Men and Masculinities in Global English Language Teaching R. Appleby, 2014-12-10 This book draws on a range of sources including tales of castaways fictional narratives and interviews with teachers in conversation schools and universities in Japan to explore many current concerns around teacher identity gender and intercultural sexuality in global English language teaching *The Last Civilization* Charles Brough, 2010-11 The terrorism continues with no end in sight over population grows ever more serious our natural resources are being depleted and corruption runs rampant Will these problems ever be solved The continuing events point to an impending breakdown of our civilization The threat of a new world wide plague mass starvation and nuclear war increases each year No solution is in sight without an understanding of social evolutionary natural selection and how it has shaped world affairs throughout both history and prehistory Only by learning how ideology shapes society is it possible to know what must happen in order for people to be active in the transition from the old into a new society and civilization The author covers topics such as our primate small group social behavior the development of the matriarchal agricultural ideological system the ideology involved in barbarism and the rise of the patriarchal monogamous ideologically based societies and their civilizations Learn why the green revolution is falling behind the biologically related build up of stress and how lagging energy supplies will affect the world Two of the last chapters lay out the structural make up of every successful mainstream world view ideological system They use that to build a facsimile of what the core of such a new and advanced system would have to be like to succeed a perpetual lack of which would ensure that this is indeed *The Last Civilization* because no other can follow without it *What Do Men Want?* Nina

Power,2022-02-03 From the acclaimed philosopher and author of One Dimensional Woman a bold playful and open minded exploration of the role of men in the twenty first century Something is definitely up with men From millions online who engage with the manosphere to the metoo backlash from Men s Rights activists and incels to spiralling suicide rates it s easy to see that while men still rule the world masculinity is in crisis How can men and women live together in a world where capitalism and consumerism has replaced the values family religion service and honour that used to give our lives meaning Feminism has gone some way towards dismantling the patriarchy but how can we hold on to the best aspects of our metaphorical Father With illuminating writing from an original big picture perspective Nina Power unlocks the secrets hidden in our culture to enable men and women to practice playfulness and forgiveness and reach a true mutual understanding and a lifetime of love

White Guys Fred Pfeil,2020-05-05 What do men white straight men in particular want In a series of witty and provocative investigations of American popular culture Fred Pfeil exposes the contradictions in the construction of white heterosexual masculinity over the last fifteen years White Guys probes such topics as the rock n roll bodies of Bruce Springsteen Axl Rose and the late Kurt Cobain the male rampage films Die Hard and Lethal Weapon and the films of sensitive transformation that followed in their wake and the curious yet symptomatic activities of the men s movement whose rituals Pfeil has investigated firsthand

Masculinity Studies & Feminist Theory Judith Kegan Gardiner,2002 Looking at literature film and classroom practices the authors examine the ways male privilege and power are constituted and represented and the effect of such constructions on men and women The volume addresses questions as Why is there so much talk of a crisis in masculinity How have ideas of manhood been transformed by feminism

Contemporary Perspectives On Masculinity Ken Clatterbaugh,2018-10-08 What is social reality for men in modern society What maintains or explains this social reality What condition might we imagine that would be better for men How might we achieve this better condition These are the questions Kenneth Clatterbaugh brings to seven different visions of men in modern society considered in this newly updated edition In clear and insightful language Clatterbaugh surveys not just conservative liberal and radical views of masculinity but also the alternatives offered by the men s rights movement spiritual growth advocates and black and gay rights activists Each of these is explored both as a theoretical perspective and as a social movement and each offers distinctive responses to the questions posed The first edition of this book was the first to survey the range of responses to feminism that men have made as well as the first to put political theory at the center of men s awareness of their own masculinity This new edition adds chapters on recent highly publicized movements such as the Promise Keepers Million Man March and the evolution of gay men s rights Clatterbaugh treats all views with fairness and timeliness as he develops and defends a vision of men and masculinity consistent with feminist ideals and a just society

Instinct and the unconscious W. H. R. Rivers,The Perfect Library, **Instinct and the Unconscious** William Halse Rivers Rivers,1922 This book has two parts The first gives the substance of lectures delivered in the

Psychological Laboratory at Cambridge in the summer of 1919 and repeated in the spring of the present year at the Phipps Clinic of the Johns Hopkins Medical School Baltimore under the direction of Professor Adolf Meyer The second part consists of appendices in which are republished occasional papers written as the result of clinical experience gained during the war A few alterations have been made in these chiefly in order to bring the terminology into line with that adopted in the body of the book and in the second Appendix the original paper has been amplified A few of the opinions expressed in these appendices differ in some respects from those of the lectures but have been left as originally stated because they present alternative points of view which may possibly be nearer the truth than those adopted as the result of later deliberation The general aim of the book is to put into a biological setting the system of psycho therapy which came to be generally adopted in Great Britain in the treatment of the psycho neuroses of war This system was developed in the main at the Maghull Military Hospital under the direction of Dr R G Rows Preface PsycINFO Database Record c 2006 APA all rights reserved
