Friday Afternoon Reflections On The Seven Last Words:

Friday Afternoon Neville Ward, Joseph Neville Ward, 1984 **The Last Words of Jesus** Daniel P. Horan, 2020-03-05

Much has been written on the last words of Jesus the traditional phrases taken from Scripture that depict the final moments of Jesus's life as he dies on the cross. In this new take on the last words author Dan Horan brings a fresh perspective to this time honored meditation as he challenges readers to look at their lives through the lens of Jesus's suffering and death. Yet interlaced with suffering the focus throughout is on the immense love of God for human beings shown in the gift of Jesus. God made flesh. In his preface Horan writes, "In a world that remains irrevocably shaped by the suffering of the human condition the misunderstanding between groups and cultures symbolized by the horrific events of September 11 we need to hear Christ's words anew. He gives us a different look into these words by drawing on works by other noted scholars and spiritual writers then fashioning a view of these phrases that's contemporary and thought provoking. An ideal Lenten companion especially during Holy Week." *The Last Words of Jesus* will also serve as a useful meditation throughout the year on the deep love Jesus bore for us in taking on the human condition. The audio edition of this book can be downloaded via Audible.

Five for Sorrow, Ten for Joy J. Neville Ward, 2005-09-01 Since earliest times Christians have used pebbles a string of knots or beads on a cord to keep track of their prayers and prayer beads can be found in virtually every major religious tradition in the world. Anglicans and other Protestants have also begun to use the rosary to help refresh a life of prayer; it creates a rhythm that helps wean us from our distractions and focus our attention so that we can more readily move into God's presence. As the beads and prayers recede into the background the mysteries that make up the rosary come into our minds and hearts like religious pictures or icons. First published in 1975 J. Neville Ward's unusual collection of meditations offer an entirely new approach to the rosary for all Christians. He begins with its traditional use and then offers fifteen insights into the life of Jesus and his mother Mary that can speak to us today. Thus a meditation on the sorrowful themes reminds us of the suffering that is so much a part of our own lives while the joyful and glorious mysteries speak of the desire for faith, hope, and love that will heal them. These reflections serve up a rich spiritual repast for Christians seeking new contemplative practices and learning to pray with the rosary.

The Dying of Jesus Owen F. Cummings, 2016-07-13 The liturgical season of Lent and Good Friday are very important for Christians as they meditate and reflect upon the dying of Jesus. These are traditions that take us back to the very beginnings of the Christian tradition. From early times pilgrims have made their way to the Holy Land especially Jerusalem to walk where Jesus walked and to remember his death on the cross. Not everyone can go to Jerusalem and we cannot stand at the foot of the cross of Jesus but the Stations of the Cross and the Seven Last Words may take us to Jerusalem and to Calvary imaginatively.

For the Life of the World Robert J. Dean, 2016-05-13 What is the church? What is its mission in the world? Modern Protestantism's inability to provide a clear answer to these seemingly simple questions has resulted in vast confusion amongst pastors about the nature of their calling and has left congregations languishing without a

clear reason for existence Many of the voices and allegiances competing for the churches attention have rushed in to fill the void with the result that the church in modernity has frequently found itself captive to the prevailing culture Yet from within the belly of highly culturally accommodated churches both the German pastor theologian Dietrich Bonhoeffer and the American theological ethicist Stanley Hauerwas were able to articulate compelling visions of churches freed from their cultural captivity in order to truly and freely serve God and neighbor Against the complex and confusing backdrops of Nazi Germany and late twentieth and early twenty first century America respectively Bonhoeffer and Hauerwas sought to recover the ethical and political character of the Christian faith through recalling the church back to the christological center of its faith Together they provide a rich set of complementary and at times mutually correcting resources for the contemporary church as it seeks to faithfully bear witness to Christ amidst the ruins of Christendom

And Still We Wait Riyako Cecilia Hikota,2018-01-30 In response to the recent critiques made against Balthasar s interpretation of Christ s descent into hell on Holy Saturday this book argues that Balthasar does not intend to present a radical reinterpretation of the doctrine in contrast to the traditional teachings but rather intends to fully appreciate the in betweenness of Holy Saturday as the day of transition from the cross to the resurrection from the old aeon to the new The book further argues that this awareness of the in betweenness can be detected throughout Balthasar s theological corpus and provides a clue to interpret his thoughts on Christian discipleship and suffering After all the Christian existence is also characterized by the transition from the old aeon to the new from suffering to victory The Christian believes that their victory is already here and not here yet In this sense the Christian still lives in Holy Saturday Eventually we can deepen our understanding of Christian discipleship and suffering in the light of Holy Saturday In short we could patiently endure our Holy Saturday because of Christ s Holy Saturday in hell

The Write Therapy Gemma B. Pagaddut,2022-02-28 You are reading this book because I found a way to fill my empty soul and that is by writing This gentle activity is a great means to express my joy and exercise my mind and to console myself from personal problems and stresses including my bitterness about my failures in life and my sadness over the evils happening in this society But I am not a writer I have not written any novel or short story or any article published in a book or a magazine I have not written a single poem for the world to read not a memoir in honor of somebody whose life I wish to cherish But I have long wanted to write a book I just didn't know how to do it And even if I wrote small pieces I didn't think they could qualify for publication yet I have always been struck with the idea of writing I love the cuteness of poetry and the entertaining power of stories In this book you will learn that personal writing can turn into book publishing and that writing your personal reflections on various issues and subjects could be a way of sharing life messages to those who need them It has been a tremendous task but the determination to write and share my story made this book a reality *American Book Publishing Record* ,2005 The Catholic Periodical and Literature Index ,1986 *Thoughts on the Seven Last Words of Christ Crucified* Frederick Cavan Blyth,1880
