Kevins Cousins:

The Mystery of the Magi's Treasure Elspeth Campbell Murphy, 1995 It's Sarah Jane Titus and Timothy from the Three Cousins Detective Club. The three ten-year-olds are ready to learn about favorite proverbs from the Bible while solving more exciting adventure-filled mysteries. In *The Mystery of the Magi's Treasure*, Timothy Dawson and his cousins are stuck playing the Three Wise Men in a Christmas in July celebration. It's the hottest day of the year, and the cousins are dressed in long robes and heavy crowns. When stolen treasures are shoved into their hands, the TCDC have to come up with a plan to return them to their owner, but the thief is watching. Theme: Goodness. **A Surgeon in the Army of the Potomac** Francis M.

, A.R. Cunanan, 2023-04-10 A single woman's journey with her twenty-four points of life: this is the tale of the youngest of four raised by quasi-empty-nester parents in the fast-growing suburbs of Chicago. Through several political assassinations, a deadly tornado, and absent siblings, by the tender age of ten, Anna quickly grew accustomed to a life of solitude and a developing self-competence. Leading the way as mentors, Anna's three older siblings acted as superb role models, even if from a distance. Along with guidance from her aging parents, she learned the importance of a robust education, a healthy work ethic, and being kind to others. Sadly, Anna was never able to conceive children, but rather found herself traveling across the country and uncoupling from ex-husbands as the fertile years faded. To stay afloat financially, Anna earned college degrees while working full-time jobs, quenching her thirst for knowledge while cultivating vital skills. She focused on nurturing new and lifelong friendships, building a list of invigorating hobbies, and learning to enjoy her own company, especially as sibling rivalry reared its ugly head. Her twenty-four points of life unmistakably lay the groundwork for solo success for women and men alike.

Return to Arcadia H. Nigel Thomas, 2007 When at age 51, Joshua Clair emerges from amnesia in a hospital in Montreal, he must explore what makes him want to erase his identity and must undertake the process of exorcising what has brought him to this pass. This is the gripping story of a man's search for sanity. **The New York State Directory**, 2009 *We Are All Armenian* Aram Mrjoian, 2023-03-14 A collection of essays about Armenian identity and belonging in the diaspora. In the century since the Armenian Genocide, Armenian survivors and their descendants have written of a vast range of experiences using storytelling and activism, two important aspects of Armenian culture. Wrestling with questions of home and self, diasporan Armenian writers bear the burden of repeatedly telling their history as it remains widely erased and obfuscated. Telling this history requires a tangled balance of contextualizing the past and reporting on the present of respecting a culture even while feeling lost within it. *We Are All Armenian* brings together established and emerging Armenian authors to reflect on the complications of Armenian ethnic identity today. These personal essays elevate diasporic voices that have been

historically silenced inside and outside of their communities including queer multiracial and multiethnic writers The eighteen contributors to this contemporary anthology explore issues of displacement assimilation inheritance and broader definitions of home Through engaging creative nonfiction many of them question what it is to be Armenian enough inside an often unacknowledged community *Official Gazette of the United States Patent and Trademark Office* United States.
