

Freedom County

Gary B. Nash, Jean R. Soderlund

Freedom County:

Freedom Colonies Thad Sitton, James H. Conrad, 2010-01-01 A history of independent African American settlements in Texas during the Jim Crow era featuring historical and contemporary photographs In the decades following the Civil War nearly a quarter of African Americans achieved a remarkable victory they got their own land While other ex slaves and many poor whites became trapped in the exploitative sharecropping system these independence seeking individuals settled on pockets of unclaimed land that had been deemed too poor for farming and turned them into successful family farms In these self sufficient rural communities often known as freedom colonies African Americans created a refuge from the discrimination and violence that routinely limited the opportunities of blacks in the Jim Crow South Freedom Colonies is the first book to tell the story of these independent African American settlements Thad Sitton and James Conrad focus on communities in Texas where blacks achieved a higher percentage of land ownership than in any other state of the Deep South The authors draw on a vast reservoir of ex slave narratives oral histories written memoirs and public records to describe how the freedom colonies formed and to recreate the lifeways of African Americans who made their living by farming or in skilled trades such as milling and blacksmithing They also uncover the forces that led to the decline of the communities from the 1930s onward including economic hard times and the greed of whites who found legal and illegal means of taking black owned land And they visit some of the remaining communities to discover how their independent way of life endures into the twenty first century Thad Sitton and James H Conrad have made an important contribution to African American and southern history with their study of communities fashioned by freedmen in the years after emancipation Journal of American History This study is a thoughtful and important addition to an understanding of rural Texas and the nature of black settlements Journal of Southern History

The Captive's Quest for Freedom R. J. M. Blackett, 2018-01-25 This magisterial study ten

years in the making by one of the field's most distinguished historians will be the first to explore the impact fugitive slaves had on the politics of the critical decade leading up to the Civil War Through the close reading of diverse sources ranging from government documents to personal accounts Richard J M Blackett traces the decisions of slaves to escape the actions of those who assisted them the many ways black communities responded to the capture of fugitive slaves and how local laws either buttressed or undermined enforcement of the federal law Every effort to enforce the law in northern communities produced levels of subversion that generated national debate so much so that on the eve of secession many in the South looking back on the decade could argue that the law had been effectively subverted by those individuals and states who assisted fleeing slaves

Family or Freedom Emily West,2012-11-01 In the antebellum South the presence of free people of color was problematic to the white population Not only were they possible assistants to enslaved people and potential members of the labor force their very existence undermined popular justifications for slavery It is no surprise that by the end of the Civil War nine Southern states had enacted legal provisions for the voluntary enslavement of free blacks What is surprising to modern sensibilities and perplexing to scholars is that some individuals did petition to rescind their freedom Family or Freedom investigates the incentives for free African Americans living in the antebellum South to sacrifice their liberty for a life in bondage Author Emily West looks at the many factors influencing these dire decisions from desperate poverty to the threat of expulsion and demonstrates that the desire for family unity was the most important consideration for African Americans who submitted to voluntary enslavement The first study of its kind to examine the phenomenon throughout the South this meticulously researched volume offers the most thorough exploration of this complex issue to date

Slavery and Freedom in Delaware, 1639-1865 William H. Williams,1996-06-01 William H Williams fills a gap in the literature on slavery in America This book is the first comprehensive analysis of the peculiar institution in the First State An excellent text for courses in colonial and antebellum history Slavery and Freedom in Delaware provides valuable insight into this unfortunate unforgettable period in the nation's history

The 13Th Amendment Freedom Week Manual Kariem Abdul Haqq,2023-01-03 The 13th Amendment Freedom Week Manual is a guide to establishing a yearly commemorative week that educates and celebrates the ideals of freedom It is inclusive not exclusive This Freedom Week is assembled so that all Americans blacks whites etc can benefit from its celebration It can also include people worldwide not just Americans who love freedom everywhere It is a celebration that helps to heal racial conflict rather than divide The 13th Amendment Freedom Week is not a celebration to simply remember the horrors of slavery It is a time to remember the ideas and benefits of freedom This 13th Amendment Freedom Week Manual lays the foundation for the 13th Amendment Freedom Week Movement Together they work to establish the 13th Amendment Freedom Week

Arkansas's Gilded Age Matthew Hild,2018-11-01 This book is the first devoted entirely to an examination of working class activism broadly defined as that of farmers organizations labor unions and often biracial political movements in Arkansas during the Gilded Age On one level

Hild argues for the significance of this activism in its own time had the Arkansas Democratic Party not resorted to undemocratic unscrupulous and violent means of repression the Arkansas Union Labor Party would have taken control of the state government in the election of 1888 He also argues that the significance of these movements lasted beyond their own time their influence extending into the biracial Southern Tenant Farmers Union of the 1930s the civil rights movement of the 1950s and 1960s and even today s Farmers Union and the United Mine Workers of America The story of farmer and labor protest in Arkansas during the late nineteenth century offers lessons relevant to contemporary working class Americans in what some observers have called the new Gilded Age *Laws of the State of Maryland* Maryland,1837 *Slavery, Freedom and Culture Among Early American Workers* Graham Russell Hodges,1998 This text consists of six chapters all on the related subjects of black revolt slavery freemanship and labour A short introduction organizes the collection and argues its importance for historians of early American labour slavery black studies and general history *Stealing Freedom Along the Mason-Dixon Line* Milt Diggins,2015 Slavery freedom and kidnapping in the mid Atlantic This is the story of Thomas McCreary a slave catcher from Cecil County Maryland Reviled by some proclaimed a hero by others he first drew public attention in the late 1840s for a career that peaked a few years after passage of the Fugitive Slave Act of 1850 Living and working as he did at the midpoint between Philadelphia an important center for assisting fugitive slaves and Baltimore a major port in the slave trade his story illustrates in raw detail the tensions that arose along the border between slavery and freedom just prior to the Civil War McCreary and his community provide a framework to examine slave catching and kidnapping in the Baltimore Wilmington Philadelphia region and how those activities contributed to the nation s political and visceral divide **Annual Report, International Religious Freedom** United States. Department of State,2008

Freedom by Degrees Gary B. Nash,Jean R. Soderlund,1991-01-17 During the revolutionary era in the midst of the struggle for liberty from Great Britain Americans up and down the Atlantic seaboard confronted the injustice of holding slaves Lawmakers debated abolition masters considered freeing their slaves and slaves emancipated themselves by running away But by 1800 of states south of New England only Pennsylvania had extricated itself from slavery the triumph historians have argued of Quaker moralism and the philosophy of natural rights With exhaustive research of individual acts of freedom slave escapes legislative action and anti slavery appeals Nash and Soderlund penetrate beneath such broad generalizations and find a more complicated process at work Defiant runaway slaves joined Quaker abolitionists like Anthony Benezet and members of the Pennsylvania Abolition Society to end slavery and slave owners shrewdly calculated how to remove themselves from a morally bankrupt institution without suffering financial loss by freeing slaves as indentured servants laborers and cottagers **To Grant to Indians Living Under Federal Tutelage the Freedom to Organize for Purposes of Local Self-government and Economic Enterprise** United States. Congress. Senate. Committee on Indian Affairs,1934

Freedom Is a Constant Struggle Kenneth T. Andrews,2018-06-29 No part of the United States was more resistant to

the civil rights movement and its pursuit of racial equality than Mississippi Freedom Is a Constant Struggle explores the civil rights movement in that state to consider its emergence before the 1965 Voting Rights Act and its impact long after Did the civil rights movement have a lasting impact and if so how did it bring about change Kenneth T Andrews is the first scholar to examine not only the history of the movement but its social and political legacy as well His study demonstrates how during the 1970s and 80s local movements worked to shape electoral politics increase access to better public schools and secure the administration of social welfare to needy African Americans Freedom Is a Constant Struggle is also the first book of its kind to detail the activities of white supremacists in Mississippi revealing how white repression and intimidation sparked black activism and simultaneously undermined the movement's ability to achieve far reaching goals Andrews shows that the federal government's role was important but reactive as federal actors responded to the sustained struggles between local movements and their opponents He tracks the mobilization of black activists by the NAACP the creation of Freedom Summer efforts to galvanize black voters the momentous desegregation of public schools and the rise of all white private academies and struggles over the economic development of black communities From this complex history Andrews shows how the civil rights movement built innovative organizations and campaigns that empowered local leadership and had a lasting legacy in Mississippi and beyond Based on an original and creative research design that combines extensive archival research interviews with activists and quantitative historical data Freedom Is a Constant Struggle provides many new insights into the civil rights struggle and it presents a much broader theory to explain whether and how movements have enduring impacts on politics and society What results is a work that will be invaluable to students of social movements democratic politics and the struggle for racial freedom in the U S

Roster of Soldiers, Sailors and Marines who Served in the War of Rebellion, Spanish-American War and World War Nebraska. Office of the Secretary of State,1925 To Grant to Indians Living Under Federal Tutelage the Freedom to Organize for Purposes of Local Selfgovernment and Economic Enterprise United States U.S. Congress. Senate. Committee on Indian affairs,1934 Freedom's Port Christopher Phillips,1997 Baltimore s African American population nearly 27 000 strong and more than 90 percent free in 1860 was the largest in the nation at that time Christopher Phillips's Freedom's Port the first book length study of an urban black population in the antebellum Upper South chronicles the growth and development of that community He shows how it grew from a transient aggregate of individuals many fresh from slavery to a strong overwhelmingly free community less wracked by class and intraracial divisions than were other cities Almost from the start Phillips states Baltimore's African Americans forged their own freedom and actively defended it in a state that maintained slavery and whose white leadership came to resent the liberties the city's black people had achieved **Extension Service Review** United States. Federal Extension Service,1943 **County Reports** New Hampshire,1888 *The State of Wisconsin Blue Book* ,2001

Delve into the emotional tapestry woven by in Experience **Freedom County** .
