Doowop Robert Pruter, 1996 The Chicago Tribune s Bill Dahl praised Robert Pruter s Doowop for vividly describing an enchanting time on the local music scene when a handful of teenagers could taste rock n roll stardom with harmonies they cooked up on a street corner Pruter foraged sources from fanzines to the Chicago Defender and conducted extensive interviews in cooking up Doowop which chronicles the careers of such legendary 1950s groups as the Flamingos the Moonglows the Spaniels and the El Dorados along with virtually every other Chicago doowop group that contributed to that era

Swamp Pop Shane K. Bernard, 2009-09-23 Music of Louisiana was at the heart of rock and roll in the 1950s Most fans know that Jerry Lee Lewis one of the icons sprang out of Ferriday Louisiana in the middle of delta country and that along with Carl Perkins and Elvis Presley he was one of the very first of these white boys playing black music The genre was

profoundly influenced by New Orleans a launch pad for major careers such as Little Richard's and Fats Domino's The untold rest of the story is the story of swamp pop a form of Louisiana music more recognized by its practitioners and their hits than by a definition What is it What true rock enthusiasts don't know some of its most important artists Dale and Grace I'm leaving It Up to You Phil Phillips Sea of Love Joe Barry I'm a Fool to Care Cooke and the Cupcakes Mathilda Jimmy Clanton Just a Dream Johnny Preston Runnin Bear Rod Bernard This Should Go on Forever and Bobby Charles Later Alligator There were many others just as important within the region Drawing on more than fifty interviews with swamp pop musicians in South Louisiana and East Texas Swamp Pop Cajun and Creole Rhythm and Blues finds the roots of this often overlooked sometimes derided sister genre of the wildly popular Cajun and zydeco music In this first book to be devoted entirely to swamp pop Shane K Bernard uncovers the history of this hybrid form invented in the 1950s by teenage Cajuns and black Creoles They put aside the fiddle and accordion of their parents traditional French music to learn the electric guitar and bass saxophone upright piano and modern drumming trap sets of big city rhythm and blues Their new sound interwove country and western and rhythm and blues with the exciting elements of their rural Cajun and Creole heritage In the 1950s and 1960s American juke boxes and music charts were studded with swamp pop favorites **Technical Bulletin**, 1935 *Cotton Production in Egypt* Perry Kenton Norris, 1934 *American Poland-China Record* American Poland-China Record Association, 1919

Queer Tracks: Subversive Strategies in Rock and Pop Music Doris Leibetseder, 2016-05-23 Queer Tracks describes motifs in popular music that deviate from heterosexual orientation the binary gender system and fixed identities This exciting cutting edge work deals with the key concepts of current gender politics and queer theory in rock and pop music including irony parody camp mask masquerade mimesis mimicry cyborg transsexuality and dildo Based on a constructivist concept of gender Leibetseder asks Which queer feminist strategies are used in rock and pop music How do they function Where do they occur Leibetseder's methodological process is to discover subversive strategies in queer theory which are also used in rock and pop music without assuming that these tactics were first invented in theory Furthermore this book explains where exactly the subversiveness is situated in those strategies and in popular music With the help of a new kind of knowledge transfer the author combines sociological and cultural theories with practical examples of rock and pop music The subversive character of these queer motifs is shown in the work of contemporary popular musicians and is at the same time related to classical discourses of the humanities Queer Tracks is a revised translation of *Queere Tracks Subversive Strategien in Rock und Popmusik* originally published in German **Shire Horse Stud Book** Shire Horse Society, 1928 **Duroc-Jersey Swine Record Association**, 1917 **Billboard**, 1986-02-22 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Goldmine's Price Guide to Collectible Record Albums, 1949-1989** Neal Umphred, 1993 California. of Appeal (1st Appellate District). Records and Briefs California (State)., Number of Exhibits 9 Received document entitled APPENDIX TO PETITION FOR WRIT OF MANDATE University-Industry Technology Transfer in the UK: Emerging Research and Opportunities Wynn, Martin, 2018-12-21 Since the turn of the century technology transfer and innovation has played an increasingly important role in government policy for reinvigorating and supporting a country's industry. This has been fueled by technology transfer from third parties such as universities but due to the rapid evolution of the external environment of technology companies require regular upgrades to information systems and technical infrastructure and adjustments. University Industry Technology Transfer in the UK: Emerging Research and Opportunities provides innovative insights into how technology transfer has operated in university company projects undertaken in small to medium sized enterprises. Highlighting 19 different cases drawn from companies in the regions adjoining the University of Gloucestershire UK from a qualitative case study approach the content within this publication analyzes contract packers, the manufacturing industry and research organizations. It is a vital reference source for managers, business owners, education administrators, researchers, academicians, professionals, policymakers and graduate level students seeking coverage on topics centered on case examples of technology transfer projects in different industry sectors. *Mississippi River Ports Below and Above New Orleans, Louisiana*, 2003 Port Series, 1979 **The Desiring-Image** Nick Davis, 2013-06-03 The *Desiring Image* yields new models of queer cinema produced since the late 1980s based on close formal analysis of diverse films as well as innovative contributions to current film theory. The book defines queer cinema less as a specific genre or in terms of gay and lesbian identity but more broadly as a kind of filmmaking that conveys sexual desire and orientation as potentially fluid within any individual's experience and as forces that can therefore unite unlikely groups of people along new lines socially, sexually or politically. The films driving this analysis range from celebrated fixtures of the New Queer Cinema of the 1990s including Cheryl Dunye's *The Watermelon Woman* and Todd Haynes's *Velvet Goldmine* to sexually provocative films of the same era that are rarely classified as queer: David Cronenberg's *Dead Ringers* and *Naked Lunch* to breakout films by 21st century directors Rodney Evans's *Brother to Brother*, John Cameron Mitchell's *Shortbus*. To frame these readings and to avoid heterosexist assumptions in other forms of film analysis, *The Desiring Image* revisits the work of the philosopher Gilles Deleuze whose two major works on cinema somehow never address the radical ideas about desire he expresses in other texts. This book brings those notions together in innovative ways, making them clear and accessible to newcomers and field specialists alike with clear illustrated examples drawn from a wide range of movies extending beyond the central case studies. Thus *The Desiring Image* speaks to readers interested in queer and gay/lesbian studies in film theory, in feminist and sexuality scholarship and in theory and philosophy, putting those discourses into rich, surprising conversations with popular cinema of the last 30 years.
