French Canada A Study In Canada:

Discovering French Canada Romey Borges, 2002 **French Canada** Stanley Bréhaut Ryerson, 1943 **French in Canada** Maeve Conrick, Vera Regan, 2007 This book analyses comprehensively the complex linguistic situation in Canada focusing particularly on the position of the French language at both national and provincial levels Language issues in Canada are of great interest to linguists and sociolinguists for many reasons not least because of Canada's policy of official bilingualism Official Languages Act 1969 The authors address a wide range of topics of interest to undergraduate and postgraduate students of French and Linguistics as well as readers with a specialist interest in Canadian or Quebec Studies Individual chapters discuss the historical background to the presence of French in Canada language policy and planning at federal and provincial levels the changing linguistic landscape of Canada in the twenty first century the multilingual community language contact code switching immersion education and the language of the L2 speaker the dynamics of French in Canada language variation and change The status of French in Canada is of relevance to all researchers with an interest in multilingualism a crucial issue in this era of globalisation The authors bring their expertise as linguists to bear on a subject which is of considerable importance internationally as well as within Canada *How to Learn French in Canada* Victor E Graham, 1965-12-15 It is well known that even after several years exposure to high school French most English Canadians remain unable to speak the language It is equally well known that many French Canadians are bilingual One of the more obvious explanations for this relative deficiency on the part of the English Canadian is his lack of opportunities to use the French language in day to day situations and conversely the French Canadian's need to know the second language too often perhaps for economic reasons Professor Graham's book gives useful and practical suggestions on how to go about becoming fluent in French It offers not a course of instruction but a listing of practical ways of applying oneself to a study of the language There is specific up to date information and advice regarding services provided by the governments of Quebec and France courses offered in various Canadian communities clubs and societies correspondence courses universities and summer schools and language laboratories A feature which will be especially helpful for those in remote areas is the listing of publications books newspapers and periodicals music and songs records films and radio and television programmes which provide instruction in French The reader will quickly see that the available means are much more varied than he realizes and it is in providing this concise convenient enumeration of them that Professor Graham performs a great service Any adult who is reasonably proficient in French but wishes to improve will find this a practical and useful guide to ways of making a personal contribution to bilingualism in Canada This study has been prepared under the sponsorship of the Canadian Association for Adult Education **The Seigneurial System in Canada** William Bennett Munro, 1907 **Library of Congress Subject Headings** Library of Congress, 2001 *A Concise Companion to American Studies* John Carlos Rowe, 2010-02-12 A Companion to American Studies is an essential volume that brings together voices and scholarship from

across the spectrum of American experience A collection of 22 original essays which provides an unprecedented introduction to the new American Studies a comparative transnational postcolonial and polylingual discipline Addresses a variety of subjects from foundations and backgrounds to the field to different theories of the new American Studies and issues from globalization and technology to transnationalism and post colonialism Explores the relationship between American Studies and allied fields such as Ethnic Studies Feminist Queer and Latin American Studies Designed to provoke discussion and help students and scholars at all levels develop their own approaches to contemporary American Studies *Library of Congress Subject Headings* Library of Congress. Cataloging Policy and Support Office,2007 **Political Support in Canada** Richard A. Preston,E. Donald Briggs,1983 All governments require popular support and in democracies this support must be maintained by noncoercive means This book analyzes the question of political support in Canada a country in which the maintenance of the integrity of the political community has been and continues to be in the words of the editors the single most salient aspect of the country s political life The nature of popular support is first considered in broad theoretical terms then from the standpoint of those agents most responsible for maintaining support in Canadian democracy then as influenced by particular issues and policies and finally as it affects and is affected by the separatist movement in Quebec *Library of Congress Subject Headings* Library of Congress. Subject Cataloging Division,1988 *Calendar of Queen's College and University, Kingston, Canada for the Year ...* Queen's University (Kingston, Ont.),1927 **Calendar of Queen's University at Kingston, Canada ...
