Keith Carter Photographs Keith Carter, 1997 Capturing the extraordinary within the ordinary moment seventy five black and white photographs many never before published span the artist's career and are accompanied by his own account of his life and artistic development in Beaumont Texas UP **Photographs by Keith Carter** Beaumont (Tex.). Art Museum, Betty W. Hirsch, Keith Carter, 1975 Keith Carter: Fifty Years, 2019-01-15 Dubbed a poet of the ordinary by the Los Angeles Times photographer Keith Carter came of age during the turbulent 60s and 70s developing a singular haunting style that captures both the grit and the glory of the human spirit Showcasing a broad array of his work which has been shown in more than one hundred solo exhibitions in thirteen countries Keith Carter Fifty Years spans delicate century old processes as well as digital age techniques to yield an enduring vision of the world around us The interlaced images in Keith Carter Fifty Years feature contrasts of natural light and darkness as we explore the mythos of time and terrain the familiar and the magical and the varied creatures that inhabit our earth The human form depleted or energized solitary or with a beloved partner becomes a meditation on aging and loss which have affected Carter profoundly in recent years Yet these losses have spurred in him a sense of discovery not despair Rather than arranging the works chronologically Carter chose to group them into correlations echoing the kaleidoscopic effect of memory The result is mesmerizing each artifact draws us into an experience of intensity and wonder enduring long after the page is turned *Mojo* Keith Carter, Rosellen Brown, 1995-08 *A Certain Alchemy* Keith Carter, 2008-10 A gallery of haunting evocative new work by internationally acclaimed photographer Keith Carter Keith Carter Keith Carter, 1993 **Natural Histories** Keith Carter, Art Museum of Southeast Texas, 2000 An unusual and beautifully designed catalogue for an exhibition of Keith Carter's photography at the Art Museum of Southeast Texas Beaumont TX November 10 2000 February 18 2001 *Fireflies*, 2009-10-15 In Fireflies Keith Carter presents a magical gallery of photographs of children and the world they inhabit The collection includes both new work and iconic images such as Fireflies The Waltz Chicken Feathers Megan's New Shoes and Angel selected from all of Carter's rare and out of print books When making these images Carter often asked the children do you have something you would like to be photographed with This creative collaboration between photographer and subject has produced images that conjure up stories dreams and imaginary worlds Complementing the photographs is an essay in which Carter poetically traces the wellsprings of his interest in photographing children to his own childhood experiences in Beaumont Texas As he recalls days spent exploring in the woods and creeks it becomes clear that his art flows from a deep reservoir of sights and sounds imprinted in early childhood A lyrical meditation on the joys wonders and anxieties of childhood Fireflies brings us back to the small truths that are often pushed aside or forgotten when we become adults **Mojo** Keith Carter, 1992 Keith Carter pursues an edgy fascination with mojo in a series of photographs that capture an instant of time charged with the inexplicable animating energy of the particular Publisher description *Opera Nuda* Keith Carter, 2005 This book features

nudes which reveal heretofore unknown aspect of the author s work **Keith Carter** Keith Carter,Houston Center for Photography,1995 From Uncertain to Blue ,1988 In the beginning there was no real plan just a road trip that became a journey In the years 1986 and 1987 Keith Carter and his wife Patricia visited one hundred small Texas towns with intriguing names like Diddy Waw Diddy Elysian Fields and Poetry He says I tried to make my working method simple and practical one town one photograph I would take several rolls of film but select only one image to represent that dot on my now tattered map The titles of the photographs are the actual names of the small towns Carter created a body of work that evoked the essence of small town life for many people including renowned playwright and fellow Texan Horton Foote Amazon com
