William Shakespeare's Hamlet William Shakespeare,2009 Presents a collection of critical essays about William Shakespeare s play Hamlet A Synoptic Hamlet: a Critical-Synoptic Edition of the Second Quarto and First Folio Texts of Hamlet Jesús Tronch-Pérez, Jesús Tronch,2002 A Synoptic Hamlet is an alternative response to the editorial problems of this multiple text play Like most critical editions it presents the early texts in a manner helpful to the general reader by modernizing spelling and punctuation and emending non sensical readings However it does not hide the text s diversity by exclusively selecting readings from either the Second Quarto or the First Folio in order to reconstruct a single reading version corresponding to the authentic Hamlet Rather it makes their significant variants immediately available in the line itself offering alternative editorial interpretations of identical or similar readings at certain points Thus the reader can have a direct appreciation of the divergence and similarity between these early texts from which the Hamlet of today is known The Tragedy of Hamlet, Prince of Denmark William Shakespeare, 2015-01-02 George Lyman Kittredge's insightful editions of Shakespeare have endured in part because of his eclecticism his diversity of interests and his wide ranging accomplishments all of which are reflected in the valuable notes in each volume These new editions have specific emphasis on the performance histories of the plays on stage and screen Features of each edition include The introduction to the

original Kittredge Edition Editor's Introduction to the Focus Edition An overview on major themes of the plays and sections on the play's performance history on stage and screen Explanatory Notes The explanatory notes either expand on Kittredge's superb glosses or in the case of plays for which he did not write notes give the needed explanations for Shakespeare s sometimes demanding language Performance notes These appear separately and immediately below the textual footnotes and include discussions of noteworthy stagings of the plays issues of interpretation and film and stage choices How to read the play as Performance Section A discussion of the written play vs the play as performed and the various ways in which Shakespeare s words allow the reader to envision the work off the page Comprehensive Timeline Covering major historical events with brief annotations as well as relevant details from Shakespeare's life Some of the Chronologies include time chronologies within the plays Topics for Discussion and Further Study Section Critical Issues Dealing with the text in a larger context and considerations of character genre language and interpretative problems Performance Issues Problems and intricacies of staging the play connected to chief issues discussed in the Focus Editions Introduction Select Bibliography Filmography Images from major productions for comparison and scene study Which are Hamlet's 'dozen Or Sixteen Lines'?
