Keeping Score A Of Poems:

Keeping Score Judy Epstein,1975 **The Pathetic Book of Poetry** Jody Pratt,Collective Poets,2013-12-11 This book is a collaboration of over two dozen poets Its topics are as varied as they are uncensored and pathetic The name of the book pokes fun at the self deprecating nature of poets **The Complete Poems** James Hursey,2017-03-18 From the Introduction Just words of course all just so many words But words strung slyly judiciously and always lovingly one after the other in due order and in such a way as to entertain sometimes astonish and the poet hopes occasionally enlighten the literate or even otherwise reader all cast in diverse poetical schemes ranging from the formal classical pentameter of Milton or Tennyson to unformed lines to satisfy even the postiest of moderns but in fact most of the lines herein actually can it be scan and many oh no even rhyme sometimes obviously sometimes merely hinted at in surprising ways recalling Wallace Stevens s remark that one writes poetry out of a delight in the harmonious and orderly one will find here blank verse heroic couplets a touch of ottava rima numerous sonnets of various styles even just for fun a limerick and a finicky double dactyl also some rowdy cowboy poetry and other diverse schemes nearly as numerous as the pages herein **By Leaps and Bounds** Louis Daniel Brodsky,2012-07-10 Poetry The second and third years of a child s life are filled with the extraordinary ordinary events that are steppingstone rites of passage learning to walk and speak reveling in play and mischief enduring the travails of illness growing familiar with the world beyond the house where dogs rabbits and fireflies mesmerize curious eyes taking part in adventures with mom and dad vacations holidays visits to grandparents In this second book of a five volume series about his children Louis Daniel Brodsky chronicles the progress of his daughter as she grows by leaps and bounds and the evolution of his family which is soon to grow as well with the birth of a second child Guarangoddamnteeya! Louis Daniel Brodsky,2016-06-08 He s back L D Brodsky s working stiff from St Louis with his Bud Light hued worldview and his uniquely foul mouthed malapropistic takes on modern life and his own tenuous place in it This volume the title of which is our unlikely hero s trademark interjection brings together his narrations from seven of Brodsky s short fiction books in which he made spot appearances Together these episodes in the hilarious chronicle of a true American rough prove Brodsky s uncanny ability to satirize both the best and the worst of American culture You will never again experience anything like Guarangoddamnteeya guarangoddamnteeya Rabbi Auschwitz Louis Daniel Brodsky,2012-06-26 Poetry Jewish Studies RABBI AUSCHWITZ is not so much a book about the historical Shoah as it is about the psyche of a Jew who died fifty years too soon and who now considers his pen an oracular divining rod that may or may not stave off spiritual asphyxia It s all about the darkness of the mantra Which takes him away from himself and as we listen to the best poems here and observe toxic psychosis that still desires a reason for being we are appalled complicit nauseated and gratefully ambivalent as we by way of Brodsky s pounding and insistent voice survive forgetting to remember William Heyen **Once Upon a Small-Town Time** Louis Brodsky,2012-10-09 As the title of this collection suggests the poems in Louis Daniel Brodsky s Once upon a

Small Town Time have a soothing sort of lullaby quality characteristic of bedtime tales Conceived as a metaphoric road trip through three Midwestern towns and across a quarter century the poems are steeped in an uplifting nostalgia but without the cloying sentimentality The observations are fond even wistful but never anything but fair and clear and unexaggerated in their effect

The Collected Poems of Anselm Hollo Anselm Hollo, 2023-08-08 Wry and witty poems from an avant garde great collected in one volume for the first time The Collected Poems of Anselm Hollo gathers over five decades of the poet's multifaceted work into one elegant volume All of Hollo's trademark humor wisdom and charm is on display here for students and fans of contemporary poetry Warm insightful and delightfully observant this comprehensive collection from the author of over forty books serves as a reminder that poetry isn't just an aspiration or avocation but a way of life

Hellenistic Poetry David Sider, 2017 A major new collection of use to all students and scholars working on Hellenistic Greek poetry

Class and the Uses of Poetry Andrew Smith, 2024-08-17 This book provides new empirical evidence about the ways in which social inequalities especially those of class shape and delimit forms of cultural reception and creative opportunity How does it come about that in George Orwell's words the divorce between poetry and popular culture is accepted as a sort of law of nature Drawing on qualitative research conducted in and around Glasgow Poetry Class and Symbolic Violence explores how working class readers engaged with made sense of and contested a sense of exclusion from contemporary poetry In doing so it sheds light on the symbolic enclosure of poetry on how that enclosure takes shape in the encounter between readers and poems but also on why poetry continues to matter Through these conversations and in further interviews with unpublished poets it reflects on the creative and expressive affordances of poetry on what can be done with poetry and what it can make possible Sociologists have had little to say about poetry as a distinctive esthetic practice Poetry Class and Symbolic Violence tries to break that silence and to make a start on constructing a critical sociology of poetry for today

Profound Poetry C. B. Rutz, 2022-11-04 I started writing poems in prison for me and my buddies Writing poems for our moms wives and girlfriends I spent some time writing song lyrics but always came back to faith based poetry Two years ago I was looking to start dating through a dating website and told myself I was going to let God send me someone That someone is the reason for what I thought was just a hobby turned into me being a published poet I owe this book to my fiancée Greta Harman who had faith in me and my writings and who reached out to Page Publishing who also thought my writings were publishable So I give my thanks to God Greta and Page Publishing for making this book possible

Rebel Poet Louis V. Clark (Two Shoes), 2019-08-06 This eagerly anticipated follow up to the breakout memoir How to Be an Indian in the 21st Century delves more deeply into the themes of family community grief and the struggle to make a place in the world when your very identity is considered suspect In Rebel Poet More Stories from a 21st Century Indian author Louis Clark examines the effects of his mother's alcoholism and his young sister's death offers an intimate recounting of the backlash he faced as an Indian on the job and celebrates the hard fought sense of home he and his wife have created Rebel Poet continues the author's tradition of

these moving and insightful poems modeled after the Book of the Psalms Louis Daniel Brodsky gravely ill looks Death squarely in the face and answers with a series of unyielding affirmations a faith in God faith in human relationships faith in life s precious passing moments and undergirding and supporting all of these faith in the power and beauty of the poetic voice Women on Poetry Carol Smallwood,,Colleen S. Harris,Cynthia Brackett-Vincent,2012-01-23 In these 59 essays published female poets share a wealth of practical advice and inspiration Aimed at students and aspiring and experienced poets alike the essays address such topics as the women s collective writing experience tips on teaching in numerous contexts the publishing process and essential wisdom to aid the poet in her chosen vocation **Two Wings Poetry** Janice Louise Thompson,2024-12-24 As a child starting in the third grade I always loved creative writing This was the subject I liked best All of my writing seem to be poetic in form And with an imaginative power of rhyming It seemed that everything I wrote The first word would sound like the last For example love from above I never knew why this was As I grew older my writing did not Change very much Rhyming of words always made me smile I did not realize that this became my style of writing As I got older on into my adulthood As I would read the Bible Certain scriptures would peak my interest I would write off to the side what it meant to me Always in poetic style Such as Luke 8 15 those with a noble and good heart In the form of a poem I would scribble these poems on whatever Piece of paper that was Available and date it In 2009 I had a brain aneurysm During that time God was healing me I began putting these scribbles in dated order As I shared these poems and thoughts With my daughter and grandsons They were so inspired by them They encouraged me to write a book Of poems thoughts and quotes I started sharing with others As I was called on to recite my poems I was encouraged To publish them and share with others I amazed myself by what I had written I realized that it wasn t about me This was meant for others to read and see See with the spiritual eyes Paper Pen Poetry Patricia E. Hamblin,2010-08 I have always found it to be easier to put pen to paper when I express myself Hence poetry for me is a release or a haven depending on how I mean it at the time For months now I have mulled over the idea of putting this book together I have finally attempted to do just that Putting this book together has become more of a life journey for me because my poems were written at different stages of my life There are poems about being a daughter a young bride a new mother a college student a grandmother and unfortunately a widow Some of my poetry might be seen as depressive but these poems are also telling a story of the many detours and dark alleys I encountered and tried to avoid only to end up confronting them as best I could However in all of my journeys I had my poetry The earliest poem The Passing of An Indian I wrote when I was around twelve years old and the latest one Suffering I wrote about a month ago I have not saved all of my poems over the years but this little book contains a collection of many of them I currently live in Bellevue Nebraska I am the mother of five grown children and the grandmother of twelve Patricia Hamblin
