being and spiritual victory Through these verses you can find transformation from despair to hope We all need hope and Keeping Hope Alive can help you find it When our minds grasp the truth of what God has to offer our hearts and souls can sing hope We can apply this to our daily walk and watch as God begins to move us from despair to gratitude from desperation to joy and from depression to victory The enemy can be defeated and we can once again see God gloriously triumphant in our lives

*An Eschatological Imagination* John M. Shields,2008 In the twentieth century Christian eschatology the doctrine about the final reality became a storm center for Christian systematic theologians because of the rediscovery of the eschatological character of Jesus Christ In the twenty first century Christian theologians continue to wrestle with the claims of Christian eschatology because of a postmodern suspicion of eschatological certainty claims about a future that is after all objectively unavailable yet still of great human concern Human beings live on hope for the future An Eschatological Imagination recognizes the problem of the future for Christian eschatology Building on the major theological writings of David Tracy it offers a revised way of thinking and living eschatologically in the form of an eschatological imagination as a rhetoric of virtue an exhortation to live in Christian hope in a postmodern world and into an objectively unavailable and uncertain future Within such a rhetoric hope becomes action not mere sentiment that seeks to create a Christian eschatological future
