Middle Ages in nineteenth century opera to medievalism in contemporary video game music thereby connecting disparate musical forms across typical musicological boundaries of chronology and geography While some chapters focus on key medievalist works such as Orff's Carmina Burana or Peter Jackson's Lord of the Rings films others explore medievalism in the oeuvre of a single composer e.g. Richard Wagner or Arvo Pärt or musical group e.g. Led Zeppelin The topics of the individual chapters include both well known works such as John Boorman's film Excalibur and also less familiar examples such as Eduard Lalo's Le Roi d'Ys The authors of the chapters approach their material from a wide array of disciplinary perspectives including historical musicology popular music studies music theory and film studies examining the intersections of medievalism with nationalism romanticism ideology nature feminism or spiritualism Taken together the contents of the Handbook develop new critical insights that venture outside traditional methodological constraints and provide a capstone and point of departure for future scholarship on music and medievalism *Careers in Music* Sara Peacock, 2013-01-17

How is it that the girl with straight As ends up scrubbing floors for minimum wage living in a room above Vera's Hairstyling in a god forsaken town called Powassan She didn't marry the wrong guy She didn't have kids She wasn't an immigrant uprooted and transplanted So what happened Where are all the straight A girls from high school Why how have they disappeared Marriage and kids is an inadequate answer because married with kids straight A boys of which let's acknowledge there are fewer are visible Everywhere Even the straight B boys are out there So what happens This is what happens provides several answers as it traces this disappearance with a microscopic examination of one woman's life There are three voices juxtaposed throughout the novel the fresh impassioned

protagonist speaking through her journal entries from the age of fifteen the sarcastic now fifty protagonist commenting about the events of her life occasionally speaking to her younger self and the dispassionate narrator The novel s audience is primarily women it will resonate most with older women but it is younger women who most need to read it Because this is what happens An incisive reflection on how social forces constrain women s lives Booklife Publishers Weekly I find the writing style very appealing An interesting mix of a memoir and a philosophical work together with some amazing poetry This is what happens ranks in my top five of books ever read Mesca Elin Psychochromatic Redemption Really enjoyed the novel I like the use of a journal as the format to tell the story The author gives the reader lots of food for thought An intense novel Pam FitzGerald The self analysis is astounding Claudine Leonhardt A seriously powerful novel C Osborne This book is so amazing I was so enthralled that I just kept reading JB
