*Handbook for Congregational Studies* Jackson W. Carroll, Carl S. Dudley, William McKinney, 1986      **Handbook for Congregational Studies** Jackson W. Jt. Ed Carroll, 1986      **Studying Congregations** Nancy Tatom Ammerman, Jackson W. Carroll, 1998 This handbook for seminarians and clergy professionals places the congregation itself rather than individual scholarly disciplines at the center of congregational analysis Using a comprehensive systems approach to congregations this volume enables readers to analyze the ministries stories and processes that are at work in congregations It provides techniques for studying the congregation as well as a framework for understanding the nature of the congregation      Rural Congregational Studies Loyle Shannon Jung, Mary A. Agria, 1997 Nearly all pastors sent to rural congregations were nurtured in larger urban congregations and nearly always educated in urbanized seminaries A wide culture gap between leaders and members often emerges among the church leaders in rural congregations This book is designed to address and study the issues that arise when ordained and lay pastors are called or appointed to rural congregations This handbook will orient seminary students and pastors who are doing ministry in rural congregations It focuses on the nature of congregational life in such a setting showing ways to deal with the issues and challenges specific to rural culture The authors tell how to best engage in evangelism and mission in the particular locations in which these congregations find themselves Rural Congregational Studies A Guide for Good Shepherds outlines features of different rural settings that affect life and church life Each chapter contains a section of resources sidebars ideas programs and so forth that tie it to the chapter theme

**Studying Local Churches** Helen Cameron, Philip J. Richter, Douglas Davies, 2005-03-31 This practical handbook aimed at final year undergraduates Masters level students student ministers church leaders and policy makers interested in local faith communities guides readers through the various tools methods of analysis and research skills needed for studying local churches This resource takes full account of the UK context and is an ideal basis for students undertaking research projects and dissertations After an historical overview the handbook identifies theoretical foundations for the study of local churches drawing on the 4 disciplines of anthropology sociology organisational studies and theology Guidance is provided on both quantitative and qualitative research methods Research processes covered include such issues as selecting a church gaining access selecting methods analysing data maintaining confidentiality research reflexivity and completing the final report There is also a critical review of existing literature as well as case studies and worked examples demonstrating how key concepts from the 4 disciplines apply to actual local churches The handbook contains a wide range of contributors with extensive theoretical and practical experience of studying local churches      **Congregational Studies in the UK** Karin Tusting, 2017-03-02 This book presents the first comprehensive introduction to congregational studies in the UK Through a series of innovative essays it explores the difference that the increasingly post Christian nature of British society is making to life in Christian congregations and compares this to the very different scenario which exists in the USA Contributions from

leading scholars in the field include rich case studies of local communities and theoretical analyses which reflect on issues of method and develop broader understandings Congregational studies is revealed as a rich and growing field of interest to scholars across many disciplines and to those involved in congregational life

**Ritual Practices in Congregational Identity Formation** Timothy D. Son, 2014-05-08 Ritual Practices in Congregational Identity Formation investigates the educational roles of ritual practices in the process of congregational identity formation Son identifies and analyzes various kinds of Christian rituals with respect to how rituals influence the formational processes of a congregation's identity Based on Victor Turner's ritual theory this book also investigates the pedagogical and transformative efficacies of ritual practices within the dynamics of congregational education

Congregation & Community Nancy Tatom Ammerman, Arthur Emery Farnsley, 1997 Why do some religious institutions decline in the face of racial integration whilst others grow How do congregations deal with economic distress This study of congregations in the face of community transformation includes stories of over 20 congregations in nine communities across America

**The Science of Congregation Studies** Leslie J. Francis, David W. Lankshear, 2022-01-01 During the past two decades the Science of Congregation Studies has blossomed significantly in the UK as well as within the USA and Australia In this illuminating and thought provoking volume Leslie J Francis research group draws on the Signs of Growth Survey conducted throughout the Anglican Diocese of Southwark to illustrate how the strength of combined qualitative and quantitative research methods can draw on the insights of psychological theory sociological theory and empirical theology to illuminate pressing questions of relevance to the sociology of religion psychology of religion practical theology and pastoral studies Individual chapters discuss the missing generation of young people the greying generation aged seventy and over how occasional churchgoers express belonging and commitment connections between psychological type and religious motivation and the distinctive characteristics of growing congregations

**Studying Congregational Music** Andrew Mall, Jeffers Engelhardt, Monique M. Ingalls, 2021-02-15 Studying the role of music within religious congregations has become an increasingly complex exercise The significant variations in musical style and content between different congregations require an interdisciplinary methodology that enables an accurate analysis while also allowing for nuance in interpretation This book is the first to help scholars think through the complexities of interdisciplinary research on congregational music making by critically examining the theories and methods used by leading scholars in the field An international and interdisciplinary panel of contributors introduces readers to a variety of research methodologies within the emerging field of congregational music studies Utilizing insights from fields such as communications studies ethnomusicology history liturgical studies popular music studies religious studies and theology it examines and models methodologies and theoretical perspectives that are grounded in each of these disciplines In addition this volume presents several key issues to ground these interpretive frameworks in the context of congregational music studies These include topics like diaspora ethics gender and migration This book is a new milestone in

the study of music amongst congregations detailing the very latest in best academic practice As such it will be of great use to scholars of religious studies music and theology as well as anyone engaging in ethnomusicological studies more generally

**The Parish Is the Issue** Loren B. Mead, 2015-08 Memoir of respected and nationally known founder of The Alban Institute Reflections on changes in congregational development theory over 40 years Navigating the treacherous waters of congregational and cultural change can be daunting but knowing that others have come safely through those waters before can make the journey less unsettling As founder and president of The Alban Institute Loren Mead helped hundreds of churches steer around the shoals and whirlpools In this new book he reflects on what he learned over five decades of ministry and leadership and offers inspiration for a new generation of leaders seeking to create change

**American Parishes** Gary J. Adler, Tricia C. Bruce, Brian Starks, 2019-07-02 Parishes are the missing middle in studies of American Catholicism Between individual Catholics and a global institution the thousands of local parishes are where Catholicism gets remade American Parishes showcases what social forces shape parishes what parishes do how they do it and what this says about the future of Catholicism in the United States Expounding an embedded field approach this book displays the numerous forces currently reshaping American parishes It draws from sociology of religion culture organizations and race to illuminate basic parish processes like leadership and education and ongoing parish struggles like conflict and multiculturalism American Parishes brings together contemporary data methods and questions to establish a sociological re engagement with Catholic parishes and a Catholic re engagement with sociological analysis Contributions by leading social scientists highlight how community geography and authority intersect within parishes It illuminates and analyzes how growing racial diversity an aging religious population and neighborhood change affect the inner workings of parishes Contributors Gary J Adler Jr Nancy Ammerman Mary Jo Bane Tricia C Bruce John A Coleman S J Kathleen Garces Foley Mary Gray Brett Hoover Courtney Ann Irby Tia Noelle Pratt and Brian Starks

**Preaching as Local Theology and Folk Art** Leonora Tubbs Tisdale, 1997 Showing that good sermons are really local theology and folk art Princeton s Leonora Tubbs Tisdale tells how to analyze a congregation to fit a sermon to the audience The book then gives practical help for preparing and delivering sermons that are meaningful and appropriate Tisdale draws from contextual theology and congregational studies

**Producing the Sacred** Robert Wuthnow, 1994 What is public religion How does it manifest the sacred Wuthnow states that cultural expressions religious or otherwise do not simply happen but are produced He considers the major organizational forms that produce public religion shows how they shape public religion s messages and reveals the implicit and unintended ways in which the sacred is expressed in modern society

**Practical Theology in Church and Society** Joseph E. Bush Jr., 2016-07-20 The church exists in the world and our ministry is inextricably social in nature Practical theology takes this seriously and asks us to reflect on our practice of ministry in both church and society This book attends to our practice as individuals in ministry to our corporate practice as congregations in ministry and to our practice as Christians

within the wider social and natural world Practical Theology in Church and Society brings into sharper focus two perspectives on practical theology One is the view through the wide angle lens of justice oriented action which hopes for liberation This view encompasses a broad vista of social forces for justice and injustice when evaluating local movements and local ministries The other perspective takes the narrower focus of the action reflection model as it is used to zoom in on individual actions and particular practices of ministry such as pastoral care The purpose of the book is to integrate these two perspectives on practical theology It explicates a cyclical method for doing theology that has corollaries within the disciplines of practical theology liberation theology missiology congregation studies and ministerial leadership The volume provides resources for developing more socially and ecologically engaged ministries and it draws implications for ministerial education

**Teaching Our Story** Larry A. Golemon, 2010-01-31 Teaching Our Story is based on the premise that as congregations become intentional story forming communities they can shape the lives of millions of generative faithful and civic minded adults To do so a framework that relates narrative work to the full range of congregational life is needed This book offers such a framework featuring essays that examine crucial shapers of narrative outline a course in preaching that addresses crucial questions for today's church leaders illuminate the creative power of listening to the collective stories of a faith community and observe what can happen when first year seminary students are asked to become story brokers integrating the stories from their communities with biblical stories their own personal stories and the theological doctrines formed within the story of their tradition

**Joining God, Remaking Church, Changing the World** Alan J. Roxburgh, 2015-07-01 Exhausted with trying to fix the church It's time to turn in a new direction back to the Holy Spirit In this insightful book internationally renowned scholar and leader Alan Roxburgh urges Christians to follow the Spirit into our neighborhoods re engage with the mission of God and re imagine the whole enterprise of church Joining God Remaking Church and Changing the World can guide any church large or small suburban or urban denomination level or local parish to become a vital center for spirituality and mission

Studying Religion and Society Titus Hjelm, Phil Zuckerman, 2013 How do you study religion and society In this fascinating book some of the most famous names in the field explain how they go about their everyday work of studying religions in the field They explain how the ideas for their projects and books have come together how their understanding of religion has changed over the years and how their own beliefs have affected their work They also comment on the changing nature of the field the ideas which they regard as most important and those which have not stood the test of time Lastly they offer advice to young scholars and suggest what needs to be done to enable the field to grow and develop further

*The Church Between Gospel and Culture* George R. Hunsberger, Craig Van Gelder, 1996 This excellent collection of essays written by a diverse group of Christian leaders working on the frontier of mission within the present North American context lays the groundwork for the newly emerging missionary encounter of the gospel with North American culture Demonstrating that the missionary identity of the church is to be found at the intersection of culture

gospel church these essays outline the missionary agenda now before the church as it confronts North American assumptions perspectives preferences and practices     The Presbyterian Predicament Milton J. Coalter, John M. Mulder, Louis Weeks, 1990-01-01 In this volume six prominent writers from different disciplines strive to analyze the Presbyterian predicament and to offer solutions The authors each approach this theme from a different angle resulting in a varied and highly informative look at the state of the Presbyterian Church Through its examination of American Presbyterianism the Presbyterian Presence series illuminates patterns of change in mainstream Protestantism and American religious and cultural life in the twentieth century
