She was of American blood born in the islands He was a native islander Their love bridged two worlds that would one day threaten to tear them apart As a child Jana Rutherford played barefoot on the sparkling Hawaiian beaches with her friend Akela and Akela s handsome cousin Kimo But that carefreeness would change as Jana grew and the quality of her and Kimo s friendship grew as well into something deeper stronger It was then that Jana first heard the whispers He s not her kind and discovered the differences people drew between a Hawaiian born American and a native islander Faced with the ignorance of others and a painful time of separation from Imo it would be easy for Jana s love to grow cold Especially with Bayard the dashing brother of Jana s wealthy friend Edith showing such evident interest Attractive charming and of American stock like herself Bayard represented a lavish exciting world that Jana had only read about But Kimo stood for all she had known and loved In each intricate quilt of the Hawaiian women a secret was hidden known only to its creator a story contained in its design Jana s life seemed much like a quilt delicately yet passionately fashioned by a Creator who knew how to assemble the pieces into a mysterious glorious pattern a life s tale yet untold      Hawaiian Quilting Elizabeth Root, 1989-01-01
