Anderson, Dave Park, 2001-12-04 Once depression was thought only to be an adult problem But research clearly indicates that depression has become common among modern teens and pre teens Often teens struggling with depression don't believe that anyone can relate to their circumstances or understand what they are going through But Jesus knows what it's like to feel rejected unloved and let down by the people we love And the Bible tells us that a close walk with Christ will give us a sound mind Now the Breaker Youth Edition show teens how Jesus can change the way they think and the way they live **Transforming Faith Communities** Michael I. Bochenski, 2013-03-14 Transforming Faith Communities argues for a model of being church that combines congregationalism with a constructive approach to church state relationships Congregationalism within a vision for a renewed Christendom is commended here as a viable option for Christian mission in the twenty first century world In making this case two movements are explored those inspired by sixteenth century Anabaptism and late twentieth century Latin American liberation theology Each movement is held up as a mirror to the other A continuing vision for the transformation of church and society emerges from this book as a number of contemporary resonances begin to sound These include an outline of some likely common features in the development of radical religious communities an examination of some of the factors that create world affirming Christian faith communities and many examples of effective and constructive engagement with church and society across the centuries Freedom in Covenant Robert D. Cornwall, 2015-09-21 In an age of decreasing denominational loyalty questions of identity have become important Both church members and inquirers wonder what to make of a denomination's core values mission and common practices Because the Christian Church Disciples of Christ was born as a movement of reform on the American frontier during the early nineteenth century it is marked by the time and place of its birth The message it offered at the time was one of Christian unity rooted in theological simplicity and freedom of belief and practice This message influenced the way the tradition came to understand biblical interpretation theology the sacraments ministry and its eschatology As the movement matured many recognized that this message of freedom could lead to unfettered individualism and tended to undermine congregational life and cooperation beyond the congregation In response Disciples leaders turned to the biblical idea of covenant to balance the message of freedom and link congregations with other forms of church without creating hierarchical systems If as some have suggested this is a movement whose time has come then it is important to understand the movement's identity and core values which have been formed within the fulcrum of the tension existing between freedom and covenant The Freedom of a Christian Ethicist Brian Brock, Michael Mawson, 2016-01-14 What is the significance of the Protestant Reformation for Christian ethical thinking and action Can core Protestant commitments and claims still provide for compelling and viable accounts of Christian living This collection of essays by leading international scholars explores the relevance of the Protestant Reformation and its legacy for contemporary Christian ethics *Road Trip to Freedom* Patrick A.

Bruner, 2008 Consequences stem from the choices we make The results may come from exposures to socialization and enculturation While these affects are sometimes good at times we may need to re address our views We have a tendency to perceive our realities in similar ways due to repetition shared with our social institutions our language we speak and our ever increasing diverse culture Now is the time to employ the critical theory If we were taught that we cannot change the world maybe together we can There may be times when un learning something can be as important as learning something new The old cliché like father like son may not necessarily be true Always study your Bible and always ask the Holy Spirit for guidance before acting upon any revelation during this journey of transformation and those journeys to follow Write notes in your journals on the back pages of each chapter Please join me in a prayer and may God Bless each of you Dear Lord Please give me the power to openly declare that I am now free from the fears from Man and those fears from within These fears have been a trap and pit for me most of my life here on earth Please continue to give me the strength and needed knowledge to trust in and depend upon you Lord I put my confidence in you Lord God from here on I am safe special in your eyes and ready to seek eternity on high with you Lord In Jesus name we pray amen Patrick Bruner
