Lectionary Preaching Workbook, Series VI, Cycle C E. Carver McGriff, 1998 Preachers must understand the teaching techniques of parable and hyperbole not to mention having a good background in systematic theology in order to understand what the Bible's writers really meant But our responsibility is also to reduce the complexities of Bible study to such simplicities that our many listeners ranging from busy young professional people to aging men and women of failing health to youngsters facing a variety of new temptations can take away a saving word from the Preface E Carver McGriff provides the tools preachers need for their daunting task with some of the most timely and thought provoking research on the lectionary texts ever made available Included for each scriptural lesson in the lectionary are A listing of the applicable Revised Common Roman Catholic and Episcopal lectionary texts A description of the Psalm of the day A prayer for the day Commentary that is more than academic exegesis McGriff brings to the forefront those points in the lessons that relate most poignantly to our contemporary reality Suggested sermon titles for each of the three texts for each Sunday Themes and suggested directions for preaching on each text Several additional illustrations to enliven your preaching Known in the Indianapolis community as a preacher with extraordinary gifts it is no surprise at all that this work by Carver McGriff brings remarkable insights to those who look for integrity in their preaching Carver looks at the texts with a freshness that is sure to stimulate the thought process Careful use of these suggestions will bring serendipities to preacher and congregation George H Tooze Senior Minister First Baptist Church Indianapolis Indiana One of America's premiere preachers E Carver McGriff returned home after earning two Purple Hearts during World War II to earn a degree in business administration from Butler University

Following a career as a salesman and business owner McGriff entered Garrett Theological Seminary where he was voted Best Preacher by the faculty and graduated with distinction During his 26 year ministry at St Luke s Methodist Church in Indianapolis McGriff spearheaded his congregation s remarkable growth in membership from 900 to 4 400 with average Sunday attendance increasing from 300 to over 1 850 McGriff received an honorary degree from the University of Indianapolis and the Outstanding Alumnus award from Butler University and was voted the Distinguished Alumnus of the year by Christian Theological Seminary McGriff was also honored in 1993 by the Governor of Indiana with the Sagamore of the Wabash His sermons have been distributed nationwide by the United Methodist Publishing House Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 *Forthcoming Books* Rose Arny,2002 *Year D* Timothy Matthew Slemmons,2012-05-04 Although one often hears of the need to preach the whole counsel of God few resources have seriously and specifically attempted to assist the preacher and planner of worship to do just that until now Year D makes the case for the need and promise of supplementing the Revised Common Lectionary with a fourth year of lections and arranges many previously excluded biblical texts in an orderly one year preaching plan It fills a need widely voiced by preachers that the lectionary effectively limits and censors the functional canon of Scripture Destined to serve as a staple source of significant revitalization in mainline preaching and worship Year D banks on the agency of Word and Spirit to renew the church as few practical proposals have done in the last twenty years lending new focus and impetus for exploring the Bible s forgotten riches A timely and urgently needed return to the sources Year D represents a fresh appropriation of neglected and marginalized texts for preaching worship education and devotion and thus constitutes a substantive scriptural attempt to address what Walter Brueggemann has called the current preaching emergency **A Women's Lectionary for the Whole Church Year C** Wilda C. Subject Guide to Books in Print, 1996 **Cyril of Jerusalem, Mystagogue** Alexis James Doval, 2001 After centuries of unresolved dispute over the question of whether the Mystagogic Catecheses belongs among the works of St Cyril of Jerusalem this book finally settles the controversy These post baptismal Easter sermons are a prized witness to the way the rites of initiation baptism confirmation and Eucharist were celebrated in fourth century Jerusalem and for the rich sacramental theology they contain Uncertain authorship has prevented the text from being fully appreciated as an integral part of Cyril's works Cyril's reputation as a catechist is time honored and his Baptismal Catecheses has served as an invaluable source of early Church doctrine and practice Scholars can now confidently include the mystagogic sermons in their study of Cyril's doctrinal and sacramental theology and practice This study addresses much more than the question of authorship A thorough examination of the Mystagogic Catecheses in conjunction with Cyril's Baptismal Catecheses provides a new view into his life and thought as both catechist and mystagogue It begins with a survey of those aspects of Cyril's life and his Jerusalem church that are relevant to reassessing the authorship of the Mystagogic Catecheses It then examines the text's manuscript tradition literary tradition and date There follows the most extensive section a comparative analysis of the disputed sermons and Cyril's Baptismal Catecheses in the areas of liturgical rites theology spirituality and literary style The text is then compared to the known works of the contending author John II of Jerusalem Finally the sermons are subjected to a stylometric analysis that is a computer based statistical analysis of literary style This book will be welcomed by scholars of early Christianity especially those interested in the life and works of Cyril of Jerusalem Of special interest is its treatment of the history and development of liturgy in the Christian East through the fourth century This is the first volume in the Patristic Monograph Series of the North American Patristic Society to be published by the Catholic University of America Press ABOUT THE AUTHOR Alexis James Doval is associate professor of religious studies at Saint Mary's College of California PRAISE FOR THE BOOK A considerable contribution to a vexed but vital question about Cyril and the mystagogical catecheses Doval's study is a must
