**The Life of a Slave Girl** Harriet Jacobs, 2019-05-22 I was born a slave but I never knew it till six

years of happy childhood had passed away My father was a carpenter and considered so intelligent and skilful in his trade that when buildings out of the common line were to be erected he was sent for from long distances to be head workman On condition of paying his mistress two hundred dollars a year and supporting himself he was allowed to work at his trade and manage his own affairs His strongest wish was to purchase his children but though he several times offered his hard earnings for that purpose he never succeeded In complexion my parents were a light shade of brownish yellow and were termed mulattoes They lived together in a comfortable home and though we were all slaves I was so fondly shielded that I never dreamed I was a piece of merchandise trusted to them for safe keeping and liable to be demanded of them at any moment I had one brother William who was two years younger than myself a bright affectionate child Such were the unusually fortunate circumstances of my early childhood When I was six years old my mother died and then for the first time I learned by the talk around me that I was a slave My mother s mistress was the daughter of my grandmother s mistress She was the foster sister of my mother they were both nourished at my grandmother s breast In fact my mother had been weaned at three months old that the babe of the mistress might obtain sufficient food They played together as children and when they became women my mother was a most faithful servant to her whiter foster sister On her death bed her mistress promised that her children should never suffer for any thing and during her lifetime she kept her word They all spoke kindly of my dead mother who had been a slave merely in name but in nature was noble and womanly Reader my story ends with freedom not in the usual way with marriage I and my children are now free We are as free from the power of slaveholders as are the white people of the north and though that according to my ideas is not saying a great deal it is a vast improvement in my condition The dream of my life is not yet realized I do not sit with my children in a home of my own I still long for a hearthstone of my own however humble I wish it for my children s sake far more than for my own But God so orders circumstances as to keep me with my friend Mrs Bruce Love duty gratitude also bind me to her side It is a privilege to serve her who pities my oppressed people and who has bestowed the inestimable boon of freedom on me and my children It has been painful to me in many ways to recall the dreary years I passed in bondage I would gladly forget them if I could Yet the retrospection is not altogether without solace for with those gloomy recollections come tender memories of my good old grandmother like light fleecy clouds floating over a dark and troubled sea

This case laminate collector's edition includes a Victorian inspired dust jacket. [Incidents in the Life of a Slave Girl](#). Linda Brent, Lydia Maria Francis Child, 2014-11-15. Here is one of the few slave narratives written by a woman. Slavery is a terrible thing but it is far more terrible and harrowing for women than for men. Harriet Jacobs was owned by a brutal master who beat his slaves regularly and subjected them to indignations that were far worse. Jacobs eventually escaped her master and moved to a northern state. Though she was unable to take her children with her at the time they were later reunited. Read her powerful and compelling story. This autobiographical account by a former slave is one of the few extant narratives written by a woman. Written and published in 1861, it delivers a powerful portrayal of the brutality of slave life. Jacobs speaks frankly of her master's abuse and her eventual escape in a tale of dauntless spirit and faith. God gave me a soul that burned for freedom and a heart nerved with determination to suffer even unto death in pursuit of liberty. In this excerpt from a letter written by Harriet Jacobs to her friend the abolitionist Amy Post, Jacobs expresses her determination to continue her quest for freedom. Dated October 9, 1853, less than two years after Jacobs was freed, the letter was written in response to Post's suggestion that Jacobs tell the story of her abuse and exploitation as an enslaved black woman. Eight years later, in 1861, the same year that marked the beginning of the Civil War, [Incidents in the Life of a Slave Girl](#) Written by Herself was published in Boston. According to the chronology of Jacobs's life compiled by her autobiographer Jean Fagan Yellin, the events described in [Incidents](#) narrated by Linda Brent mirror key incidents of Jacobs's life. **INCIDENTS in the LIFE of a SLAVE GIRL. Written by Herself (Annotated)** Harriet Jacobs, 2021-04-18. Harriet Jacobs's narrative of a life as a slave girl is unabridged and contains an additional annotation at the start of the book. This section aims to give the reader an historical context and contains a brief History of Slavery in America and the Abolishment of Slavery. This will help set the stage for Harriet Ann Jacobs's autobiography that is to follow. I am aware that some of my adventures may seem incredible but they are nevertheless strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places and given persons fictitious names. I had no motive for secrecy on my own account but I deemed it kind and considerate towards others to pursue this course. When I first arrived in Philadelphia, Bishop Paine advised me to publish a sketch of my life but I told him I was altogether incompetent to such an undertaking. Though I have improved my mind somewhat since that time, I still remain of the same opinion but I trust my motives will excuse what might otherwise seem presumptuous. I have not written my experiences in order to attract attention to myself; on the contrary, it would have been more pleasant to me to have been silent about my own history. I want to add my testimony to that of abler pens to convince the people of the Free States what Slavery really is. Only by experience can any one realize how deep and dark and foul is that pit of abominations. May the
