A Handbook for Visitors to the Bernice Pauahi Bishop Museum of Polynesian Ethnology and Natural History Bernice Pauahi Bishop Museum, William Tufts Brigham, 1903 Kingship and Sacrifice Valerio Valeri, 1985-06-15 Valeri presents an overview of Hawaiian religious culture in which hierarchies of social beings and their actions are mirrored by the cosmological hierarchy of the gods As the sacrifice is performed the worshipper is incorporated into the god of his class Thus he draws on divine power to sustain the social order of which his action is a part and in which his own place is determined by the degree of his resemblance to his god The key to Hawaiian society and a central focus for Valeri is the complex and encompassing sacrificial ritual that is the responsibility of the king for it displays in concrete actions all the concepts of pre Western Hawaiian society By interpreting and understanding this ritual cycle Valeri contends we can interpret all of Hawaiian religious culture Tonino John G. Stoffolano Jr., 2011-05-23 Tonino is a young curious cricket boy living with his family in Boston Life is good for young Tonino but he suspects theres more to the world than his own backyard He wants to learn about foreign cultures but mostly he wants to learn about his own family roots He heads to Italy where he is surprised to meet the famous Blue Fairy who was friends with Toninos ancestor the cricket guide to Pinocchio Whereas Toninos ancestor was put in charge of young Pinocchios conscience Tonino is given a much more universal conscience He is charged with the conscience of the world and the well being of its environment a big change to his personal journey No longer is he looking after the story of his family now he looks after the story of Mother Earth Suddenly he is transported on a worldwide adventure He heads to Puerto Rico and meets the Ta no people He visits a monarch in Mexico and cricket warriors in China In the American Southwest he learns about the spirit of the cricket katsina in Hawaii he encounters Peles rage Its a lot to take in for the young cricket boy but ultimately he discovers that seeking his roots is only the beginning in the wide world of biodiversity cultural diversity and conservation of both The boy cricket is baptized Anthony at Our Lady of Mount Carmel Church His parents live in the North End where his mother kept hearing the television advertisement Anthony Anthony Its Prince Spaghetti Day so they named him Anthony Naming him Anthony was straight forward but naming him Tonino was at the brilliant suggestion of Dr William Cooley retired Northampton Ophthalmologist and avid italophile Dr Cooley sent Dr Stoffolano a short novel by an Italian author named Rodari about a young boy Tonino who tries to become invisible so that he could avoid problems with his teacher Rodari 1920/1980 was one of

Italy's best known writers of children's books and the recipient of the Hans Christian Andersen Medal for children's literature. Thus the name and his ability to become invisible are incorporated into the story. In addition to this reference to his nickname Tonino is a small cricket because he always ate Italian food in the North End and not cricket food. Thus he also got the name Tonino which means little Anthony in Italian from Joe Pace who owns and started Joe Pace Sons Italian Specialties in Boston's North End. In his novel *Stoffolano* establishes the first lineage for this famous cricket family. Tonino's great great grandfather was Grillo parlante the talking cricket in the original story *Pinocchio*. Grillo was also the conscience of *Pinocchio* and Grillo's great grandson was the famous Jiminy Cricket in Walt Disney's classic movie *Pinocchio*. In this wonderful story about Tonino the reader sees many different regions of the world through the eyes of this boy cricket where through the experiences of Tonino the reader will learn more about how crickets played various and important roles in different indigenous cultures. Tonino's charge by the Blue Fairy was to become the conscience of the world when it comes to environmental issues. A heavy responsibility for a small boy cricket. The importance of cultural diversity just as important as biodiversity is stressed and Tonino takes on Dr E O Wilson one of the greatest thinkers/writers of our generation as his mentor.
