Freedoms Gate:

Freedom's Gate Naomi Kritzer, 2005-04-26 From the acclaimed author of *Fires of the Faithful* comes the tale of an impetuous young woman freeborn in a world of slavery and magic Twenty year old Lauria is the favorite aide to Kyros a powerful military officer On his authority she is messenger observer and spy But now she is entrusted with a mission more dangerous than any that have come before After years of relative peace word has come to Kyros s compound that the bandit tribe known as the Alashi is planning an offensive It is up to Lauria to infiltrate the Alashi by posing as an escaped slave a charge that requires she serve in the household of a neighboring officer From there she will stage an escape and continue on in her guise as a runaway But posing as a slave a virgin concubine no less may prove the least of her troubles For even if she does escape and the Alashi do accept her how can this freeborn woman convince them she is slave not spy And worse what if her own views are gradually changing calling everything she believes about her world into question **Freedom's Gate**

Will Henry, 2009-07-22 What would it mean to discover that the U S Capitol is a temple of ascension one that can be used to tap into a Higher Power Today it means everything Thomas Jefferson called the U S Capitol a temple dedicated to the sovereignty of the people Its builders called it a Temple of Liberty Indeed the U S Capitol was intended as a sacred space a temple for the people Now for the first time ever the profound meaning of the spiritual imagery and artwork of the Capitol is revealed It has the potential to raise your consciousness and the consciousness of America to a new level Investigative mythologist and author William Henry takes you on a journey like never before A true original work on the Capitol co authored with Dr Mark Gray *Freedom s Gate* will change the way we look at the Capitol and challenge those who enter its halls to remember the sacredness of this place and of America **American Hostage** Micah Garen, Marie-Helene

Carleton, 2005-10-11 A rare and powerful story of hope love survival and the struggle to bring back alive a hostage in Iraq Micah Garen and Marie H l ne Carleton were journalists and filmmakers working in Iraq on a documentary about the looting of the country s legendary archaeological sites with their Iraqi translator Amir Doshi In the late summer of 2004 they began to wrap up their work and Marie H l ne returned home while Micah remained for a final two weeks of filming As Micah and Amir were filming in a Nasiriyah market something went horribly wrong Micah who wore a bushy mustache and was dressed in Iraqi clothing was unmasked as a foreigner and kidnapped by militants in southern Iraq Home in New York Marie H l ne awoke to a gut wrenching phone call from Micah s mother with word of his abduction She promised Micah s mother the impossible that together they would bring Micah back alive *American Hostage* is the remarkable memoir of Micah Garen s harrowing abduction and survival in captivity as well as the heroic and successful struggle of Marie H l ne Micah s sister Eva along with family and friends to win Micah s and Amir s release from their captors The world watched and waited as Micah s drama unfolded but the authors now safely home and engaged to be married detail the dramatic untold story After learning of Micah s abduction Marie H l ne took a risky and unusual step instead of relying on the authorities to rescue Micah she

used her recent experience in Iraq to construct a massive grassroots effort to reach out to Micah's captors and plead for his release. As fighting between Coalition forces and the Mahdi Army raged in Najaf, Micah and Amir became pawns in a terrible political game. The kidnappers released a video threatening to kill Micah unless the United States withdrew from Najaf within forty-eight hours. In response, Marie Helene and Micah's families redoubled their efforts, eventually sending a representative to Nasiriyah to lobby for Micah. While Marie Helene worked on his release, Micah imprisoned alongside Amir under armed guard deep in the marshes of southern Iraq lived the nightmare of a hostage haunted by the alternating impulses of hope and despair, his desire for survival and plans of escape. His experience reveals a great deal about the lives and minds of militants in southern Iraq. *American Hostage* is an engrossing and rare story of how hope, love, and communal effort can overcome war, distance, and cultural differences in Iraq.

Freedom's Sisters Naomi Kritzer, 2006-07-25 With a magical gift for bringing sorcery to vivid life, acclaimed author Naomi Kritzer continues the suspenseful tale of Lauria and Tamar, sisters in arms bonded by blood and torn apart by their enemies. As a freeborn servant of the Greeks, Lauria once hunted, escaped slaves. But as her loyalties shifted, she found herself freeing those she once captured and loving those she once mistrusted, like Tamar of the bandit Alashi tribe. Tamar is now Lauria's blood sister. But the powerful Greek sorceresses, the Sisterhood of Weavers, do not take treason lightly, especially when the traitor has liberated the djinni who serve them. Soon Lauria is imprisoned. Desperate, Tamar pleads her case to the Alashi, who send her to sow discord among the Sisterhood. As Tamar searches for Lauria, both in reality and in the dreamlike realm known as the borderland, Lauria must trust the magic within to fulfill a wish both desired and feared: freedom for all.

Freedom's Apprentice Naomi Kritzer, 2005-04-26 With *Freedom's Gate*, acclaimed author Naomi Kritzer introduced a dangerous world of magic and intrigue. Now she continues the story of Lauria, a bold young woman who has turned against a way of life she once believed in. Once the trusted aide to powerful military commander Kyros, freeborn Lauria hunted down his escaped slaves. But during a mission to infiltrate the bandit tribe known as the Alashi, Lauria's loyalties shifted. When her identity was discovered, she was cast out by both sides. Now Lauria is determined to regain the trust of the Alashi and with the help of her blood sister Tamar, liberate those she once returned to captivity. But they cannot accomplish the daunting task alone. Desperate for a spell chain to free a mine slave, Lauria turns to her enemies, the Sisterhood of Weavers, and apprentices herself to a sorceress. But learning to harness magic will come at a greater price than she ever imagined.

Synchronicity Key David Wilcock,2013-08-20 Unlock the key to a universal life force in this astonishing book from the New
York Times bestselling author of The Source Field Investigations and Awakening in the Dream The Source Field
Investigations was a New York Times Wall Street Journal and USA Today bestseller that uncovered hidden science and lost
prophecies to illuminate an entirely new understanding of our world today Now in The Synchronicity Key David Wilcock
embarks on an astonishing investigation into what lies beyond finding proof that everything in our lives is not only connected
but it also influences everything else Using history astrology and synchronicity theory among other concepts Wilcock shows
that there is hidden architecture within time guiding individuals and nations through a system of enlightenment Joseph
Campbell called the Hero's Journey Historical events occur in shockingly precise repeating cycles of time as a result Once we
understand and identify the hidden laws of this seemingly random synchronicity we are left with a remarkable blueprint of
how best to lead our lives in this uncertain and confusing world **Captive City** Jennie Lightweis-Goff,2024-12-10 Explores
the legacies of slavery in Southern cities along the Gulf and Atlantic coasts Cities are fraught sites in the national imagination
turned into identity markers when urban and rural indicate tastes rather than places Cities bring chaos draining the lifeblood
of the nation like a tick draws blood from its host to paraphrase Thomas Jefferson's anti urban polemics which might have
been written during any election year centuries or months ago Racism and anti urbanism were born conjoined during the
Revolution Like their Atlantic coastal counterparts in the US North Southern cities similarly polyglot and cosmopolitan resist
the dominant mutually inclusive prejudices of the nation that fails to contain them on its eroding flooding coasts Captive City
explores the paths of slavery in coastal cities arguing that captivity haunts the hospitality cultures of Charleston New Orleans
Savannah and Baltimore It is not a history of urban slavery but a literary reflection that argues for coastal cities as a distinct
region that scrambles time resisting the post in postindustrial and the neo in neoliberalism Jennie Lightweis Goff offers a
cultural exploration bound by American literature especially life writing by the enslaved as well as compelling reassessments
of works by canonical writers such as Frederick Douglass Harriet Jacobs and Hector St John de Crevecoeur Lightweis Goff
reveals how the preserved yet fragile landscapes of these cities are haunted not simply by the ghost tours that are signature
stops for travelers in their historic districts but by the echoes of slavery in their economies and built environments
