Poets on the Psalms Lynn Domina, 2011-04-15

Reverential celebratory antagonistic and even erotic this remarkable collection of essays interprets the Psalms as a collection of poetry Written by 14 acclaimed poets the essays approach the Psalms from a personal often autobiographical perspective demonstrating how relevant they remain for today's readers Alicia Ostriker examines the Psalms glory and their terror in a moving essay that revels in their moods of joy while acknowledging the brutality they invoke linking their violence to events such as 9 11 the Palestinian uprisings and the Rwandan massacres Weaving autobiographical anecdotes with scholarly introspection Enid Dame provides a Jewish explanation of Psalm 22 while editor Lynn Domina contemplates the pastoral life as she connects the everyday with phrases from the Psalms From a former nun to a self described left wing Jew from a Midrashic scholar to a Texas rancher the contributors mirror the wide swath of humanity interested in and affected by the Psalms

The Ministry of the Shepherd and the Church in Africa, 2017-01-25 With over two million church leaders working in the more than ten million parishes congregations seminaries and houses of religious formation around the world it is important that all the people of God of every church have selfless church leaders who reflect the mind of Christ But how can church leaders learn to be true shepherds like Jesus whose selfless sacrifice of his life for his people set the standard for the pastoral ministry The Ministry of the Shepherd and the Church in Africa draws on a wide range of Old and New Testament texts to develop the biblical theology of the shepherd Ministry which encourages right shepherding and evangelization in the world of self serving leadership styles Focusing especially on the example of pastoral ministry in Africa author and priest Cletus Chukwudi Imo explores some of the underlying attitudes of the pastor and the laity and challenges church leaders to adopt a role as shepherds and servants not as self serving masters so that they can lead guide and teach their congregations as Christ would Because it can be easy for church leaders to get wrapped up in the sociocultural political and economic concerns of their parishes it is important for these church leaders to shed an undue focus on these concerns instead of shepherd their flocks By modeling their lives and leadership on the ideals of Jesus church leaders including priests religious lecturers seminarians and even lay Christian parents alike can become true servants and shepherds honoring the example of Jesus the Good Shepherd

The Beast Who Once Was: New Insight into End Times Prophecy Chris

Relitz, 2014-04-26 The Bible says that there was a beginning of things and that there will be an end Near the end we will see a hero and a villain arise the son of God will battle the son of Satan The prophecies in the Bible have a great deal to say about this but one prophecy has been overlooked until now I will explain to you the mystery of the beast who once was now is not and yet will come This calls for a mind with wisdom Revelation 17 7 9 Here we are told that the Beast the son of Satan once lived but at one time he was not alive and that he would live again The Beast will seem to recover from a fatal wound Revelation 13 3 Not a nearly fatal wound He will seem to recover from death In the end times he will be seen to rise from the

grave in imitation of Jesus Christ Who was the Beast But more importantly why is that mysterious fraternity of Freemasons preparing to come to his aid We will examine their own writings and rituals to confirm that they are devoted to the Beast who once was

THE NEW TESTAMENT DOCUMENTS Edward D. Andrews, 2020-06-17 What are the churchgoers the Bible college students and seminary students to do when one Bible scholar says one thing and another Bible scholar says something quite different or worse still several Bible scholars are giving you several different opinions on one particular Bible issue What makes it even more unsettling is when the Christian is not well informed in that area of study only having basic knowledge How can the Christian possibly know which of the Bible scholars are correct Worse still the Christian is put in the embarrassing position on social media of telling an atheist or Bible critic one of the scholar's views and then the atheist or Bible critic responds to the Christian with no your evidence is outdated as recent research points to _____ and then they offer another answer that put the Bible in a bad light What is the Christian to do What will be accomplished here in this publication is we are going to give the reader much evidence when it comes to the documents of the New Testament how that evidence impacts our Bible translations and an in-depth look at Bible difficulties as well This can be used to build your faith to save someone who may have begun to doubt the trustworthiness of the Bible and many reading responses that can be used on social media and other forms of your ministry Andrews is an author of more than 140 books many of which are a defense of God's Word
