throughout the day Topical Index      *What Do You Really Want?* Cayla Craft,2024-03-05 Don't settle for less in your life. Unlock a new way of thinking that can transform your world and help you achieve the life you've been longing for. In *What Do You Really Want*, successful entrepreneur and life coach Cayla Craft reveals seven questions that can unlock a new paradigm for dreaming, envisioning, and activating the life story you want to live. Has it ever felt like your life hasn't turned out quite like you thought it would? Maybe you have a sense something isn't working, but you can't figure out what. We all want to experience greater joy, peace, and love in our lives. We all want to find our true purpose and live an abundant life. But to do that, we first have to ask ourselves a few questions and get to know someone who we might be unconsciously allowing to drive our lives. Our younger selves. Cayla Craft was working as an ER nurse when she realized that it wasn't what she really wanted. As she started getting honest with herself and answering some tough questions, she realized that she was unconsciously believing a lot of unhelpful narratives about herself that were influencing her everyday life. This realization led to her quitting her day job and developing the Take 7 approach to personal growth and fulfillment that has helped thousands of women live their best lives. Only when she took charge of her life's narrative and the stories she was telling herself did she find the life of her dreams. In *What Do You Really Want*, Cayla guides you through the seven questions that can change everything: What's not working for me in my life? When did I first start accepting that? What little me is showing up right now? What is a better way of looking at this? Where is there space for gratitude in this? What do I really want? What is the best next step for me? *What Do You Really Want* will show you how to eliminate areas of self-sabotage by learning how to take control of your narrative. Find the courage to identify and make the necessary sacrifices to create the life you were made for. Replace a cycle of toxic positivity with action that comes from a place of truth and self-knowledge. When you learn to use this self-coaching method, you'll discover the more enriching, deeply fulfilled life that God intended you to have. *What Do You Really Want* goes beyond current explanations about how narratives shape us and helps you discover the questions you should be asking so you can use those answers to inspire a transformation in your life and the lives of others.      **You're Going to Be Okay** Holley Gerth,2014-02-04 Sometimes it feels like life's falling apart at the seams.
