## **Inspector Maigret The Strangled Stripper:**

*Inspector Maigret and the Strangled Stripper* Georges Simenon, **Maigret at Picratt's** Georges Simenon, 2017-05-30  
A writer as comfortable with reality as with fiction with passion as with reason John Le Carr When a Montmartre stripper overhears a plot to murder a countess Inspector Maigret is on the case Arlette a beautiful young dancer at Picratt's in Montmartre reports to her local police station that she overheard two men at her club talking about planning to kill a countess The police don't think much of the claim that is until a few hours later when Arlette is found in her room strangled to death The police scramble to track down the men in question but the next day the Countess von Farnheim a drug addict living not far from Picratt's is found strangled When Arlette's own identity turns out to have been falsified Inspector Maigret steps in and must dive into Paris's seedy underbelly to discover the truth before the killers can slip away [Inspector Maigret and the Strangled Stripper, Maigret Au Picratt's ,1955\\*](#) **Maigret's World** Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself **Investigating Simenon** Russell Campbell, 2022-09-21 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon's work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works [The Essential Mystery Lists](#) Roger M Sobin, 2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher's Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher's Best and
