Freudians And Feminists

Edith Kurzweil

Freudians And Feminists:

Freudians And Feminists Edith Kurzweil, 2019-03-04 This book traces the intellectual history of the interaction between feminists and Freudian thought charting the essence of psychoanalytic theories through the years to show specific notions were adapted readapted and discarded by successive generations of feminists Feminism and Its Discontents Mari Jo Buhle, Mari Jo Buhle, 2009-06-30 With Sigmund Freud notoriously flummoxed about what women want any encounter between psychoanalysis and feminism would seem to promise a standoff But in this lively often surprising history Mari Jo Buhle reveals that the twentieth century's two great theories of liberation actually had a great deal to tell each other Starting with Freud's 1909 speech to an audience that included the feminist and radical Emma Goldman Buhle recounts all the twists and turns this exchange took in the United States up to the recent American vogue of Jacques Lacan While chronicling the contributions of feminism to the development of psychoanalysis she also makes an intriguing case for the benefits psychoanalysis brought to feminism From the first American psychoanalysis became the property of freewheeling intellectuals and popularists as well as trained analysts Thus the cultural terrain that Buhle investigates is populated by literary critics artists and filmmakers historians anthropologists and sociologists and the resulting psychoanalysis is not so much a strictly therapeutic theory as an immensely popular form of public discourse She charts the history of feminism from the first wave in the 1910s to the second in the 1960s and into a variety of recent expressions Where these paths meet we see how the ideas of Freud and his followers helped further the real life goals of a feminism that was a widespread social movement and not just an academic phenomenon The marriage between psychoanalysis and feminism was not pure bliss however and Buhle documents the trying moments most notably the Momism of the 1940s and 1950s a remarkable instance of men blaming their own failures of virility on women An ambitious and highly engaging history of ideas Feminism and Its Discontents brings together far flung intellectual tendencies rarely seen in intimate relation to each other and shows us a new way of seeing both Table of Contents Introduction Feminism Freudianism and Female Subjectivity Dissent in Freud's Ranks Culture and Feminine Personality Momism and the Flight from Manhood Ladies in the Dark Feminists versus Freud Feminine Self in Relation The Crisis in Patriarchal Authority In the Age of the Vanishing Subject Notes Acknowledgments Index Reviews of this book Where some feminists have been hostile to psychoanalysis and some psychoanalysts have been hostile to feminism Buhle a MacArthur Fellow and professor at Brown University finds them linked in their quest to understand selfhood gender identity family structures and sexual expression Feminism and Its Discontents is an excellent guide to the history of these ideas The struggles of feminism and psychoanalysis may be cyclical but they are far from over and far from dull Elaine Showalter Washington Post Book World Reviews of this book Buhle's project is to uncover the continual conversation that feminism and psychoanalysis have had with one another to show how they are mutually constitutive By charting the exchanges between psychoanalysis and feminism Feminism and Its Discontents corrects the

common impression that feminist criticisms fell on deaf if not disdainful ears Buhle takes pains to detail how feminists and their opponents inside and outside psychoanalysis have set the terms for key debates Buhle is an animated and engaged storyteller The story she tells covering nearly a century of the vicissitudes of psychoanalysis and feminism is full of twists and turns well chosen anecdotes and occasional double crosses The cast of characters is inspiring exasperating remarkable mercurial colorful and sometimes slightly loony Buhle draws them with sympathy and a keen eye for the evocative detail Buhle writes with zest touches of humor and energy Her style is witty and readable It is no mean feat to avoid ponderous and technical language when writing about psychoanalysis but she manages it All told psychoanalysis and feminism sometimes in tandem and sometimes at arm's length have made vital contributions to the question of female selfhood The odd couple of our century they share a large part of the responsibility for our particular form of self consciousness and for the meaning of individuality in modern society Mari Jo Buhle deftly illuminates how together they advanced the ambiguous and radical project of modern selfhood Jeanne Marecek *Women's Review of Books* Reviews of this book *Feminism and Its Discontents* sets out to unravel the wondrously complex love hate relationships between and within feminism and psychoanalysis which it sees as the two most important movements of modernity The twists and tensions in that relationship highlight the continuous arguments around sexual difference and their entanglement in the messy conflicts in women's lives between motherhood and careers self realization and gender justice Buhle leads her readers through the repeated battles over feminism Freudianism and female subjectivity with exceptional clarity and care Her book will serve as a reliable introduction for those who have scant knowledge of the historical ties binding feminism to psychoanalysis and is also useful for those who wish to remind themselves of what they thought they already knew but may well have forgotten Lynn Segal *Radical Philosophy* Reviews of this book *Feminism and Its Discontents* adds a novel and welcome twist to the Freud conversation the proposition that feminism was so central to Freud's Americanization that the quest for gender equality can be credited with turning psychoanalysis into what we imagine it always was an enterprise centered on femininity and female sexuality Buhle's assertions are as enticing as they are controversial The book is as relevant for students of feminist politics as for scholars interested in the history of psychoanalysis itself Ellen Herman *Journal of American History* Reviews of this book An exhaustively researched and accessibly written account of the intersections and collisions between psychoanalysis and feminism Buhle chronicles the gyrations of history and assesses how social theory influences culture and vice versa The result is far reaching and she is at her best when reflecting on how the mainstream accommodates and interprets the scholarly Overall the text promises a lively overview of the mutual benefits derived from a critical coalition between psychoanalysis and feminism Highly recommended for all libraries Eleanor J Bader *Library Journal* Reviews of this book Buhle bases her intriguing and expansive historical study on the premise that feminism and psychoanalytic theory each in its own way concerned with understanding the self developed in continuous dialogue with each other The author's captivating

energetic writing style reflects the often spirited surprisingly tenacious relationship of these two theories from their emergence as unlikely bedpartners of Modernism through the shifting intellectual patterns of this century and the insidious mother blaming of the 50s to the contemporary postmodern paradigm of subjectivity and selfhood Combining thorough research and incisive analysis Buhle examines the ongoing discourse among Freudian new Freudian and feminist theorists throughout the century as well as the endless fascination of popular culture with the questions of biology versus culture difference versus equality A vital addition to both women s studies and psychology collections Grace Fill Booklist Reviews of this book *Feminism and Its Discontents* covers a dazzling spectrum of thinkers and polemicists ranging from Charlotte Perkins Gilman to Barbara Ehrenreich with admirable clarity and succinctness Buhle s reach in terms of American and French classical neo and post Freudian writing by men and women on women s psychosexual development is equally impressive Few scholars would attempt a comprehensive intellectual history on such a charged topic Buhle has done so in this informative scholarly feat Kirkus Reviews Reviews of this book Buhle has bridged the void between feminism and psychoanalysis with a historian s thorough and penetrating interpretation of theories and thoughts implicit in 20th century liberation movements The introduction is clearly developed and carefully documented Each chapter is skillfully organized with extensive references and notes to motivate the astute scholar There is no question that Buhle has adeptly used a multidisciplinary approach to present ideas and thoughts that give contemporary feminists and post Freudians another opportunity for dialogue on the terms difference and equality G M Greenberg *Choice* Feminism and psychoanalysis have each been defining moments of this now fading century and in their tangled relations lie some of its main preoccupations It takes a historian s eye to unravel this story and one with the breadth sympathy insight and wit of Mari Jo Buhle to do it justice *Feminism And Its Discontents* will undoubtedly stand as the definitive study of the encounter between these two great movements Joel Kovel Bard College author of *Red Hun* [Feminism and Psychoanalytic Theory](#) Nancy J.

Chodorow,1989-01-01 **Psychoanalysis and Feminism** Juliet Mitchell,1974 [The Freudian Mystique](#) Samuel Slipp,1993-02-01 Lucid and convincing Makes clear that Freud s vision was limited both by the social climate in which he worked and the personal experiences he preferred subconsciously not to deal with Los Angeles Times Sigmund Freud was quite arguably one of the most influential thinkers of the twentieth century Yet over the last decade portions of his theories of the mind have suffered remarkably accurate attacks by feminists and even some conservative Freudians How could this great mind have been so wrong about women In *The Freudian Mystique* analyst Samuel Slipp offers an explanation of how such a remarkable and revolutionary thinker could achieve only inadequate theories of female development Tracing the gradual evolution of patriarchy and phallocentrism in Western society Slipp examines the stereotyped attitudes toward women that were taken for granted in Freud s culture and strongly influenced his thinking on feminine psychology Of even greater importance was Freud s relationship with his mother who emotionally abandoned him when he was two years old Slipp

brings the tools of a trained clinician into play as he examines from an object relations perspective Freud's own pre-oedipal conflicts and shows how they influenced Freud's personality as well as the male-centric shape of his theory. Not limited to only one perspective, *The Freudian Mystique* analyzes how the entire contextual framework of individual development, history and culture affected Freud's work in feminine psychology. The book then looks forward to formulating a modern

biopsychosocial framework for female gender development. **Freudian Analysts/Feminist Issues** Judith M.

Hughes, 1999-01-01 In this book Judith M. Hughes makes a highly original case for conceptualizing gender identity as potentially multiple. She does so by situating her argument within the history of psychoanalysis. Hughes traces a series of conceptual lineages, each descending from Freud. In the study, Helene Deutsch, Karen Horney and Melanie Klein occupy prominent places. So too do Erik H. Erikson and Robert J. Stoller. Among contemporary theorists, Carol Gilligan and Nancy Chodorow are included in Hughes's roster. In each lineage, Hughes discerns an evolutionary narrative. Deutsch tells a story of retrogression, Erikson names his epigenesis and Gilligan continues in that vein. Horney's discussion recalls sexual selection. Stoller's and Chodorow's theorizing brings artificial selection to mind and finally, in Klein's work, Hughes sees a story of natural selection and adds to it her own notion of multiple gender identities. **The Freudians** Edith Kurzweil, 2018-04-27

Every country unconsciously creates the psychoanalysis it needs, says Edith Kurzweil. Freudians everywhere, even the most orthodox, are influenced by national traditions, interests, beliefs and institutions. In this original and stimulating book, Kurzweil traces the ways in which psychoanalysis has evolved in Austria, England, France, Germany and the United States. The author explains how psychoanalysis took root in each country, outlines the history of various psychoanalytic institutes and describes how Freudian doctrine has been transmuted by aesthetic values, behavioral mores and political traditions of different cultures. The Germans, for example, took Austrian humanism and made it scientific. The British developed object relations. French psychoanalysts emphasized linguistics and structuralism and developed an abiding fascination with text, language, subtext and plot structures. In her new introduction, Kurzweil reexamines her argument that countries develop their own psychoanalysis according to their needs. She describes evidence supporting her theories and why they continue to hold true today. She also discusses what led her to write this book. Initially, *The Freudians* is a major work in confirming the importance of psychoanalytic thought across national and cultural boundaries. Psychoanalysis and Feminism Juliet

Mitchell, 2026-01-13 With a new introduction from the author, this critical text of feminist theory explores how Freud's work helps us understand the subjugation of women today. Psychoanalysis and Feminism had a double task of explaining Freud's work both to its mistaken attackers and at the same time to those who were ignorant of it. Juliet Mitchell argued that an analysis of patriarchy was not a recommendation of it. Quite the contrary, it was indispensable for explaining the continuing second-sex status of women. Its argument is as effective and valid today as it was then, and the author will introduce her theories afresh for a new generation of readers and the psycho-social conditions fifty years later. Between Feminism and

Psychoanalysis Teresa Brennan, 2002-03-11 In this landmark collection of original essays outstanding feminist critics in Britain France and the United States present new perspectives on feminism and psychoanalysis opening out deadlocked debates The discussion ranges widely with contributions from feminists identified with different often opposed views on psychoanalytic criticism The contributors reassess the history of Lacanian psychoanalysis and feminism and explore the significance of its institutional context They write against the received views on French feminism and essentialism A remarkable restatement of current positions within psychoanalysis and feminism the volume as a whole will change the terms of existing debates and make its arguments and concerns more generally accessible **Feminist Theory, Fourth Edition**

Josephine Donovan, 2012-03-08 This first major study of feminist theory revised and updated here in its fourth edition now takes the reader into the twenty first century It addresses the basic question What is feminism by outlining the various strands of feminist theory liberal cultural Marxist socialist Freudian and radical This fourth edition brings the discussion up to date integrating the developments in feminist theory that have emerged in the last two decades such as ecofeminism multiculturalism postmodernism and global feminism including new material since the publication of the third edition 2000

The Routledge Companion to Feminism and Postfeminism Sarah Gamble, 2004-11-23 Approachable for general readers as well as for students in women s studies related courses at all levels this invaluable guide follows the unique Companion format in combining over a dozen in depth background chapters with more than 400 A Z dictionary entries The background chapters are written by major figures in the field of feminist studies and include thorough coverage of the history of feminism as well as extensive discussions of topics such as Postfeminism Men in Feminism Feminism and New Technologies and Feminism and Philosophy The dictionary entries cover the major individuals and issues essential to an understanding both of feminism s roots and of the trends that are shaping its future Readers will find entries on people such as Aphra Behn Simone de Beauvoir Princess Diana Courtney Love and Robert Bly and on subjects such as Afro American feminism cosmetic surgery the new man prostitution reproductive technologies and slasher films Feminism and

Psychoanalysis , 2001 Each bibliography includes a comprehensive list of the theorist s works and critical studies of these works in English Each bibliography contains approximately 600 to 900 entries Books journal articles essays within edited books in the manner of Essay and General Literature and dissertations are included References are provided from a wide variety of disciplines and bibliographic sources The primary purpose of each bibliography is to provide access to the widely reprinted primary works in English and the critical literature in a great variety of books and journals The topical bibliographies include the authoritative works on the subject and are arranged in useful categories The lively part of the modern post modern debate is generally taking place in alternative and left journals journals always included in the literature search in the compiling of the bibliographies **Literary Theory and Criticism** Patricia Waugh, 2006 This volume offers a comprehensive account of modern literary criticism presenting the field as part of an ongoing historical and intellectual

tradition Featuring thirty nine specially commissioned chapters from an international team of esteemed contributors it fills a large gap in the market by combining the accessibility of single authored selections with a wide range of critical perspectives The volume is divided into four parts Part One covers the key philosophical and aesthetic origins of literary theory while Part Two discusses the foundational movements and thinkers in the first half of the twentieth century Part Three offers introductory overviews of the most important movements and thinkers in modern literary theory and Part Four looks at emergent trends and future directions

Feminist Alliances, 2006-01-01 This book is about feminism its critics and its possible directions for change The nine chapters raise questions about theories of sexual difference power justice and history A central theme concerns the prospects for combining feminist with other non feminist political perspectives

What is Feminism? Chris Beasley, 1999-09-20 In this guide to western feminist theory Christine Beasley provides clear explanations of the many types of feminism ranging from liberal feminism to queer theory

Women's Rights in the United States Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women s rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women s rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women s activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

Traitors to the Masculine Cause Sylvia Strauss, 1982-11-24 A few paragraphs on homosexuality in connection with Havelock Ellis and Floyd Dell P Thorslev

Women, Power and Leadership: Madhuparna Gupta., 2015-07-29 The author is an Assistant Professor of Political Science at Chandernagore Government College West Bengal India She received her Ph D in International Relations from Jadavpur University in 2014 and is a Gold medallist in her M A programme from the same university She has also served as an instructor of German language at the Ramakrishna Mission Institute of Culture Kolkata and translated several English and Bengali texts and songs into German language Her areas of interest include international politics defence and strategic studies comparative politics and international law Since the Second World War there have been very few women politicians to have come to lead their nations and dominate the world politics Out of them Indira Gandhi Margaret Thatcher and Golda Meir are regarded as powerful women leaders of the world These three Premiers were the first and only women leaders to have assumed political leadership in their respective countries till date They were universally recognised as Iron Ladies because of their command and control over their respective governments their conviction mindset and their capability to transform and implement their visions and

ideas into practical policies They were surrounded by male colleagues and there was hardly any woman in their respective Cabinets or governments nor did they portray themselves as representatives of womenfolk Also their policies bore no reflection of women friendly approaches neither were they supporters of womens rights nor did they encourage womens participation in politics or promote womens empowerment They were successful in maintaining domestic peace and resisted external aggressions with strong hands for which they were universally recognised as tough leaders and were personified with their respective countries as well This book intends to look at their electoral politics modes of functioning and the power sharing patterns makes a comparative study of the nature of their leadership along with the personal and institutional factors in their access to power mitigating domestic discontents as well as their individual roles in the Indo Pak War of 1971 the Falklands Island dispute of 1982 and the Yom Kippur War of 1973 *Shakespeare: A Hand* Cedric Watts,2018 If you need a helping hand with Shakespeare this book provides it Dr Cedric Watts Emeritus Professor of English Literature at Sussex University offers a broad introductory survey of Shakespeare s works and techniques Every play is discussed critically even Love s Labour s Won Matters of prosody and rhetoric are explained The Sonnets are interpreted provocatively An ideal book for those coming to Shakespeare for the first time and for more experienced readers Watts offers the most lively and cheering company says Professor David Hopkins of Bristol University The eminent novelist Ian McEwan adds Cedric Watts is a superb critic in the liberal tradition highly readable open and generous in spirit broad and deep in his reading and wise in judgement Cedric Watts has written numerous books on Shakespeare s works and has edited 21 of the plays for the Wordsworth Classics Shakespeare Series **Goethe's Faust and Cultural Memory** Lorna Fitzsimmons,2012-07-16 This book is an interdisciplinary collection of essays examining Goethe s Faust and its derivatives in European North American and South American cultural contexts It takes both a canonic and archival approach to Faust in studies of adaptations performances appropriations sources and the translation of the drama contextualized within cultural environments ranging from Gnosticism to artificial intelligence Lorna Fitzsimmons introduction sets this scholarship within a critical framework that draws together work on intertextuality and memory Alan Corkhill looks at the ways in which the authority of the word is critiqued in Faust and Marlowe s Dr Faustus Robert E Norton revisits the question of Herder as Faust and the early twentieth century context in which the claim resonated J M van der Laan explores the symbolic possibilities of the mysterious Eternal Feminine Frederick Burwick examines Coleridge s critique of Goethe s Faust and his own plans for a Faustian tale on Michael Scott Andrew Bush demonstrates how Estanislao del Campo s poem Fausto retells Gounod s opera in the sociolect of Argentine gauchos David G John examines complete productions of Goethe s Faust by Peter Stein and the Goetheanum J rg Esleben surveys contemporary Canadian interplay with Goethe s Faust Susanne Ledanff discusses the significance of Goethe s Faust for Werner Fritsch s avant garde Theater of the Now Bruce J MacLennan examines Faust from the perspective of a researcher in several Faustian technologies artificial intelligence autonomous robotics artificial life and artificial

Freudians And Feminists Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Freudians And Feminists PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Freudians And Feminists PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Freudians And Feminists free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Freudians And Feminists Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
