Gold Is Tried By Fire:

Gold Tried in the Fire Greg Hinnant, 2024-05-02 I counsel thee to buy of me gold tried in the fire that thou mayest be rich Revelation 3 18 Jesus calls us to a great quest for spiritual riches specifically gold tried in the fire faith in God and knowledge of God refined and proven in challenging intense life tests We buy it by trusting and obeying God's Word and Spirit in our trials of faith and patience Gold Tried in The Fire offers proven biblical gold ready for purchase in these trying times The more we buy the richer we become not in precious metals but precious faith and knowledge of God not in time only but also eternity Like earthly gold spiritual gold is priceless enduring fireproof enduring even the hottest tests Our destiny is to not only buy but also become gold tried in the fire As we overcome we grow increasingly golden priceless to God enduring fireproof In our hottest crucibles we confess with Job When he tests me I will come out as pure as gold Job 23 10 NLT

Gold Tested in Fire Ronald D. Witherup, 2012-02-01 The recent Year for Priests focused considerable attention on the priesthood resulting in many books articles retreats conferences and symposia In Gold Tested in Fire Ronald D Witherup SS makes an important new contribution Intersecting scriptural and theological context with lived pastoral insight Witherup explores both classic and contemporary understandings of the priesthood offers insights into the four pillars suggested for priestly formation and looks at the charism of priests and the need for ongoing formation across a life span Having engaged in priestly formation in seminaries for a number of years Witherup moves beyond overly idealized or pietistic approaches to the presbyteral life to offer key insights on the challenges and rewards inherent in contemporary priestly ministry Underlying his approach is the firm conviction that the present testing in the priesthood is a profound summons to a new Pentecost in opportunity for the priesthood to be cleansed and remade and ultimately stronger **'Tried by fire'**. Francis Carr, 1879

'Gold Tried in the Fire'. The Prophet TheaurauJohn Tany and the English Revolution Ariel Hessayon, 2016-12-05 This is a study of the most fascinating and idiosyncratic of all seventeenth century figures Like its famous predecessor The Cheese and The Worms The Cosmos of a Sixteenth Century Miller it explores the everyday life and mental world of an extraordinary yet humble figure Born in Lincolnshire with a family of Cambridgeshire origins Thomas Totney 1608 1659 was a London puritan goldsmith and veteran of the Civil War In November 1649 after fourteen weeks of self abasement fasting and prayer he experienced a profound spiritual transformation Taking the prophetic name TheaurauJohn Tany and declaring himself a Jew of the Tribe of Reuben descended from Aaron the High Priest he set about enacting a millenarian mission to restore the Jews to their own land Inspired prophetic gestures followed as Tany took to living in a tent preaching in the parks and fields around London He gathered a handful of followers and in the week that Cromwell was offered the crown infamously burned his bible and attacked Parliament with sword drawn In the summer of 1656 he set sail from the Kentish coast perhaps with some disciples in tow bound for Jerusalem He found his way to Holland perhaps there to gather the Jews of Amsterdam Some three years later now calling himself Ram Johoram Tany was reported lost drowned after taking passage

in a ship from Brielle bound for London During his prophetic phase Tany wrote a number of remarkable but elusive works that are unlike anything else in the English language His sources were varied although they seem to have included almanacs popular prophecies and legal treatises as well as scriptural and extra canonical texts and the writings of the German mystic Jacob Boehme Indeed Tany s writings embrace currents of magic and mysticism alchemy and astrology numerology and angelology Neoplatonism and Gnosticism Hermeticism and Christian Kabbalah a ferment of ideas that fused in a millenarian yearning for the hoped for
