Nunes,2011-06-01 Angela Thornberry is facing the greatest challenge of her life All around her people talk about miracles happening to them and how God acts in their behalf Even the scriptures are full of angels and miracles As she and her family teeter on the brink of losing everything Angela needs one of those angels now more than ever Her faith wavers as everyone around her seems to receive divine help everyone except her Doesn t she too deserve an angel of mercy Does the Lord have a plan for her or has her lifetime of faith been misplaced Then something strange begins to happen and her entire life changes yet again In this fast moving novella Rachel Ann Nunes has given readers a vivid peek into the life of a regular Mormon family facing an impossible trial Or is it impossible The Gift of Angels will not only make you aware of the angels in your life but inspire you to become someone else s angel An inspirational novella a sort of fictional nonfiction that puts me in mind of

The Peacegiver by James L Ferrell Nunes uses a similar approach to reveal important life principles except the fiction in A Gift of Angels is a lot more realistic Loved it The family in The Gift of Angels is so real it could be my own I don t normally like nonfiction books but this book has all the perceived value of a nonfiction title with the reading ease of fiction I recommend The Gift of Angels to anyone who is going through trials or who has ever asked the question Why me In The Gift of Angels Nunes shows a perception that goes deeper than most fictional reads I highly recommend it     *The Alternate Celebrations Catalogue* Milo Shannon-Thornberry,1982     Lutheran Evangelist ,1904     The Friends Herald ,1921     **The Economist** ,1868
