Cold War combined to naturally produce a remarkable level of agreement about the nation's core values. Or so the story has long been told. *Inventing the American Way* challenges this vision of inevitable consensus. Americans, as Wendy Wall argues in this innovative book, were united not so much by identical beliefs as by a shared conviction that a distinctive American Way existed and that the affirmation of such common ground was essential to the future of the nation. Moreover, the roots of consensus politics lie not in the Cold War era but in the turbulent decade that preceded U.S. entry into World War II. The social and economic chaos of the Depression years alarmed a diverse array of

groups as did the rise of two alien ideologies fascism and communism In this context Americans of divergent backgrounds and beliefs seized on the notion of a unifying American Way and sought to convince their fellow citizens of its merits Wall traces the competing efforts of business groups politicians leftist intellectuals interfaith proponents civil rights activists and many others over nearly three decades to shape public understandings of the American Way Along the way she explores the politics behind cultural productions ranging from The Adventures of Superman to the Freedom Train that circled the nation in the late 1940s She highlights the intense debate that erupted over the term democracy after World War II and identifies the origins of phrases such as free enterprise and the Judeo Christian tradition that remain central to American political life By uncovering the culture wars of the mid twentieth century this book sheds new light on a period that proved pivotal for American national identity and that remains the unspoken backdrop for debates over multiculturalism national unity and public values today

Our Home Journal ,1871 **Dictionary of Proverbs** George Latimer Apperson,2006-05-10 This dictionary aims to help users to find the most appropriate word to use on a wide range of occasions It is designed in particular for students those writing reports letters and speeches and crossword solvers but is also useful as a general word reference Special features include an alphabetical A Z listing numbered senses for words with more than one meaning British and American variants and specially marked colloquial uses
