Performing Farmscapes Susan C. Haedicke,2021-12-06 This book argues that the performance based work in the featured case studies contributes to the construction of food democracy where the public takes back decision making in shaping the food system It explores how contemporary artists translate scientific research about local and global agricultural issues into life stories that inform and engage their audiences and in so doing transform passive food consumers into proactive food citizens The pairing of performing and farmscapes complex webs of farmlands and storylines enables artists to use embodied practices to encourage audiences to imagine a just and sustainable agri food system and to collaborate on making it a reality The book arranges the case studies on a trajectory that moves from projects that foreground knowledge acquisition to ones that emphasize social engagement by creating conversations and coalitions between farming and nonfarming communities to a final one that pairs protest art and political activism to achieve legally binding changes in the agricultural landscape **The Palestinians** Cheryl Rubenberg,2003 A forceful penetrating critique of the Oslo Accordsand their devastating aftermath *All Power to the Lamb* James R. Johnson,2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the

saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age

Bringing in the Sheaves Brent D. Shaw, 2013-01-01 The annual harvesting of cereal crops was one of the most important economic tasks in the Roman Empire Not only was it urgent and critical for the survival of state and society it mobilized huge numbers of men and women every year from across the whole face of the Mediterranean In *Bringing in the Sheaves* Brent D Shaw investigates the ways in which human labour interacted with the instruments of harvesting what part the workers and their tools had in the whole economy and how the work itself was organized Both collective and individual aspects of the story are investigated centred on the life story of a single reaper whose work in the wheat fields of North Africa is documented in his funerary epitaph The narrative then proceeds to an analysis of the ways in which this cyclical human behaviour formed and influenced modes of thinking about matters beyond the harvest The work features an edition of the reaper inscription and a commentary on it It is also lavishly illustrated to demonstrate the important iconic and pictorial dimensions of the story

Reading Early Hammett LeRoy Lad Panek, 2004-09-22 Dashiell Hammett like most successful writers honed his skills in the trenches Long before *The Maltese Falcon* and *The Thin Man* made him a household name Hammett developed his technique writing satirical magazine pieces then moved on to churn out tales of sex crime and adventure for pulp magazines Characters like Sam Spade and Nick and Nora Charles made him famous but Hammett perfected his style and created the first hard boiled detective fiction writing stories and novels about an anonymous middle aged detective known as the Continental Op This detailed examination of the early works of Dashiell Hammett takes a new look at one of the 20th century s most influential crime writers and his creation of the hard boiled detective story Each chapter covers an element of Hammett s early writing career his magazine fiction the Continental Op s development as a character the Continental Op novels and the last Continental Op stories A

concluding chapter provides afterthoughts on Hammett's career style and place in the history of detective fiction. A chronology of works cited, a bibliography, and an index supplement the text.

The Tenants in the Vineyard John S. Kloppenborg, 2006 John S. Kloppenborg gives a detailed analysis of one of the most difficult of Jesus' parables, the parable of the Tenants (Mark 12:1-12; Gospel of Thomas 65). He examines the ways in which Christians have typically read and misread the parable and places the parable firmly in the context of the practices of ancient viticulture. The author models a new approach to the interpretation of the parables of Jesus. First, he critically engages the history of interpretation of the text, inquiring into the ideological interests that the parable has engaged during the history of its use in Christian churches and in political discourse. Second, he reconstructs the social world in which the parable was first told, in particular the economic, social, and legal aspects of ancient viticulture. He demonstrates that the parable of the Tenants has mostly been interpreted from the standpoint of those who wield social and political power, a strange irony considering the social status of the Jesus of history and the literary uses of the parable. All of the features common to the parable as it is told by Mark and the Gospel of Thomas make it a perfectly realistic story. It is only Mark's editing of the story that takes it beyond the realistic idiom characteristic of Jesus' other parables. The book concludes with a dossier of 58 papyrus documents relating to various aspects of viticulture and agrarian conflict. It was awarded the 2007 Francis W. Beare Book Award by the Canadian Society of Biblical Studies.

Trampling Out the Vintage Frank Bardacke, 2012-10-09 The first ever comprehensive history of the rise and fall of the United Farm Workers and its infamous leader Cesar Chavez, one of the most attractive and charismatic figures U.S. politics has produced. The Guardian: In its heyday, the United Farm Workers was an embodiment of its slogan "Yes we can" in the form of Se Pasa, winning many labor victories, securing collective bargaining rights for farm workers, and becoming a major voice for the Latino community. Today it is a mere shadow of its former self. *Trampling Out the Vintage* is the authoritative and award-winning account of the rise and fall of the United Farm Workers and its most famous and controversial leader, Cesar Chavez. Based on interviews conducted over many years with farm workers, organizers, and the opponents and friends of the UFW, the book tells a story of collective action and empowerment, rich in evocative detail and stirring human interest. Beginning with the influence of the ideas of Saul Alinsky and Catholic Social Action at the union's founding, through the UFW's thrilling triumphs in the California fields, the drama concludes with the debilitating internal struggles that effectively crippled the union. A vivid rendering of farm work and the world of the farm worker, *Trampling Out the Vintage* is a dramatic reappraisal of the political trajectory of Cesar Chavez and the United Farm Workers and an essential re-evaluation of their most tumultuous years.

Adventure, Mystery, and Romance John G. Cawelti, 2014-02-07 In this first general theory for the analysis of popular literary formulas, John G. Cawelti reveals the artistry that underlies the best in formulaic literature. Cawelti discusses such seemingly diverse works as Mario Puzo's *The Godfather*, Dorothy Sayers's *The Nine Tailors*, and Owen Wister's *The Virginian* in the light of his hypotheses about the cultural function of formula.

literature He describes the most important artistic characteristics of popular formula stories and the differences between this literature and that commonly labeled high or serious literature He also defines the archetypal patterns of adventure mystery romance melodrama and fantasy and offers a tentative account of their basis in human psychology
