Harvard Human Rights Yearbook Volume 1 1988:

The Universal Declaration of Human Rights Gudmundur Alfredsson, Asbjørn Eide, 2023-06-26 This volume celebrates the 50th anniversary of the Universal Declaration of Human Rights UDHR In so doing it offers a comprehensive and systematic treatment of the rights and duties contained in the UDHR in the light of its history the intentions of its drafters and the standard setting activities and monitoring efforts which have grown out of its existence Each article of the UDHR is treated in a separate chapter each chapter is written by different authors all scholars from or associated with the Nordic countries all active in human rights work either academically or in the field A consolidated bibliography completes the collection The subtitle of this volume is A Common Standard of Achievement a phrase drawn from the Preamble of the UDHR In many ways this collection is intended to demonstrate that this phrase has to a considerable extent come true The Forsaken People Roberta Cohen, Francis M. Deng, 2010-12-01 The coerced displacement of people within the borders of their own countries by armed conflicts internal strife and systematic violations of human rights has become a pervasive feature of the post Cold War era The plight of the displaced poses a challenge that is not only humanitarian but a threat to the security and stability of countries regions and through a chain effect the international system This book contains case studies of ten countries that have suffered severe problems of internal displacement Burundi Rwanda Liberia and the Sudan in Africa the former Yugoslavia and the Caucasus in Europe Tajikistan and Sri Lanka in Asia and Colombia and Peru in the Americas The contributors are Thomas Greene Randolph C Kent Jennifer McLean Larry Minear Liliana Obregón Amir Pasic Hiram A Ruiz Colin Scott H L Seneviratne Maria Stavropoulou and Thomas G Weiss Additionally the contributors and editors offer recommendations for further action **Moral Issues in Global Perspective - Volume 1: Moral and Political Theory - Second Edition** Christine Koggel, 2006-03-02 Now available in three thematic volumes the second edition of Moral Issues in Global Perspective is a collection of the newest and best articles on current moral issues by moral and political theorists from around the globe Each volume seeks to challenge the standard approaches to morality and moral issues shaped by Western liberal theory and to extend the inquiry beyond the context of North America Covering a broad range of issues and arguments this collection includes critiques of traditional liberal accounts of rights justice and moral values while raising questions about the treatment of disadvantaged groups within and across societies affected by globalization Providing new perspectives on issues such as war and terrorism reproduction euthanasia censorship and the environment each volume of Moral Issues in Global Perspective incorporates work by race class feminist and disability theorists Moral and Political Theory the first of the three volumes surveys a number of traditional Western liberal approaches to moral theory human rights justice and democracy as well as contemporary critiques of these approaches With nineteen new essays three of which were written especially for this edition this volume covers the necessary theories for understanding moral issues in a global context Moral Issues in Global Perspective is available in three separate volumes Moral and Political Theory Human Diversity

and Equality and Moral Issues The Legal Nature of International Human Rights Michael K. Addo, 2010-05-17 The role and influence human rights in society has been enhanced by its association with international law and yet despite this legal springboard the scope of its legal nature remains uncertain By analysing the work of international human rights courts and treaty bodies alongside a brief historical review this book assesses the distinctive legal dimension of human rights It concludes that the legalisation of human rights is an unplanned and evolving social construct that continues under the managerial oversight of international human rights courts and treaty bodies which employ the primary tool of treaty interpretation These characteristics of the legal environment of human rights in international law provide a good appreciation of the law itself and its limits **Economic, Social and Cultural Rights** Asbjørn Eide, Catarina Krause, Allan Rosas, 2001-06-01 The first edition of this text was a textbook on internationally recognized economic social and cultural rights While focusing on this category of rights it also analyzed their relationships to other human rights civil and political in particular This revised edition updates the information Guide to International Human Rights Practice Hurst Hannum, 2021-11-22 The standard work in its field this updated and expanded edition presents an eminently practical nuts and bolts guide to international human rights law and practice The contributors all specialists in their areas of expertise offer a panoramic yet meticulously detailed survey of the many techniques now available to protect human rights at global regional and national levels Appendices include a bibliographic essay that serves as a mini guide to contemporary human rights literature in both print and on line sources Published under the auspices of the Procedural Aspects of International Law Institute PAIL Paperback version of this title is available for classroom adoption only at cost of 25 00 copy 10 copy minimum Published under the Transnational Publishers imprint *Human Rights in Africa* Abdullahi Ahmed An-naim, Francis M. Deng, 2010-12-01 This powerful volume challenges the conventional view that the concept of human rights is peculiar to the West and therefore inherently alien to the non Western traditions of third world countries This book demonstrates that there is a contextual legitimacy for the concept of human rights Virginia A Leary and Jack Donnelly discuss the Western cultural origins of international human rights David Little Bassam Tibi and Ann Elizabeth Mayer explore Christian and Islamic perspectives on human rights Rhoda E Howard Claude E Welch Jr and James C N Paul examine human rights in the context of the African nation state Kwasi Wiredu James Silk and Francis M Deng offer African cultural perspectives and Abdullahi Ahmed An Na im and Richard D Schwartz discuss prospects for a cross cultural approach to human rights *Armed Intervention and Consent* Dino Kritsiotis, Olivier Corten, Gregory H. Fox, 2023-07-06 Three experts address the law governing armed interventions based on real or alleged consent of states embroiled in military strife **The Protection of Human Rights in African Criminal Proceedings** M. Cherif Bassiouni, Ziyad Motala, 2023-11-27 This book contains a collection of articles by authors from countries in Africa The topics cover a wide range of issues in the administration of criminal justice and human rights The different scholarly contributions facilitate a better understanding of

certain aspects of the administration of criminal justice in the African sub region and focus on specific human rights issues as they relate to international and African instruments on the protection of human rights

Human Rights in Cross-Cultural Perspectives Abdullahi Ahmed An-Na'im, 2010-08-03 Human rights violations are perpetrated in all parts of the world and the universal reaction to such atrocities is overwhelmingly one of horror and sadness Yet as Abdullahi Ahmed An Na'im and his contributors attest our viewpoint is clouded and biased by the expectations native to our own culture How do other cultures view human rights issues Can an analysis of these issues through multiple viewpoints both cross cultural and indigenous help us reinterpret and reconstruct prevailing theories of human rights

Human Rights in the Global Information Society Rikke Frank Jorgensen, 2006-06-09 International organizations governments academia industry and the media have all begun to grapple with the information society as a global policy issue The first United Nations World Summit on the Information Society WSIS held in December 2003 recognized the connections between information technology and human rights with a Declaration of Principles in effect the first constitution for cyberspace that called for the development of the information society to conform to recognized standards of human rights Critical issues in the policy debates around WSIS have been the so called digital divide which reflects a knowledge divide a social divide and an economic divide and the need for a nondiscriminatory information society to provide universal access to information technology in local languages throughout the developing world Other crucial issues include the regulatory frameworks for information access and ownership and such basic freedoms as the right to privacy The contributors to this timely volume examine the links between information technology and human rights from a range of disciplinary perspectives Scholars human rights activists and practitioners discuss such topics as freedom of expression access to information privacy discrimination gender equality intellectual property political participation and freedom of assembly in the context of the revolution in information and communication technology exploring the ways in which the information society can either advance human rights around the world or threaten them An afterword reports on the November 2005 WSIS held in Tunis and its reaffirmation of the fundamental role of human rights in the global information society Contributors David Banisar William Drake Ran Greenstein Anriette Esterhuysen Robin Gross Gus Hosein Heike Jensen Rikke Frank J rgensen Hans Klein Charley Lewis Meryem Marzouki Birgitte Kofod Olsen Kay Raseroka Adama Samass kou Mandana Zarrehparvar

Select Proceedings of the European Society of International Law, Volume 3, 2010 James Crawford, Sarah Nouwen, 2012-01-09 This book continues the series Select Proceedings of the European Society of International Law containing the proceedings of the Fourth Biennial Conference organised by ESIL and the University of Cambridge in 2010 The title of the conference was International Law 1989 2010 A Performance Appraisal The highlights selected for publication in this volume cover a wide spectrum of topics in international law

The Cambridge Handbook of New Human Rights Andreas von Arnould, Kerstin von der Decken, Mart Susi, 2020-01-02 The book provides in depth insight to scholars practitioners and activists dealing with human rights their

expansion and the emergence of new human rights Whereas legal theory tends to neglect the development of concrete individual rights monographs on new rights often deal with structural matters only in passing and the issue of new human rights has received only cursory attention in literature By bringing together a large number of emergent human rights analysed by renowned human rights experts from around the world and combining the analyses with theoretical approaches this book fills this lacuna The comprehensive and dialectic approach which enables insights from individual rights to overarching theory and vice versa will ensure knowledge growth for generalists and specialists alike The volume goes beyond a purely legal analysis by observing the contestation rhetorics the struggle for recognition of new human rights thus speaking to human rights professionals beyond the legal sphere *Behind the Disappearances* Iain Guest,1990-10-2 The War Begins *Asian Yearbook of International Law* 1993 Ko Swan Sik,M. C. W. Pinto,J. J. G. Syatauw,1994-12-01 The Asian Yearbook of International Law is the first publication dedicated primarily to international law as seen from an Asian perspective It provides a forum for the publication of articles in the field of international law written by experts from the region and also other articles relating to Asian topics Its aim is twofold to promote the dissemination of knowledge of international law in Asia and to provide an insight into Asian views and practices which will be especially useful to a non Asian readership As a rule each volume of the Asian Yearbook contains Articles Notes State Practice a Chronicle of Events and Incidents United Nations Activities with Special Relevance to Asia a Survey of Activities of the Asian African Legal Consultative Committee a Bibliography and a Documents section **Economic, Social and Cultural Rights** Ralph Beddard,Dilys M. Hill,2016-07-27 This book explores two main themes First the claim that these welfare education health and equality can be accorded the status of rights Second and relatedly the issue of whether they are justiciable that is can they be the subject of adjudication and enforcement through traditional legal mechanisms This book provides a timely and wide ranging exploration of these topical and controversial issues *The African Charter of Human and Peoples' Rights* Fatsah Ouguergouz,2021-11-22 This work reveals the true dimension of the African Charter through a systematic analysis of its real or apparent innovations and a detailed assessment of the commitments of the States parties It also analyzes the effectiveness of the mechanism put in place to monitor compliance with those commitments examining the practice of the African Commission on Human and Peoples Rights from its establishment in 1987 It incorporates major recent achievements in the field of the protection of human rights in Africa including the creation of the African Court of Human and Peoples Rights and the establishment of the African Union This work is the expanded and updated English version of La Charte africaine des droits de l homme et des peuples Une approche juridique des droits de l homme entre tradition et modernit Presses Universitaires de France Paris **Remedies in International Human Rights Law** Dinah Shelton,2015-10-22 The fully revised and updated Third Edition of Remedies in International Human Rights Law provides a comprehensive analysis of the law governing international and domestic remedies for human rights violations It reviews and examines the texts and the

jurisprudence on this key area of human rights law It is an essential practical and theoretical resource for policymakers scholars and students negotiating and litigating issues of redress for victims The Third Edition incorporates the major developments in remedial human rights jurisprudence Internationally the United Nations and the International Criminal Court have issued reparations guidelines the International Court of Justice has for the first time awarded compensation for human rights violations the International Law Commission has considered the humanitarian responsibility of international organizations and new international petition procedures and policies on redress have entered into force Regionally in Asia and Africa human rights bodies have adopted new human rights accords and legal judgments in Europe the human rights case load unceasingly increases Nationally the jurisprudence of historical reparations has come to the fore as has the juridical consideration of economic and social rights All of these developments are analysed in context and create a comprehensive and accessible portrait of the state of remedial human rights law today The Riddle of All Constitutions Susan Marks, 2003 The promotion of democracy is today a familiar feature of foreign policy and an accepted part of the activities of international organizations Should international law join in this move to promote democratic political arrangements If so on what basis and with which of the many competing conceptions of democracy Drawing on an eclectic range of source material the author examines current debates about the emergence of an international legal norm of democratic governance and considers how proposals for such a norm might be rearticulated to meet some of the concerns to which they give rise She also uses these debates to illustrate some more general points about approaches to the study of international law In doing so she seeks to defend an approach to international legal scholarship that takes its cue from the tradition of ideology critique The Soldier and the State in South America P. Silva, 2001-01-19 After a long era of military rule the South American nations have been working on the construction of a new democratic order This book provides a long term historical assessment of the main features of civil military relations in this region from independence in the early nineteenth century to the current process of democratic consolidation with special attention to the cases of Argentina Brazil Chile and Peru
