

INSIDE THE FRENCH FOREIGN LEGION

ADVENTURES WITH
THE WORLD'S MOST FAMOUS
FIGHTING FORCE

N. J. VALLDEJULI

Inside The Foreign Legion

United States. Dept. of State

Inside The Foreign Legion:

Inside the French Foreign Legion N. J. Valldejuli, 2023-12-19 Unique among the world's fighting forces the Legion remains one of its most mysterious as well. Open to volunteers from around the world, men from some 150 countries fill its ranks. The Legion boasts an illustrious and exciting military history stretching from Europe to Africa and Latin America from Vietnam and Algeria to Afghanistan. It features a notoriously difficult selection and training process, accepting only 10 percent of applicants and has traditionally required soldiers to enlist under assumed names. Soldiers swear allegiance not to France but to the Legion, which has been romanticized in literature, song, and action movies as a place for men to prove their mettle or start their lives over. In this colorful, highly readable book, a blend of firsthand experience and interviews with former legionnaires, Nick Valldejuli gives an insider's perspective on what it means and what it takes to be a Legionnaire. Valldejuli, an English-born American who spent two years in the Legion, lifts the veil on who legionnaires are, what they do, where they serve, why they joined, and why they're willing to die for France, which for most is a foreign country. Stories move from Algeria in the 1960s and the Balkans in the 1990s to more recent French operations in Afghanistan and former colonies in Africa. Drawing on his own experiences as well as those of members from various countries over the past fifty years, including several girlfriends of soldiers, his stories highlight the Legion's intense camaraderie and its members' fierce loyalty to this unique unit, in addition to the extreme mental and physical demands made of them and the sacrifices of their families back home.

Inside the Foreign Legion John Parker, 1998 The thought of escaping from the pressures of life leads many anguished young men towards the Foreign Legion. The rose-tinted vision of Beau Geste overrides the truth that life in the so-called Army of Strangers is no picnic. The brutality of its training regime and the horror stories of its ruthless NCOs have been told by the thousands who have deserted. But those who stayed and went beyond the beatings and the Legion's tortuous demands that stretch a man's mental and physical endurance to the very limit and often beyond, tell a different tale. John Parker's searching interviews with legionnaires past and present offer a new perspective of this most extreme fighting force. The Legion has served in major operations worldwide from the Allied invasion of Narvik during World War II to more recent conflicts including the Gulf War and Bosnia, and this book records true, incredible stories by the men who were there, recounted in their own words, presenting the most authentic and detailed account of life in the Legion.

In the Foreign Legion Légionnaire 17889, 1915

The French Foreign Legion Jean-Denis G.G. Lepage, 2016-04-18 This book gives the reader a straightforward and continuous survey of the history of the French Foreign Legion. By outlining the Legion's vicissitudes, victorious campaigns, epic marches, heroic and sometimes hopeless stands, dirtiest combats, and dramatic defeats, but also by briefly placing the Legion back in the historical background of France and by describing its development, organization, uniforms, equipments, and weapons, the author hopes to dispel myths and try to give a true and accurate picture of what the French Foreign Legion has been from 1831 until today. There are well-researched, detailed line drawings.

throughout **Foreign Legionaries in the Liberation of Spanish South America** Alfred Hasbrouck, 1928 *Shadows of the Foreign Legion or An Immigrant's Tale* Oleksandr Sambor, 2025-04-30 This is my attempt to capture in digital form echoes of a time spent in the Legion. Imagine these not as precise historical records but as memories transformed into narrative a grandfather's tales perhaps spun years later for an audience of grandchildren. Bear with me the chronology may wander and strict adherence to grammar might be flexible. Specific Foreign Legion terms *les mots de l'époque* will appear in their original French. Names and ranks emerge only when their significance is unmistakable. Others remain veiled either lost to time or protected by discretion. Let me emphasize this is not intended as a recruitment tool. My perspective is deeply personal often laced with criticism and irony. Those with unwavering devotion to the military or the French Republic may find my viewpoint idiosyncratic. These are the reflections of a former immigrant who served those five years pursuing French citizenship and whose experiences were inevitably shaped by individual perspectives, expectations and beliefs. The content is divided into parts related to my stay in certain regiments of the Foreign Legion: 1 RE, 4 RE, 3 REI. These parts are divided into specific chapters and then into more particular mini themes. If you aim to inform yourself about something specific you can find it in a table of contents. If the topic is irrelevant the reader can skip it and go to the content he is more interested in. If all goes well the content presented here will be Part 1 mainly describing my first steps of emigration, boot camp and my stay in French Guiana. **French Foreign Legion Handbook: Strategic and Practical Information** IBP USA, 2009-03-03

The Bugle Sounds: Life in the Foreign Legion Major Zinovi Pechkoff, 2012-04-03 No military unit not even the SAS has been more glamourised, fictionalised or been the subject of more myth making than the French Foreign Legion. But despite the hype, quality first hand accounts of life in the ranks of France's cosmopolitan elite colonial force are relatively rare. This is one of the finest of that select group. It is the work of the adopted son of the famous Russian writer Maxim Gorki. Pechkoff served in the Legion during the Great War and later in North Africa. He was on peacekeeping duties in Algeria and fought in the Rif Wars of the 1920s against the forces of the great tribal guerilla leader Abd el Krim. This memoir is based on the author's diaries and was written while he was recovering from wounds in a hospital in the Moroccan capital Rabat. Pechkoff gives vivid accounts of his rough tough Legion comrades and of fierce military action. He was one of a special Group Mobile assigned to relieving Legion outposts besieged by the Rif rebels and his accounts of the fighting pay tribute to the heroism of both sides. A first class military memoir which gives the truth behind the romantic *Beau Geste* image, this book has a foreword by the famous French writer Andre Maurois, a map of Morocco, the music for the Legion's anthem *Marche de la Legion Etrangere*, a frontispiece drawing of a Legionnaire and an appendix giving a brief history of the Legion from its foundation in 1831. A must have book for all lovers of the Legion and its literature and for all students of desert and guerilla warfare. *The French Foreign Legion* Douglas Porch, 2010-11-01 The French Foreign Legion is a complete, captivating study of the famed fighting force from its inception in 1831 to modern times. Historian Douglas Porch chronicles the Legion's

involvement in Spain Mexico Indochina Madagascar WWI Vietnam and Algiers to name a few and delves into the inner workings of legionnaires and their captains Known for draconian discipline and shrouded in mystery the secrets of the Legion are guarded by those who have gained admittance into its elite society In this thoroughly researched and impressive account Porch reveals the mysteries surrounding a Legion of unparalleled exoticism pathos and drama **Americans at War in Foreign Forces** Chris Dickon,2014-07-31 The role of Americans in the two world wars is well known but with a glaring exception one that reveals a little known aspect of the common history of the United States and Canada By the time of the American entrance into World War I in April 1917 and World War II in December 1941 tens of thousands of Americans had already fought and died in those conflicts in the uniforms of other nations Most had quietly traveled over the northern border to join the ground air and naval forces of the Commonwealth nations others to France Poland China and the other nations and armed forces that played a role in the continuing world conflict of the first half of the century In preceding their own nation to war they influenced the course of events in those years and though threatened with loss of citizenship were ultimately met with the acceptance of their own government This book tells the story of who these Americans were why they took the actions they did their experiences in war and the effects of their presence as Americans in foreign forces With the American ambulance in France James Robert Judd,1919 **The Vanguard Of American Volunteers In The Fighting Lines And In Humanitarian Service** Edwin Morse,2014-08-15 Illustrated with 6 portraits Even before the official entry of the United States of America into the First World War in April 1917 many of its citizens had already crossed over The Pond and already had lent their efforts to the Allied cause The author Edwin Morse set himself a terribly difficult task to record even a handful of these gallant soldiers doctors surgeons and aviators he selected as a sampling of 34 different stories which he set out to tell in brief Those he selected contributed to the Allied cause in different and diverse ways some joined the Foreign Legion some the British Army others supported the medical services or drove ambulances still further more joined the French Army aviators and formed the famous Lafayette Escadrille The Cincinnati ,1917 *The Foreign Legionnaire* ,1922 The French Foreign Legion James Wellard,1974 **The French Foreign Legion** John Robert Young,1984 **Papers Relating to Foreign Affairs** United States. Dept. of State,1873 **Infantry Journal** ,1924 **The Coast Artillery Journal** ,1925 *France in Danger* Paul Vergnet,1915

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Inside The Foreign Legion eBooks, including some popular titles.

FAQs About Inside The Foreign Legion Books

What is a Inside The Foreign Legion PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Inside The Foreign Legion PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Inside The Foreign Legion PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Inside The Foreign Legion PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to

convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Inside The Foreign Legion PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
