**Harry Vardon** Bill Williams,2015-02-28 The authors objective is to provide to the reader as near as possible a definitive record of the playing career of one of the best golfers who has ever lived In addition as happens with many researchers it is inevitable that such a project will stray into other related areas for example other people or linked events To illustrate JFK assassination conspiracy theorists would no doubt have studied events surrounding Bobby Kennedy or Martin Luther King or indeed the Mafia who some say were linked to that fateful event in November 1963 Similarly with my writings about Harry Vardon I feel it important to illustrate to the reader how the life of a professional golfer differs in Vardons era to that of a present day PGA Tour player How golf evolved will also provide the reader with a basis for making comparisons between players of yesteryear with those of today and how difficult such comparatives might be What was the norm in the late nineteenth century is quite different from today and I believe the reader should be aware of that before making a judgment about someone like Harry Vardon This book therefore is not only a diary of Harry Vardons playing career but also a history of golf which I sincerely hope the reader will find fascinating of interest and enjoyable Any deviations from the subject matter therefore are intended to provide a backdrop and hopefully a better understanding of what golf was like in Vardons era

**Recreation** ,1927 [The Lost Revelation](#) Ira Messenger,2007-12 Providing us with the only known revelation of the Gospel according to substitution a new and exciting interpretation of biblical truth Ira Messenger is probably the most controversial theologian of our day Author of the books *The Wrong Turn* *The Fourth Dimension* and *The Indictment* Messenger is also a radio and television talk show host *The Lost Revelation* offers answers to questions that his listening audience has submitted What makes Messenger so controversial is his attack on the mantra of present day Christianity Messenger brings a different perspective to biblical interpretation one in which God takes the initiative in His relationship with humankind rather than simply observing and judging its actions Do yourself a favor and add the revelation of the Gospel of Substitution to your religious perspective You may find yourself questioning much of what you believed to be true about Christianity
