Hamas Maxine Rosaler, 2005-05-01 At the very center of the ongoing Arab Israeli struggle is Hamas a Palestinian terrorist group that leads its uprising and launches its signature suicide bombing attacks in the West Bank the Gaza Strip and Israel Author Maxine Rosaler delves deeply into the issues and offers an evenhanded analysis of Hamas history ideology and distinctive tactics A chilling portrait of the violence hatred and frustration that can grow in the bleak living conditions of impoverished refugee camps this book will help students trace the roots of a conflict that continues to resist peaceful resolution

Does Terrorism Work? Richard English, 2019-02-21

Terrorism is one of the most significant security threats that we face in the twenty first century Not surprisingly there is now a plethora of books on the subject offering definitions of what terrorism is and proffering advice on what causes it and how states should react to it But one of the most important questions about terrorism has until now been left remarkably under scrutinized does it work Richard English now brings thirty years of professional expertise studying terrorism to the task of answering this complex and controversial question Focussing principally on four of the most significant terrorist organizations of the last fifty years al Qaida the Provisional IRA Hamas and ETA and using a wealth of interview material with former terrorists as well as those involved in counter terrorism he argues that we need a far more honest understanding of the degree to which terrorism actually works as well as a more nuanced insight into the precise ways in which it does so Only then can we begin to grapple more effectively with what has become one of the most challenging and eye catching issues of our time
