Kens Guide To The Bible:

Ken's Guide to the Bible Ken Smith, 1995 An insider's guide to the Bible with a focus on sex, gore and lunacy *Bro.*
Ken's Guide to Fun & Games with the Bible Kenneth C. Featherston, 1987 Off the Hook Earl Wayne Heflinger, 2018-03-15
The author uses his own personal story of being born into a Christian fundamentalist family with extreme beliefs to paint a vivid picture of what life is like in toxic ideologies such as fundamentalist religion. The book has three parts. The first describes the spiritual abuse of his childhood due to stifling rules and restrictions inflicted by his parents caught up in their church's teachings on his thought processes and behavior. The remarkably poignant stories show in painful detail how his self-esteem was crushed, how he was never intended to think for himself and how he was made to feel different and totally out of place in the world all by loving but misguided parents. During his school days his social life was severely stunted because he felt like an outsider everywhere but in church. The second part discusses his lifelong struggle with spiritual healing and his transition from a spoon-fed belief system to a personally chosen worldview. He thoughtfully muses about all the significant elements of religious spiritual belief systems: God, Jesus, the Bible, sin, morality, science, life after death, marriage, divorce and others, and contrasts his evolving beliefs with those of organized religion. This is presented to give the reader a comprehensive illustration of how one particular seeker has constructed a personalized belief system through continual rethinking and updated understanding. The third part calls on the author's advanced education and professional experience in business and government in analyzing and developing systems and procedures. It describes with a wealth of tips and checklists the process by which he escaped a toxic ideology and came to feel intellectually free and off the hook. It ends with heartfelt encouragement for anyone similarly affected by repression to accept all available helpful resources and muster the determination to claim their personal power.

Oh, Your God! Joshua Kelly, 2016-01-05 This book is not just for atheists but for antitheists for people who celebrated the writing of Christopher Hitchens and miss his voice. Making the provocative assertion that the entire enterprise of organized religion is a thing for which the world and our species would have been better without, *Oh Your God* follows in the footsteps of the material observations of Lucretius, Epicurus and Democritus and the more recent antitheistic arguments of Christopher Hitchens and Richard Dawkins. Drawing from timeless philosophers, modern debates, historical events and current social climates, Joshua Kelly illustrates the shameful and debilitating damage religion has caused and continues to cause whether to our psyches, our bodies, our societies or our world. Citing the murders of Nigeria's witch children, the subversion of sexual emancipation, the tethers of slavery, the attacks of September 11, the pseudomorality of monotheistic mythology, the subjugation of women and much more, he provides an abundance of damning evidence to back up his claims. Only by acknowledging and grappling with the real and potential dangers of religion, he argues, will we be able to thrive and develop as a species.

Jesus Is the Way, Truth, Life Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you

deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don't laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest $1 + 1 = \textit{God}$ Michael Pietrzyk, 2017-06-15 What do you do when family and friends doubt the existence of God How do you respond and are your Christian core beliefs on solid ground Mike decided to research the atheist beliefs and confirm his natural belief in God and Jesus Over three years Mike read no less than eighty four books by both Christian and atheist authors and reviewed multiple debates between Christians and atheists In doing so he established his common sense viewpoints that God's wisdom is present in this Universe Mankind Salvation and the Supernatural This book is a compilation of Mike's common sense viewpoints which are simple to understand They are substantiated through the research writings of various Christian authors The main concern of this book is that when your spirit leaves this life you will have eternal happiness in the presence of Jesus Validation of Mike's confirmation is his own supernatural experience of God's protection which was outside the boundaries of science The atheist premise that nothing happens outside the rules of science falls apart with Mike's experience and the experiences of many many others This book is an excellent source not just if you are searching for answers about Christianity and atheism but it's an affirmation that God is love **A Time to Reason**, Thomas Ken Frederick Arthur Clarke, 1896

The Ken Commandments Ken Baker, 2017-09-12 From New Age spirituality to Bible based Christianity to Scientology to Buddhist retreats to meditation classes to Atheism studies to the mega church of the nation's top TV preacher journalist Ken Baker immerses himself in a range of spiritual practices side by side with the celebrity set revealing a Hollywood that is deeper more questioning and more God centered than you'd ever imagine **Welcome to My Mind** Abné M. Eisenberg Ph.D., 2013-02-04 This is the perfect book for an intellectually bored individual In it the author shares a serendipitous

collection of his thoughts on a wide variety of conventional and unconventional topics Professor Eisenberg has spent the past six decades challenging his students to think outside the proverbial box Whenever he would ask them a question and they answered I don't know he would say I know that you don't know but what do you think Using this Socratic Method opened their minds and encouraged them to take risks Convinced that a good question outweighs a hundred trite answers the author has included a section of the book in which he asks himself a question and then proceeds to answer it His favorite question is What one word best describes your life His answer was Creative The reader should come away from this book with a deeper understanding of why he chose the title Welcome to my mind He enthusiastically agrees with the following quotation Whatever we possess becomes double value when we have the opportunity of sharing it with others Jean Nicholas Bouilly 1763-1842

What It Means to Be Moral Phil Zuckerman, 2020-09-15 A thoughtful perspective on humans capacity for moral behavior Kirkus Reviews A comprehensive introduction to religious skepticism Publishers Weekly In What It Means to Be Moral Why Religion Is Not Necessary for Living an Ethical Life Phil Zuckerman argues that morality does not come from God Rather it comes from us our brains our evolutionary past our ongoing cultural development our social experiences and our ability to reason reflect and be sensitive to the suffering of others By deconstructing religious arguments for God based morality and guiding readers through the premises and promises of secular morality Zuckerman argues that the major challenges facing the world today from global warming and growing inequality to religious support for unethical political policies to gun violence and terrorism are best approached from a nonreligious ethical framework In short we need to look to our fellow humans and

within ourselves for moral progress and ethical action In this brilliant provocative and timely book Phil Zuckerman breaks down the myth that our morality comes from religion compellingly making the case that when it comes to the biggest challenges we face today a secular approach is the only truly moral one Ali A Rizvi author of *The Atheist Muslim* **Ken Ham Daily** Ken Ham,2024-12-04 A Powerful Resource to Equip You with Biblical Truths for Everyday Life Ken Ham Daily 365 Musings Inspirations Answers is an essential resource for Christian parents looking to strengthen their family s faith and equip their children to stand firm in today s culture This collection of 365 daily readings by renowned apologist Ken Ham offers a unique opportunity to guide your family through biblical truths that address the most pressing spiritual and cultural issues of our time Perfect for family devotions Ken Ham Daily encourages parents to take the lead in discipling their children With each reading you can easily guide your family through topics like the nature of God salvation the authority of Scripture and the importance of the church These reflections are also a powerful resource for your church community offering daily lessons that can be shared in small groups Bible studies and Sunday school classes Ken Ham s fifty years of ministry experience have culminated in this incredible resource designed to help Christian families like yours live out their faith with confidence Ken Ham Daily isn t just a book it s a tool for cultivating a strong lasting biblical foundation in your home and church Let this resource help you lead your family in faith one day at a time Mental Hygiene Ken Smith,1999 Mental Hygiene is packed with detailed descriptions of hundreds of crazed funny terrifying films and explains why they were made who made them and what happened to them **BOOK JACKET** Reformation of Prayerbooks Chaoluan Kao,2017-11-13 In her study Chaoluan Kao offers a comprehensive investigation of popular piety at the time of the European Reformations through the study of sixteenth and seventeenth century Protestant prayerbooks It pursues a historical contextual approach to spirituality by integrating social and religious history in order to yield a deeper understanding of both the history of Christian piety and of church history in general The study explores seven prayerbooks by German authors and seventeen English prayerbooks from the Reformation and post Reformation as well as from Lutheran Anglican and Puritan traditions examining them as spiritual texts with social and theological significance that helped disseminate popular understandings of Protestant piety Early Protestant piety required intellectual engagement emphasized a faithful and heartfelt attitude in approaching God and urged regular exercise in prayer and reading Early Protestant prayerbooks modeled for their readers a Protestant piety that was a fervent spiritual practice solidly grounded in the social context and connections of its practitioners Through those books Reformation could be understood as redefining the meanings of people s spiritual lives and re discovering of a pious life In a broader sense they functioned as a channel of historical and spiritual transition which not only tells us the transformation and transmission of Reformation historically but also signifies the development of Christian spirituality The social historical study of the prayerbooks furthers our understanding of continuity change and inter confessional influence in the Christian piety of early modern Europe *Richard Dawkins' God Delusion: A Critique* Paweł Bloch,2014-02-23 Richard

Dawkins God Delusion is not only a fascinating battle with the book written by the famous British atheist It is a clash of two epochs the old atheistic school of the XIX and XX centuries full as it turns out of an irrational chaos of assertions contradictions and intolerance with the modern Christianity of XXI century focused on the accuracy consistency and objectivity of the presented position It is a confrontation of two different worldviews philosophical and biological in a dispute about the value system based on modern scientific achievements of man There are also other works by dr Pawe Bloch Ateistoteles and The Great Dictator yet still in preparation The Prose Works of the Right Rev.
