French Passion:

The French Passion Jacqueline Briskin, 2015-04-21 Writing under the nom de plume Diane du Pont New York Times bestselling author Jacqueline Briskin brings to life the fury and intrigue of the French Revolution in a spellbinding sensual novel of passion betrayal and love Manon d Epinay is on her way to Paris to wed one of the most powerful nobles in France an adviser to King Louis But en route her coach is attacked by marauding revolutionaries To save her family Manon strikes a devil s bargain with a seductive highwayman that will seal her fate For revolution is about to tear France apart and transform her life forever The French Passion is the vibrant story of three ardent people at a momentous turning point in history Manon a daring impoverished aristocrat caught between two charismatic men who does what she must to survive Andre whose past is cloaked in mystery and who risks his life to protect the woman he loves as he fights to bring justice and equality to his countrymen and the Comte de Crequi bound by the age old laws of nobility and class whose passions for his country and for Manon run deeper than anyone could have imagined Marx, A French Passion Jean-Numa Ducange, Anthony Burlaud, 2023-02-27 Despite the collapse of Soviet style socialism the spectre of Marx still haunts the French imagination This is no accident in a country whose intellectual life and political history have long been marked by his multiple presences This volume offers a historical and sociological insight into the way his thought has been received in the French context from his own lifetime to the present Analysing Marx s place and influence in the French intellectual political and artistic debate across the political spectrum and even in the French speaking colonial world it helps us understand the uses and misuses of an uvre of paramount importance *A History of French Passions 1848-1945* Theodore Zeldin, 1993 No QB copy **The Northern Passion: Introduction. Old French passion. Variants and fragments. Notes and glossary** Frances Allen Foster, Wilhelm Heuser, 1916 *France since the 1970s* Emile Chabal, 2014-12-18 Until the mid 20th century France saw itself as a great power with universalist aspirations and global ambitions But the Second World War and decolonisation irrevocably changed France s place in the world Despite attempts to restore the country s grandeur in the 1960s the French have been forced to reconcile themselves to their modest place at the heart of a changing Europe What impact has this had on political life How have the French reimagined the revolutionary republican and reactionary ideologies that have been so crucial to their history How has the arrival of hundreds of thousands of postcolonial migrants transformed politics These are just some of the questions at the heart of France since the 1970s With contributions from leading specialists on topics as varied as the legacy of empire and neo liberalism it explores how the French have dealt with the pervasive sense of uncertainty that has become a defining feature of contemporary European politics **Les Mystères** , 2012-01-01 This collection of essays in English by scholars of international standing presents new insights into the contexts in which the fifteenth century French myst res were created It is centred upon the remarkable outburst of large scale plays written for urban production and dealing with biblical and hagiological subjects which transformed the art of theatre in France and gave

rise to a new and multi faceted theatrical culture Among the subjects treated are the means by which surviving texts preserve theatrical practice and some of the ways in which the work of the principal dramatists Eustache Mercad Arnoul Gr ban and Jean Michel interact with one another and with the work of others The nature of some surviving texts is subjected to close scrutiny and this includes detailed work upon some manuscripts and their typology Attention is also given to the related moralit s the convent drama and to the large corpus of Catalan plays which deal with similar topics but in different circumstances Further contexts are addressed through paradramatic aspects including sermons and the chansons de geste as well as the political environment One recurring feature is the nature and activities of ubiquitous and powerful evil characters and their theatrical and theological significance

Europe Beyond Your Means Conrad G. Lucas, II, William D. Norgard, 2008-12-01 *Europe Beyond Your Means* is a hilarious and satirical travel guide focused on understanding Parisian culture and enhancing the overall experience of visiting one of the world s most celebrated cities Complete with travel suggestions witty observations and relevant narratives of a nature that you won t find in typical travel literature this book is guaranteed to augment any visit to Paris By pointing out the endearing quirks of the French and the throngs of tourists who visit each year *Europe Beyond Your Means* takes readers through the essential vacation steps of packing arrival necessary activities cultural realizations and the difficult acceptance of having to eventually return home This book is written for those who seek the most out of travel by trying to grasp the local culture and do not always feel accounted for by guides propagating the widely popular ten dollar a day approach In short *Europe Beyond Your Means* is a must have companion piece for any erudite traveler to Paris who wants to laugh a little along the way

Fifteenth-Century Studies Vol. 28 Edelgard E. DuBruck, Barbara I. Gusick, 2003 The focus of the volume in addition to standard features such as the bibliographical update on 15th c theater is on late medieval authors as literary critics Founded in 1977 as the publication organ for the Fifteenth Century Symposium Fifteenth Century Studies has

appeared annually since then It publishes essays on all aspects of life in the fifteenth century including literature drama history philosophy art music religion science and ritual and custom The editors strive to do justice to the most contested medieval century a period that has long been the stepchild of research The fifteenth century defies consensus on fundamental issues some scholars dispute in fact whether it belonged to the middle ages at all arguing that it was a period of transition a passage to modern times At issue therefore is the very tenor of an age that stood under the influence of Gutenberg Columbus the Devotio Moderna and Humanism Along with the standard updating of bibliography on 15th c theater this volume is devoted to research on late medieval authors as literary critics Thus for the historian as well as the writer of fiction the tenuous limits between truth and fantasy and the role of doubt are investigated If there are several eyewitness accounts of an event which one can be trusted Medieval memorialists sometimes became advisors to princes and used a rhetoric of careful persuasion Values such as chivalry courtly love and kingly self representation come up for discussion here Several essays ponder the structure of poetic forms and popular genres and others consider more factual topics such as incunabula on medications religious literature in the vernacular for everyday use a student's notebook on magic and late medieval merchants money and trade Contributors Edelgard DuBruck Karen Casebier Emma J Cayley Albrecht Classen Michael G Cornelius Jean Duforet Catherine Emerson Leonardas V Gerulaitis Kenneth Hodges Sharon M Loewald Luca Pierdominici Michel J Raby Elizabeth I Wade Edelgard E DuBruck is professor emerita in the Modern Languages Department at Marygrove College in Detroit Barbara I Gusick is professor emerita of English at Troy University Dothan Dothan Alabama

France, Her People and Her Spirit Laurence Jerrold, 1916

Byzantium and British Heritage Amalia G. Kakissis, 2023-07-12 Byzantium was a very influential part of the development of the Arts and Crafts Movement 1880 1910 in Britain and although the influence of the Gothic Revival 1830 80 is well known that of the Byzantine Revival 1840 1910 is not This volume is about the people and the movements that created the Byzantine Revival and shows how they influenced British heritage from architecture to the decorative arts during the late nineteenth and early twentieth centuries The central pillars of the volume are the architects

and scholars who created the Byzantine Research Fund BRF Archive a unique collection of architectural drawings and photographs of numerous monuments across the Byzantine world and the social and professional networks in which they circulated The BRF members an eclectic and little known group who based themselves at the newly founded British School at Athens established the research of Byzantium in Britain and Greece They were trained in the traditions of the Arts and Crafts Movement which sought authenticity in design and decoration in reaction to the styles that had developed through industrialisation Their work uniting a distinctively British design tradition with Byzantine arts and crafts represents a highly significant and under researched link between Britain and the Hellenic world This volume is the first contribution to try to fill this knowledge gap Byzantium and British Heritage will appeal to all those interested in the relation between Byzantine and British culture and Byzantine art Fifteenth-Century Studies William C. McDonald, William Plail, 1997-03 This volume of Fifteenth Century Studies is derived from the 1995 Fifteenth Century Symposium held in Kaprun Austria As usual it includes essays on numerous aspects of life during the time interdisciplinary in approach topics include Piers Plowman Christine de Pizan and Ovid in the Florentine renaissance Examinations of the recent critical attention given to late medieval drama and to Villon complete the volume **Staging History** ,2021-02-08 Staging History unites essays by nine specialists in the field of late medieval and early Renaissance drama Their focus is on English Dutch and Humanist German drama as well as on a modern Swiss adaptation of Shakespeare s Henry V Featuring prominently in this book are plays by among others John Bale Jacob Schoepper Johannes Agricola and Jacob Duym Special attention is also paid to the Croxton Play of the Sacrament and the Dutch abele spelen So far this topic has not received wide attention within the world of medieval and early Renaissance studies This exploration aims at arousing more interest in this field by scholars working on European drama from the late Middle Ages and the early Renaissance
