criticism

Hamlet Oedipus

Anthony Dawson

Hamlet Oedipus:

Shakespeare: Hamlet Paul A. Cantor, 2004-05-13 In this useful guide Paul Cantor provides a clearly structured introduction to Shakespeare's most famous tragedy Cantor examines Hamlet's status as tragic hero and the central enigma of the delayed revenge in the light of the play's Renaissance context He offers students a lucid discussion of the dramatic and poetic techniques used in the play In the final chapter he deals with the uniquely varied reception of Hamlet on the stage and in literature generally from the seventeenth century to the present day Hamlet and Oedipus Ernest Jones, 1949 **The Hero with a Thousand Faces** Joseph Campbell, 2008 This newly redesigned edition of Campbell's seminal 1949 work combines the insights of modern psychology with the author's revolutionary understanding of comparative mythology Illustrated *Hamlet and Narcissus* John Russell, 1995 Since Ernest Jones published *Hamlet and Oedipus* in 1949 psychoanalytic thinking has changed profoundly This change however has not yet been adequately reflected in Shakespeare scholarship In *Hamlet and Narcissus* John Russell confronts the paradigm shift that has occurred in psychoanalysis and takes steps to formulate a critical instrument based on current psychoanalytic thinking In his introduction Russell clarifies Freud's assumptions concerning human motivation and development and then discusses as representative of the new psychoanalytic paradigm Margaret Mahler's theory of infant development and Heinz Kohut's theory of narcissism Using these theories as his conceptual framework Russell proceeds to analyze the action of Hamlet focusing on the play's central problem Hamlet's delay Previous psychoanalytic approaches to Hamlet have failed convincingly to explain the cause of Hamlet's delay because they failed to recognize the profound connection between Hamlet's pre Oedipal attachment to his mother and his post Oedipal allegiance to his father By placing Hamlet's conflict with his parents in the new psychoanalytic framework of narcissism Russell is able to show that Hamlet's post Oedipal allegiance to his father and his pre Oedipal attachment to his mother are driven by the same archaic and illusory needs Though on the surface seeming to contradict one another at bottom Hamlet's two attachments to mother and to father complement one another and work together to produce in Hamlet a conflicted ambivalence that propels him to his self-induced destruction By clarifying the origin and effects of Hamlet's archaic narcissism Russell is able to solve the problem of Hamlet's delay and forge a new and fruitful instrument of literary criticism BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The other Side of Desire Tamise Van Pelt, 2012-02-01 The other Side of Desire puts Jacques Lacan's theoretical constructs to work on texts as varied as Plato's Symposium Hamlet Tootsie and the journals of Sylvia Plath making the techniques of Lacanian analysis accessible to a wide variety of readers Moving from oppositional readings of Lacan himself through Lacan's search for an alternative to oppositionality to his solution in the theory of the registers Van Pelt rereads Lacan's most significant essays on aggressivity the mirror stage the subversion of the subject and the signification of the phallus making explicit the reading practices implicit in Lacan's first seven Seminars and his critics Throughout Van Pelt demonstrates Lacanian theory's pivotal

role in the intellectual transition from the poststructuralism of the mid twentieth century to the post humanism of the twenty first

Hamlet, Protestantism, and the Mourning of Contingency John E. Curran Jr, 2016-04-22 Building on current scholarly interest in the religious dimensions of the play this study shows how Shakespeare uses Hamlet to comment on the Calvinistic Protestantism predominant around 1600 By considering the play s inner workings against the religious ideas of its time John Curran explores how Shakespeare portrays in this work a completely deterministic universe in the Calvinist mode and Curran argues exposes the disturbing aspects of Calvinism By rendering a Catholic Prince Hamlet caught in a Protestant world which consistently denies him his aspirations for a noble life Shakespeare is able in this play his most theologically engaged to delineate the differences between the two belief systems but also to demonstrate the consequences of replacing the old religion so completely with the new

An Overview of Hamlet Studies Manpreet Kaur Anand, 2019-07-08 Hamlet Studies 1979 2003 an international journal devoted exclusively to one work of art Hamlet presented a vast wealth of research on Shakespeare s play contributions from well established critics from across the globe This book focuses on the critical contribution Hamlet Studies made to the play s scholarship bringing together textual criticism twentieth century critical thought and performance based contributions It represents a valuable and comprehensive guide for students and teachers studying Shakespeare in colleges and universities the world over

Hamlet on the Couch James E. Groves, 2017-10-19 Hamlet on the Couch weaves a close reading of Shakespeare s Hamlet with a large variety of contemporary psychoanalytic and psychological theory looking at the interplay of ideas between the two Hamlet can be read almost as a psychoanalytic case study and be used to understand and illustrate a range of core psychoanalytic concepts Covering such basic psychoanalytic concepts as identity transference and countertransference the good enough mother the compulsion to repeat and the death instinct James E Groves shows how Hamlet can shed new light on understanding psychoanalytic theory and how psychoanalysis can in turn enrich our understanding of Shakespeare s work Perhaps the most radical feature of psychoanalysis is its tradition of self examination Mirroring it the book throughout uses an eclectic subjective critical approach to study how the poetry of Hamlet creates its realistically flawed and believably complex characters Combining deep insightful knowledge of Shakespeare and of psychoanalysis Hamlet on the Couch will be of great interest to psychoanalysts and psychoanalytic psychotherapists as well as literary scholars

Hamlet Anthony Dawson, 1995 In this illuminating study Anthony Dawson surveys the stage history of Hamlet from its appearance in Shakespeare s time to the efflorescence of new and challenging productions in our own He vividly re creates more than a dozen representative performances across three centuries Bringing together theatre history and the interests of cultural criticism and performance theory Dawson traces the Anglo American acting tradition and provides a succinct account of the interpretative problems associated with texts character design and the production of meaning The final chapters extend the analysis to a number of film versions notably those of Olivier Kozintsev and Zeffirelli as well as to several important European stage

productions **Women as Hamlet** Tony Howard,2007-02-22 A study of actresses playing the role of Hamlet on stage and screen **The Ancient Unconscious** Vered Lev Kenaan,2019-05-08 In the field of classical studies the psychoanalytic construction of the unconscious is rarely regarded as a fruitful methodological concept Commonly understood as a modern conceptual invention rather than the discovery of a psychic reality the notion of the unconscious is often criticized as an anachronistic lens one that ineluctably subjects ancient experience to modern patterns of thought The Ancient Unconscious seeks to challenge this ambivalent theoretical disposition toward the psychoanalytic concept and reclaim the value of the unconscious as a methodological tool for the study of ancient texts by transforming our understanding of what the unconscious means the way it operates and how it relates to textual hermeneutics It considers the debate over whether the ancients had an unconscious as an invitation to rethink the relationship between antiquity and modernity investigating the meaning of textuality through contact between historical moments that have no priority under the law of chronology associations and connections between the past and its future including the present belong to the sphere of the unconscious which is primarily employed here in order to study the inherent often hidden links that bind modernity to classical antiquity and modern to ancient experiences Drawing on an incisive examination of the complicated often conflicted relationship between classical studies and psychoanalytic theory the volume aims to explain why the concept of the unconscious is in fact inseparable from and crucial for the study of the ancient text and more generally the methodology of classical philology

Manet and the Family Romance Nancy Locke,2001 douard Manet s paintings have long been recognized for being visually compelling and uniquely recalcitrant While critics have noted the presence of family members and intimates in paintings such as *Le D jeuner sur l herbe* Nancy Locke takes an unprecedented look at the significance of the artist s family relationships for his art Locke argues that a kind of mythology of the family or Freudian family romance frequently structures Manet s compositional decisions and choice of models By looking at the representation of the family as a volatile mechanism for the development of sexuality and of repression conflict and desire Locke brings powerful new interpretations to some of Manet s most complex works Locke considers for example the impact of a father son drama rooted in a closely guarded family secret the adultery of Manet p re and the status of L on Leenhoff Her nuanced exploration of the implications of this story that Manet in fact married his father s mistress makes us look afresh at even well known paintings such as *Olympia* This book sheds new light on Manet s infamous interest in gypsies street musicians and itinerants as Locke analyzes the activities of Manet s father as a civil judge She also reexamines the close friendship between Manet and the Impressionist painter Berthe Morisot who married Manet s brother Morisot becomes the subject of a series of meditations on the elusiveness of the self the transience of identity and conflicting concerns with appearances and respectability Manet and the Family Romance offers an entirely new set of arguments about the cultural forces that shaped these alluring paintings All for Nothing Andrew Cutrofello,2014-08-22 Hamlet as performed by philosophers with supporting roles played by Kant

Nietzsche and others A specter is haunting philosophy the specter of Hamlet Why is this Wherefore What should we do Entering from stage left the philosopher's Hamlet The philosopher's Hamlet is a conceptual character played by philosophers rather than actors He performs not in the theater but within the space of philosophical positions In All for Nothing Andrew Cutrofello critically examines the performance history of this unique role The philosopher's Hamlet personifies negativity In Shakespeare's play Hamlet's speech and action are characteristically negative he is the melancholy Dane Most would agree that he has nothing to be cheerful about Philosophers have taken Hamlet to embody specific forms of negativity that first came into view in modernity What the figure of the Sophist represented for Plato Hamlet has represented for modern philosophers Cutrofello analyzes five aspects of Hamlet's negativity his melancholy negative faith nihilism tarrying which Cutrofello distinguishes from delaying and nonexistence Along the way we meet Hamlet in the texts of Kant Coleridge Hegel Marx Schopenhauer Kierkegaard Nietzsche Freud Russell Wittgenstein Heidegger Benjamin Arendt Schmitt Lacan Deleuze Foucault Derrida Badiou i ek and other philosophers Whirling across a kingdom of infinite space the philosopher's Hamlet is nothing if not thought provoking *Family Life in the Age of Shakespeare* Bruce W. Young, 2008-12-30 From the star crossed romance of Romeo and Juliet to Othello's misguided murder of Desdemona to the betrayal of King Lear by his daughters family life is central to Shakespeare's dramas This book helps students learn about family life in Shakespeare's England and in his plays The book begins with an overview of the roots of Renaissance family life in the classical era and Middle Ages This is followed by an extended consideration of family life in Elizabethan England The book then explores how Shakespeare treats family life in his plays Later chapters then examine how productions of his plays have treated scenes related to family life and how scholars and critics have responded to family life in his works The volume closes with a bibliography of print and electronic resources The volume begins with a look at the classical and medieval background of family life in the Early Modern era This is followed by a sustained discussion of family life in Shakespeare's world The book then examines issues related to family life across a broad range of Shakespeare's works Later chapters then examine how productions of the plays have treated scenes concerning family life and how scholars and critics have commented on family life in Shakespeare's writings The volume closes with a bibliography of print and electronic resources for student research Students of literature will value this book for its illumination of critical scenes in Shakespeare's works while students in social studies and history courses will appreciate its use of Shakespeare to explore daily life in the Elizabethan age

Freud's Theory and Its Use in Literary and Cultural Studies Henk de Berg, 2004 Rarely has a single figure had as much influence on Western thought as Sigmund Freud His ideas permeate our culture to such a degree that an understanding of them is indispensable Yet many otherwise well informed students in the humanities labor under misconceptions or lack of knowledge about Freudian theory There are countless introductions to Freudian psychoanalysis but surprisingly none that combine a genuinely accessible account of Freud's ideas with an introduction to their use in literary and cultural studies as

this book does It is written specifically for use by advanced undergraduate and graduate students in courses dealing with literary and cultural criticism yet will also be of interest to the general reader The book consists of two parts Part one explains Freud's key ideas focusing on the role his theories of repression conscious and unconscious mental processes sexuality dreams free associations Freudian slips resistance and transference play in psychoanalysis and on the relationship between ego superego and id Here de Berg refutes many popular misconceptions using examples throughout The assumption underlying this account is that Freud offers not simply a model of the mind but an analysis of the relation between the individual and society Part two discusses the implications of Freudian psychoanalysis for the study of literature and culture Among the topics analyzed are Hamlet Heinrich Heine's Lore Ley Freud's Totem and Taboo and its influence on literature the German student movement of the late 1960s and the case of the Belgian pedophile Marc Dutroux and the public reactions to it Existing books focus either on Freudian psychoanalysis in general or on psychoanalytic literary or cultural criticism those in the latter category tend to be abstract and theoretical in nature None of them are suitable for readers who are interested in psychoanalysis as a tool for literary and cultural criticism but have no firm knowledge of Freud's ideas Freu

Demons, Hamlets and Femmes Fatales Jayne Steel, 2007 The book provides a lively discussion of the ways in which popular fiction appropriates the figure of the Provisional IRA activist and the political conflict within the north of Ireland It looks at how authors' recreations or transformations of Irish republicanism might reveal self-referential images that are ultimately a product of national identity and/or gender identity An important focus of the book interrogates British fascination and fixation with the Provisional IRA and its terrors The many novels discussed in this study include Gerald Seymour Harry's Game Campbell Armstrong Jig Bernard MacLaverty Cal Mary Costello Titanic Town Jennifer Johnston Shadows on our Skin Deidre Madden One by One through the Darkness **Hamlet in His Modern Guises** Alexander Welsh, 2001-01-03 Focusing on Shakespeare's Hamlet as foremost a study of grief Alexander Welsh offers a powerful analysis of its protagonist as the archetype of the modern hero For over two centuries writers and critics have viewed Hamlet's persona as a fascinating blend of self-consciousness guilt and wit Yet in order to understand more deeply the modernity of this Shakespearean hero Welsh first situates Hamlet within the context of family and mourning as it was presented in other revenge tragedies of Shakespeare's time Revenge he maintains appears as a function of mourning rather than an end in itself Welsh also reminds us that the mourning of a son for his father may not always be sincere This book relates the problem of dubious mourning to Hamlet's ascendancy as an icon of Western culture which began late in the eighteenth century a time when the thinking of past generations or fathers represented to many an obstacle to human progress Welsh reveals how Hamlet inspired some of the greatest practitioners of modernity's quintessential literary form the novel Goethe's Wilhelm Meister's Apprenticeship Scott's Redgauntlet Dickens's Great Expectations Melville's Pierre and Joyce's Ulysses all enhance our understanding of the play while illustrating a trend in which Hamlet ultimately becomes a model of intense consciousness

Arguing that modern consciousness mourns for the past even as it pretends to be free of it Welsh offers a compelling explanation of why Hamlet remains marvelously attractive to this day [Ethics of the Real](#) Alenka Zupancic, 2020-05-05 The idea of Kantian ethics is both simple and revolutionary it proposes a moral law independent of any notion of a pre established Good or any human inclination such as love sympathy or fear In attempting to interpret such a revolutionary proposition in a more humane light and to turn Kant into our contemporary someone who can help us with our own ethical dilemmas many Kantian scholars have glossed over its apparent paradoxes and impossible claims This book is concerned with doing exactly the opposite Kant thank God is not our contemporary he stands against the grain of our times Lacan on the face of it appears the very antithesis of Kant the wild theorist of psychoanalysis compared to the sober Enlightenment thinker His concept of the Real however provides perhaps the most useful backdrop to this new interpretation of Kantian ethics Constantly juxtaposing her readings of the two philosophers Alenka Zupancic summons up an ethics of the Real and clears the ground for a radical restoration of the disruptive element in ethics [The Major Literary Seminars of Jacques Lacan](#) Santanu Biswas, 2024-08-20 The Major Literary Seminars of Jacques Lacan considers the three key phases of Lacan s interest in literary topics Santanu Biswas first examines the seminars given between 1955 and 1961 in which Lacan spoke on Edgar Allan Poe s short story The Purloined Letter Hamlet Sophocles Antigone and Paul Claudel s The Co fontaine Trilogy and where literature is related to meaning This is followed by an exploration of Lacan s seminar on Lituraterre in 1971 wherein Lacan elaborates on the different ways in which literature appeared to turn towards lituraterre Finally Biswas considers Lacan s 1975 1976 seminar on James Joyce who created literature out of litter and was concerned with jouissance rather than with meaning The Major Literary Seminars of Jacques Lacan will be of great interest to Lacanian psychoanalysts other mental health practitioners interested in the teachings of Lacan and academics and students of Lacanian studies literature and psychoanalysis [Lacan and the Limits of Language](#) Charles Shepherdson, 2009-08-25 Stages refreshing encounters between Lacanian psychoanalysis and its others Kristeva Heidegger Derrida or Foucault to name just a few thinkers Ewa Ziarek author of An Ethics of Dissensus This book weaves together three themes at the intersection of Jacques Lacan and the philosophical tradition The first is the question of time and memory How do these problems call for a revision of Lacan s purported ahistoricism and how does the temporality of the subject in Lacan intersect with the questions of temporality initiated by Heidegger and then developed by contemporary French philosophy The second question concerns the status of the body in Lacanian theory especially in connection with emotion and affect which Lacanian theory is commonly thought to ignore but which the concept of jouissance was developed to address Finally it aims to explore beyond the strict limits of Lacanian theory possible points of intersection between psychoanalysis and other domains including questions of race biology and evolutionary theory The book also engages literary texts Antigone Ovid s Metamorphoses Hamlet and even Wordsworth become the muses who oblige psychoanalysis and philosophy to listen once again to the provocations of poetry

which always disrupts our familiar notions of time and memory of history and bodily or affective experience and of subjectivity itself Shepherdson shows with admirable clarity cogency and competence that psychoanalysis founds an anthropology of love hate desire beauty fantasy and memory while keeping its cutting edge in today's discussions of war race sexual difference and tragedy Thanks to him thinking with Lacan becomes an act of enlightenment Jean Michel Rabat author of Lacan in America

Hamlet Oedipus Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Hamlet Oedipus PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Hamlet Oedipus PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they

provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Hamlet Oedipus free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Hamlet Oedipus Books

1. Where can I buy Hamlet Oedipus books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Hamlet Oedipus book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Hamlet Oedipus books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Hamlet Oedipus audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection

of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Hamlet Oedipus books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
