Keepers Of The House A Novel:

The Keepers of the House Shirley Ann Grau, 2012-04-10 A beautifully written Pulitzer Prize winning novel about prejudice and a distinguished family's secrets in the American South The Atlantic Monthly Seven generations of the Howland family have lived in the Alabama plantation home built by an ancestor who fought for Andrew Jackson in the War of 1812 Over the course of a century the Howlands accumulated a fortune fought for secession and helped rebuild the South establishing themselves as one of the most respected families in the state But that history means little to Abigail Howland The inheritor of the Howland manse Abigail hides the long buried secret of her grandfather's thirty year relationship with his African American mistress Her fortunes reverse when her family's mixed race heritage comes to light and her community locked in the prejudices of the 1960s turns its back on her Faced with such deep seated racism Abigail is pushed to defend her family at all costs A novel of real magnitude The Keepers of the House is an unforgettable story of family tradition and racial injustice set against the richly drawn backdrop of the American South Kirkus Reviews This ebook features an illustrated biography of Shirley Ann Grau including rare photos and never before seen documents from the author's personal collection [The Keepers of the House](#) Julius Caesar, Shirley Ann Grau, 1903 **Keeper of the House** Rebecca T.

Godwin, 2013-08-06 Keeper of the House is Rebecca T Godwin's unforgettable novel narrated by the lively Minyon Manigault a young black woman from a coastal South Carolina Gullah community In 1929 due to mysterious family circumstances Minyon is given up by her grandmother to the employment of Ariadne Fleming a white madam in the famously elegant brothel called Hazelhedge At the age of fourteen she becomes a pair of eyes and hands watching and working almost invisibly in a world where men and women leave their inhibition and their pasts at the door As Minyon grows up in the household with other black people who provide behind the scenes support of Hazelhedge she cannot escape her haunting childhood memories Even while bearing witness to the events unfolding around her Minyon seeks to find her place in the world and her pace within herself **Keepers of the House** Lisa St Aubin de Terán, 1982 **Keepers Of The House** Lisa

St. Aubin De Teran, 2011-12-15 Since the eighteenth century the eccentric and flamboyant Beltran family have ruled their desolate Andean valley Now they are almost extinct At seventeen Lydia Sinclair newly married to Don Diego Beltran the last of the line arrives at the vast decaying Hacienda La Bebella As her husband retreats into himself Lydia takes refuge in unearthing his ancestors tragic history Benito the family's oldest retainer relates to her tales of splendour and romance violence and suffering From these she weaves a rich gothic tapestry in which the fantastic legends of the past are mingled with the present necessity for survival in a harsh drought ridden land **The History of Southern Women's Literature**

Carolyn Perry, Mary Weaks-Baxter, 2002-03-01 Many of America's foremost and most beloved authors are also southern and female Mary Chesnut Kate Chopin Ellen Glasgow Zora Neale Hurston Eudora Welty Harper Lee Maya Angelou Anne Tyler Alice Walker and Lee Smith to name several Designating a writer as southern if her work reflects the region's grip on her life

Carolyn Perry and Mary Louise Weaks have produced an invaluable guide to the richly diverse and enduring tradition of southern women's literature. Their comprehensive history, the first of its kind in a relatively young field, extends from the pioneer woman to the career woman, embracing black and white, poor and privileged, urban and Appalachian perspectives and experiences. *The History of Southern Women's Literature* allows readers both to explore individual authors and to follow the developing arc of various genres across time: Conduct books and slave narratives, Civil War diaries and letters, the antebellum, postbellum, and modern novel, autobiography and memoirs, poetry, magazine and newspaper writing; these and more receive close attention. Over seventy contributors are represented here, and their essays discuss a wealth of women's issues from four centuries: race, urbanization, and feminism; the myth of southern womanhood; preset images and assigned social roles, from the belle to the mammy; and real life behind the facade of meeting others' expectations, poverty, and the labor movement; responses to *Uncle Tom's Cabin* and the influence of *Gone with the Wind*. The history of southern women's literature tells ultimately the story of the search for freedom within an insidious tradition. To quote Ellen Glasgow: "This teeming volume validates the deep contributions and pleasures of an impressive body of writing and marks a major achievement in women's and literary studies."

Keepers of the House George Mackay Brown, 1986-01-01 *The Tracy Groot Biblical Fiction Collection: The Brother's Keeper / The Stones of My Accusers / Madman* Tracy Groot, 2021-01-13

This collection combines three of Tracy Groot's historical fiction novels into one e-book for a great value. *The Brother's Keeper*: The sons of Joseph run a successful carpentry business in Nazareth. At least it was successful until the oldest brother, Jesus, left home to tell the world he will forgive their sins and save their souls. Now everyone is hearing outlandish reports of healings and exorcisms. Business is suffering; not many people want a stool made by the family of the local crazy man. When one of his brothers starts listening to Jesus' troubling speeches, and fanatical Zealots descend on Nazareth to convince his family to join their fight against Rome, James wants nothing more than to shut out these rumblings and have a normal life. But normal walked out the day his brother did. James knows that this year's Passover pilgrimage will be more important than ever. Hearing about a possible plot against Jesus, he must find him and talk some sense into him before it's too late. And he must decide for himself who his brother really is. But on the dusty road to Jerusalem, more than one faction has murder on its mind.

The Stones of My Accusers: You're the one Nathaniel had said, "You go and tell her. No stones." Rivkah knows her own sin all too well. She knows the prophets' judgments against women like her, and still believes that prostitution doesn't even compare to the most secret and shameful incident of her past. Not even her best friend knows what she did. Only God knows. Determined to make her way to Caesarea Maritima to confront the mother of her beloved Nathaniel, Jorah has no time to consider the rumors she hears of her brother Jesus' resurrection. She'll stop at nothing to get the answers she needs. A former Zealot, Joab is wrestling with delivering a message to a woman named Rivkah, a message that challenges everything he ever believed. A message from her son, No stones.

Madman: If there is a way into madness, logic says, there is a way out. Logic says Tallis, a philosopher's servant, is sent to

a Greek academy in Palestine only to discover that it has silently ominously disappeared No one will tell him what happened but he learns what has become of four of its scholars One was murdered One committed suicide One worships in the temple of Dionysus And one one is a madman From Christy Award winning author Tracy Groot comes a tale of mystery horror and hope in the midst of unimaginable darkness the story behind the Gerasene demoniac of the Gospels of Mark and Luke
