Kemet And Other Ancient African Civilizations:

Kemet and Other Ancient African Civilizations, 1991 A bibliography of Black Kemet *History in Black* Yaacov Shavit, 2013-11-12 The development of Afrocentric historical writing is explored in this study which traces this recording of history from the Hellenistic Roman period to the 19th century Afrocentric writers are depicted as searching for the unique primary source of culture from one period to the next Such passing on of cultural traits from the ancient model from the classical period to the origin of culture in Egypt and Africa is shown as being a product purely of creative history

Resistance Stories from Black History for Kids Rann Miller, 2023-03-07 A Simon Schuster eBook Simon Schuster has a great book for every reader Breaking the Chains: The African Americans Struggles in America Patricia A. Caple, 2024-01-09 This is about the struggles of the African American people from being captured as slaves their travel to America in the middle passage to the southern plantations thru the civil rights movement to today treatment in the 21st **African Intellectual Heritage** Abu Shardow Abarry, 1996 Organized by major themes such as creation stories and resistance to oppression this collection gather works of imagination politics and history religion and culture from many societies and across recorded time Asante and Abarry marshal together ancient anonymous writers whose texts were originally written on stone and papyri and the well known public figures of more recent times whose spoken and written words have shaped the intellectual history of the diaspora Within this remarkably wide ranging volume are such sources as prayers and praise songs from ancient Kemet and Ethiopia along with African American spirituals political commentary from C L R James Malcolm X Mary McLeod Bethune and Joseph Nyerere stirring calls for social justice from David Walker Abdias Nacimento Franzo Fanon and Martin Luther King Jr Featuring newly translated texts and ocuments published for the first time the volume also includes an African chronology a glossary and an extensive bibliography With this landmark book Asante and Abarry offer a major contribution to the ongoing debates on defining the African canon Author note Molefi Kete Asanteis Professor and Chair of African American Studies at Temple University and author of several books including The Afrocentric Idea Temple and The Historical and Cultural Atlas of African Americans Abu S Abarryis Assistant Chair of African American Studies at Temple University Out of the Revolution Delores P. Aldridge, Carlene Young, 2000-11-01 The introduction of Black studies programs into institutions of higher education was a direct response to the mandate for change at all levels that characterized the civil rights movement and the social rebellions of the 1950s and 1960s In Out of the Revolution Delores P Aldridge and Carlene Young collect thirty one of the nation s top scholars to provide a complete reference for understanding the impetus for the development of and future considerations for the discipline of Africana studies Topics addressed include epistemological considerations humanistic perspectives the role of bureaucracy and the academic institution the social psychological political and economic dimensions the position of black women in the field and how the discipline has empowered the black student This invaluable resource for educators and students alike concludes

with a look at graduates in Africana studies and their careers and a discussion of the future of the field Travel and the Pan African Imagination Tracy Keith Flemming, 2021-09-02 Travel and the Pan African Imagination explores the African Atlantic world as a productive theater or space where modernity racialized dominance and racialized resistance took form The book stresses the importance of placing three Atlantic figures the Charleston South Carolina based armed resistance leader Denmark Vesey the West African emigration advocate Edward Wilmot Blyden and the Christian missionary and teacher in Liberia as well as the United States Alexander Crummell within an Atlantic context and as African world community figures between the late eighteenth and early twentieth centuries. The book also examines the religious origins of Black Power ideology and modern Pan Africanism as products of the intense dialogue within the African world community about concepts of modernity progress and civilization Tracy Keith Flemming identifies how travel and social mobility led to the generation of an ever more complex and dynamic Atlantic world and of a fluid and adaptive African world community imagination for those figures who were forced to operate within and against a racially framed universe The vexing social position and symbolic figure of the African was central to the dilemmas facing the racialized imagination of African world community figures and the discipline of Africology **Afrocentrism** Stephen Howe, 1999-08-17 For centuries racist colonial and Eurocentric bias has blocked or distorted knowledge of Africans their histories and cultures resulting in a counter mythology claiming the innate superiority of African descended peoples In this provocative study historian Stephen Howe challenges this Afrocentric rewriting of African history 16 photos Copyright Libri GmbH All rights reserved the African Worldview Association for the Study of Classical African Civilizations. The SAGE Encyclopedia of African Cultural Heritage in North America Mwalimu J. Shujaa, Kenya J. Shujaa, 2015-07-13 The Encyclopedia of African Cultural Heritage in North America provides an accessible ready reference on the retention and continuity of African culture within the United States Our conceptual framework holds first that culture is a form of self knowledge and knowledge about self in the world as transmitted from one person to another Second that African people continuously create their own cultural history as they move through time and space Third that African descended people living outside of Africa are also contributors to and participate in the creation of African cultural history Entries focus on illuminating Africanisms cultural retentions traceable to an African origin and cultural continuities ongoing practices and processes through which African culture continues to be created and formed Thus the focus is more culturally specific and less concerned with the broader transatlantic demographic political and geographic issues that are the focus of similar recent reference works We also focus less on biographies of individuals and political and economic ties and more on processes and manifestations of African cultural heritage and continuity FEATURES A two volume A to Z work available in a choice of print or electronic formats 350 signed entries each concluding with Cross references and Further Readings 150 figures and photos Front matter consisting of an Introduction and a Reader's Guide organizing entries thematically to more easily guide users to related entries Signed articles concluding with cross references **Achieving Blackness** Algernon Austin, 2006-04-10 Achieving Blackness offers an important examination of the complexities of race and ethnicity in the context of black nationalist movements in the United States By examining the rise of the Nation of Islam the Black Power Movement of the 1960s and 1970s and the Afrocentric era of the 1980s through 1990s Austin shows how theories of race have shaped ideas about the meaning of Blackness within different time periods of the twentieth century Achieving Blackness provides both a fascinating history of Blackness and a theoretically challenging understanding of race and ethnicity Austin traces how Blackness was defined by cultural ideas social practices and shared identities as well as shaped in response to the social and historical conditions at different moments in American history Analyzing black public opinion on black nationalism and its relationship with class Austin challenges the commonly held assumption that black nationalism is a lower class phenomenon In a refreshing and final move he makes a compelling argument for rethinking contemporary theories of race away from the current fascination with physical difference which he contends sweeps race back to its misconceived biological underpinnings Achieving Blackness is a wonderful contribution to the sociology of race and African American Studies
